When Jesus Returns David Pawson.2021-11-26 In these days of heightened concern about the end-times. what is really known about Christ's second coming and how can we prepare for it? Christians everywhere await Christ's return. Will he come to the whole world or just one place? Soon and suddenly or after clear signs? What can he achieve by coming back here and how long will it take? David Pawson brings clarity and insight to these and many other vital issues surrounding the bodily return of Jesus Christ to our world. Based on a new approach to the interpretation of the book of Revelation, he discusses in detail the controversial and misunderstood subject of the 'Rapture' and uncovers the true significance of the 'Millennium'.

**Jesus Baptises in one Holy Spirit** David Pawson.2014-04-11 For the most part, the church has been silent about Jesus' role as baptiser in the Spirit, though John declared this to be the principal contribution of his Messianic ministry. Through exploration of the relevant scriptures of both Old and New Testaments, David Pawson describes eight essential elements in Spirit baptism.

Christianity Explained David Pawson.2014-04-11 A thoroughly readable book offering a condensed and well-illustrated survey of basic Christian truths.

**Liberty: Freedom Not to Sin** David Pawson.2021-11 No one is able to keep all of the laws of the Old Testament - all of the time, not even the holy men of the Old Testament - Moses, King David and others. Jesus himself said that even if you only look at a woman lustfully you have already committed adultery in your heart. Priests and those in leadership within the Church have often been guilty of

misusing the laws of Moses by teaching and demanding strict, literal or even excessive conformity to the Old Testament Law. Such practice puts one under the law, and even places the law above the gospel. In his letter to the Galatians Paul teaches that to be a Christian you do not need to be circumcised and that an over emphasis on keeping the laws, including keeping the Sabbath results in legalism and ultimately brings God's Wrath. The opposite of legalism is license - doing whatever you want whenever you want and that you are only responsible to yourself rather than a higher authority. This also brings God's wrath. In this book David Pawson explains how through Christ's death and resurrection, we have been released from the legalism of the Old Testament Laws (which no one is able to keep all of the time), not to do the opposite which will result in sin by doing whatever we please, whenever we want, but through Christ we have been given true liberty ...the liberty to choose not to sin, by walking in the Spirit.

**A Commentary on THE MINOR PROPHETS** David Pawson.2001-11-19 David Pawson looks at the messages of these so-called “minor prophets” and says: I do not like that term. To God all prophets are important, whether they speak a little or a lot. Even if God only gave you three words for somebody else, that is prophecy. You don't need to do it at length for fifty years as some prophets did. There are some prophets in the Old Testament who only speak once, and then, as far as we know, they disappear; but they have given a message from God. This is all a prophet is: someone who has heard a message and passes it on to the right people. It is such a simple ministry. You don't need to be theologically educated; you don't need to be a public speaker. In fact, God seems to entrust this ministry to those who don't have a gift of oratory. It is exciting to hear ordinary folk, who would never be able to get up into a pulpit and preach a sermon, hear from God and pass on a word from him.

**The Lord's Prayer** David Pawson.2015-02-02 The author writes: The so-called 'Lord's Prayer' is full of surprises. For one thing, the Lord could never have used it himself, with its central and longest plea for forgiveness. Though he gave it as a model for private prayer, it has become the most common corporate liturgy of the church. Its brevity is striking, consistent with his criticism of pagan devotions with their 'many words'. Above all, it is comprehensive, covering all the basic concerns of a Christian, while clearly indicating that these should cover God's needs (honour and loyalty) before his or her own (food and forgiveness). Even though it begins with God, whom Jesus called 'my' Father, but we must say 'our' Father, it ends with the devil: deliver us from the evil (one). It is for weekdays rather than Sundays. Try using it for a month.

Leadership is Male David Pawson.2015-05-20 From the Foreword by Elisabeth Elliott: A simple, sane, serious treatment of the subject by a man who loves God, respects women, and takes the inspiration of Scripture and the integrity of the apostles for granted.

**Jesus Baptises in One Holy Spirit** David Pawson.2014-09-11 For the most part, the church has been silent about Jesus' role as baptiser in the Spirit, though John declared this to be the principal contribution of his Messianic ministry. Through exploration of the relevant scriptures of both Old and New Testaments, David Pawson describes eight essential elements in Spirit baptism. He maintains that the sacramental, evangelical and pentecostal streams in Christianity have all failed to do justice to this biblical doctrine. In particular its dual purpose of purity and power, for salvation and service, needs to be recovered if we are to become a truly apostolic church in the twenty-first century.

**Where is Jesus now?** David Pawson.2015-10-12 Why is the Ascension such a neglected area of biblical teaching? What exactly happened? How did the disciples react? Why did Jesus go back to

heaven? What did he do next? What is he doing now? How does all this connect with our lives today? David Pawson explains why the Ascension of Jesus can still be a source of inspiration to every Christian believer.

Kingdoms in Conflict David Pawson.2015-05-09 A 'kingdom' is a group of people ruled by one person, the 'king', who makes all the laws himself without their votes or approval. The concept is anathema to contemporary democracy and its confidence in government by the people, the naive assumption that majorities will always get it right. History does not encourage optimism. There have been more bad kings than good, even in God's chosen people Israel. Behind our world's problems, which baffle our finest politicians and philosophers, lies a fundamental, racial and fatal error of having chosen the wrong king. Born into his kingdom, he has deceived us into thinking we can each of us be our own kingdom, inevitably clashing with each other, as individuals or nations. The only solution is to find the right king and become his loyal citizens. One day all other kingdoms will be shaken to pieces but this will remain, for ever. Only then will the conflict, in which every one of us is involved, be resolved.

A Preacher's Legacy David Pawson.2017-11-16

Defending Christian Zionism David Pawson.2014-01-14 Has God brought the Jewish people back to Palestine? How can both Jews and Christians be God's chosen people? How many covenants are there in the Bible? Do all Christian Zionists accept dispensational teaching? Does the God of Israel ever change his promises? These are some of the questions that must be faced in the light of current attacks on Christian Zionism by some evangelical writers. David Pawson believes that Christians need very clear biblical understanding before making political pronouncements about conflict in the Middle East.

**A Commentary on Acts** David Pawson.2014-05-22 Dr. Luke's second volume is a book of 'firsts': the first outpouring of the Holy Spirit, the first converts, the first healing, the first arrest and trial, the first deacons, the first martyr, the first persecution, the first Gentile mission and many more. Nothing can stop the spread of the gospel when the church is on fire! The founding fathers were beset by troubles which, under God's direction, were all turned into triumphs. Study of their exploits will leave you with some disturbing questions. Should our church be like this? Could it be? Above all, do I want it to be?

Where has the Body been for 2000 Years? David Pawson.2013-02-13 This is an intensely readable look at the the Christian Church down the ages, providing powerful messages for our own times. Many church members know little or nothing about the story of Christianity between the New Testament period and today. They therefore may not realise how much they have been influenced by traditions developed during that time. These can have both a negative and positive benefit. Negative, because 'those who forget history are condemned to relive it'. Most of the mistakes we make and errors we fall into have happened before and we can learn from our forefathers to avoid them. Positive, because we have such a rich heritage it would be folly to ignore. We can draw inspiration and examples from the spiritual giants who went before us and, after all, we can look forward to meeting them personally in glory.

Once Saved, Always Saved? David Pawson.2021-07-30 The majority Evangelical view is that once someone has accepted Christ as Saviour they are guaranteed salvation. But is it safe to assume that once we are saved, we are saved for always? David Pawson investigates this through biblical evidence, historical figures such as Augustine, Luther and Wesley, and evangelical assumptions about grace and justification, divine sovereignty and human responsibility. He asks whether

something more than being born again is required so that our inheritance is not lost. This book helps us decide whether 'once saved, always saved' is real assurance or a misleading assumption. The answer will have profound effects on the way we live and disciple others.

**A PREACHER'S LEGACY** David Pawson.2017-11-16 The author's journey through different kinds of preaching: testimony (experience) preaching; text preaching; concordance sermons; topical preaching; passage preaching; preaching the whole Bible; contextual preaching.... He explains his method of discovering the structure of a Bible passage, preparation for preaching, and the practical aspects of delivering a sermon. He gives an account of the work of the Holy Spirit in bringing conviction. This book will help everyone who preaches and teaches Christianity.

What the Bible says about the Holy Spirit David Pawson.2015-05-20 This new book covers the following themes: - Why do People Seek the Holy Spirit? - The Holy Spirit in the Old Testament - The Holy Spirit in the New Testament (an Overview, and the Holy Spirit in: the Gospels; John; Acts; Epistles; Revelation) - The Holy Spirit in History

**Once Saved, Always Saved?** David Pawson.2021-07-30 The majority Evangelical view is that once someone has accepted Christ as Saviour they are guaranteed salvation. *Remarriage is Adultery Unless...* David Pawson.2013-02-01 Consecutive polygamy (as many

husbands or wives as you like but only one at a time) is now an accepted norm in contemporary society. Hardly surprising, since the social, legal, moral and financial restraints holding marriages together for a lifetime have been steadily eroded in a relativist age where anything goes. What is surprising is that divorce and remarriage are becoming as common inside the church as outside, even among Christian leaders and especially in the Evangelical stream. Believers have been outspoken about such issues as abortion and homosexuality though their Lord Jesus said nothing about either. He did say quite a lot about the subject of this book but there is either a reluctance to take his teaching at face value or an eagerness to enlarge his 'exception' until it becomes the rule. This volume primarily appeals to those for whom the Bible is the final authority in all matters of belief and behaviour, especially those who preach to, teach and counsel others. The author believes that the church should be leading the world uphill rather than following the world downhill. David Pawson has a worldwide teaching ministry, particularly for church leaders. He is known to many through Christian broadcasting and is the author of numerous books.

[A Commentary on the Gospel of Mark](#) David Pawson.2015-05-10 Here is a lively journey through the Gospel according to Mark, providing many powerful, fresh insights. With a new, very personal approach, this book helps us to understand and apply revealed truth.

[A Commentary on Ephesians](#) David Pawson.2016-03-21 Unlike Paul's other letters, this one is not addressed to particular churches or individuals, with their own needs and problems (even "Ephesians" is not in all the early copies). It is a circular despatch, covering general matters of belief (chapters 1-3) and behaviour (chapters 4-6), applicable to all churches and Christians everywhere. It is one of the clearest statements in the New Testament of God's purpose in saving us and is as practically challenging as it is spiritually inspiring. Perhaps that is why it is such a popular choice for

preachers.

**A Commentary on the Gospel of John** David Pawson.2015-06-24 'John is a remarkable Gospel, utterly different from the other three. It reflects the unique insights of the man who was closest to Jesus while he was on earth, and is full of concern that we should not just know about what Jesus did, but should also realize who he was. It reflects, too, John's burden the believers in Jesus should not be side-tracked by erroneous teaching, whether concerning Jesus' identity or the veracity of his claims. He wanted believers to be absolutely sure that eyewitnesses, Jesus' own words and his astonishing works all point to one who was truly God come in the flesh, the living Word, the very glory of God among humanity. John's collected evidence and proof all make the most compelling testimony to Jesus' right to demand our on-going trust and obedience.'

**Jesus Baptises in One Holy Spirit** David Pawson.1997 Through exploration of the relevant scriptures of both Old and New Testaments, David Pawson describes eight essential elements in Spirit Baptism.

Unlocking the Bible David Pawson.2012-06-14 David Pawson presents a unique overview of both the Old and New Testaments.

*A Commentary on 1 & 2 Thessalonians* David Pawson.2015-02-13 Speculation about the second coming of our Lord is nothing new. The saints in Thessalonica were already being misled. Paul's two corrective letters, among his earliest, deal with the issue in a way that is profound and practical, as well as giving details to be found nowhere else in the New Testament. The 'rapture', the man of lawlessness, the temple - these and other features are uniquely here. But there is also much sound advice for those who are 'so heavenly minded they are no earthly use'. Meddling in other people's business, living on the generosity of others rather than earning, despising prophetic words, sexual

behaviour that is lust rather than love - these are just some of the arrows that find a target within the church. After two thousand years these letters are as relevant today as they ever were. Paul probably never guessed they would become part of scripture, which God intended to be used until history ended and eternity began.

**The Normal Christian Birth** David Pawson.2022-06-24 'This is a handbook on spiritual obstetrics, written out of deep concern that so many Christians have been badly 'delivered'. So often, later spiritual disease can be traced back to an inadequate initiation into the Kingdom. A better birth means greater growth in a healthy Christian life.' Basing his study on the New Testament, David Pawson advocates a synthesis of the 'liberal' emphasis on repentance, the 'evangelical' on faith, the 'sacramental' on baptism and the 'pentecostal' on the Spirit. He then relates these 'spiritual doors' to the concepts of conversion and regeneration. THE NORMAL CHRISTIAN BIRTH looks at crucial and controversial texts, challenging traditional interpretations. The final section on evangelistic counselling questions the adequacy of the typical 'sinner's prayer' approach. Drawing from scripture and experience, David Pawson gives many practical tips on helping potential disciples to repent, believe, be baptised and receive the Spirit. David Pawson has a worldwide teaching ministry, particularly for church leaders. He is known to many through Christian broadcasting and is the author of numerous books.

**Unlocking the Bible** David Pawson.2009-02

Word and Spirit Together David Pawson.2014-04-15 The author has a passionate desire to see Charismatics and Evangelicals united. He has made a searching study of their remaining differences which he believes can be resolved without compromise. This book is essential reading for every Christian with a vision for a church united in faithfulness to the Word and openness to the work of

the Holy Spirit.

*The Challenge of Islam to Christians* David Pawson.2022-02-11 The Challenge of Islam to Christians is David Pawson's most important and perhaps his most sobering - prophetic message to date. Moral decline and erosion of a sense of ultimate truth have created a spiritual vacuum in the United Kingdom. Pawson believes Islam is better equipped than the Church to move into that gap and it is far more likely to become the country's dominant religion in the future. This book unpacks and explains the background behind Pawson's claims. and - crucially - sets out a positive blueprint for the Church's response. Christians must rediscover and demonstrate to society the three qualities that make Christianity unique: Reality. Relationship and Righteousness. This book is essential reading for all Christians.

**Understanding Water Baptism** David Pawson.2015-10-12 In this book David Pawson teaches what the Bible says about Water Baptism.

**Not as bad as the truth** David Pawson.2022-05-20 David Pawson is one of the Church's most highly-regarded leaders and provocative teachers of the last thirty years. As both pastor and preacher he has developed a reputation for prophetic biblical insight, clarity of expression and uncompromising but loving challenge to Christians' hearts and minds. Describing himself as an 'unorthodox evangelical', he has remained faithful to his own vow to be honest with God's Word as revealed in the Bible. no matter what the cost or consequence. This has led on some occasions to clashes with those who have held opposing interpretations of scripture. Not as Bad as the Truth is David's typically honest, fresh and lucid account of his life and teaching. It recalls the influences and formative moments of his childhood, upbringing and early ministry, and concludes with a portrait of the less familiar man behind the teaching: David's travels, hobbies and interests, and the

joys and challenges of family life. But perhaps this book's greatest legacy will be its summaries of the author's most urgent and significant theology and his fascinating account of the styles and techniques of preaching. Includes forewords by Sir Cliff Richard and Jennifer Rees Larcombe.

*EXPLAINING Being Anointed and Filled with the Holy Spirit* David Pawson.2018-02-15

**A Commentary on James** David Pawson.2015-01-27 This Bible study will help many to understand the key issues in the Epistle of James.

*Tributes by Friends of David Pawson* David Pawson.2020-11-22 David Pawson was widely regarded as one of the finest Bible teachers of our generation. This is a collection of tributes from around the world of David's friends. It contains personal stories of their friendships with David as well as how David's teaching ministry had impacted them and others in the churches in their countries. In these tributes, we see different aspects of David that are not as well known but that have endeared him to his friends. What they say about David Pawson: His life and ministry were well lived and stand as an outstanding example in our day when such things are rare. Along with thousands of others, I thank the Lord for having known David and for the seeds of biblical truth he sowed into my life. Peter Tsukahira A gentle and generous spiritual giant. Dr Daniel Ho I consider him to be one of the finest teachers of the Word of God in our generation. Pastor Yang Tuck Yoong We celebrate his Bible teaching and many OM leaders and others listened way back when they were on tapes that went around the world. The greatest thing I celebrate is that he persevered through many difficulties and challenges. ONLY heaven will tell the story. George Verwer He avoids religious and theological jargon and understates his sharp intellect and scholarship . . . he is only intent on communicating biblical truth and glorifying Christ, not himself . . . his teaching style is gentle yet uncompromising: You are welcome to challenge him, but make sure you have studied all the scripture on the subject

before you do. Justice Dr Philip Pillai Whether the angels in heaven will be ready for such a man, I don't know. I can't imagine they would have met too many people as passionate about truth as David, nor as gifted in communicating it. Dr Ian Stackhouse

**The God and the Gospel of Righteousness** David Pawson.2008-02-01 In this book, David Pawson call the church to back the very heart of the good news. For many, the 'gospel' is that God loves everybody unconditionally. Yet neither Jesus nor his apostles ever preached like that. They seem to have thought that the world needed to know about his righteousness and even his eagerness, to share that with us. That is because he is determined to have a universe in which there is no unrighteousness whatever. Why don't we think that is good news?

**Israel in the New Testament** David Pawson.2015-04-15 Now including a new chapter: 'Israel in Galatians'. Over 80% of the promises and prophecies of the Old Testament have been literally fulfilled. It is a simple matter of faith in God's faithfulness to believe that he means what he says, and will do what he says he will do. This study reveals that both the people and the place called 'Israel' have a significant role in God's future plans for world redemption.

Not As Bad As The Truth David Pawson.2015-03-12 Over half a century of ministry, David Pawson has touched innumerable lives with his honest and uncompromising popular biblical theology. Now in his seventies, he has decided to write what will be one of the most eagerly-received autobiographies of any modern-day Christian leader. Not As Bad As The Truth is Pawson's written legacy to the Church. It will summarise the essence of his 'unorthodox evangelical' theology, including his beliefs on baptism, Israel, salvation, the End Times, male leadership, and divorce and remarriage. It will also discuss with honesty and insight the most significant events of his personal life - childhood and formative years, his failing health, and the blessings and challenges of family life.

Pawson's commitment to biblical truth rarely fails to provoke a reaction. His teaching is loved and criticised in equal, passionate measures.

**By God, I Will** David Pawson.2013-02-28 It must bewilder many Christians that teachers and preachers using the same Bible can come up with so many different interpretations and, more particularly, applications of God's Word. One of the main reasons for this confusion is their handling of the word 'covenant', which is so fundamental to scripture. The two key questions are: how many covenants has God made with human beings and how many of these apply to Christians today? Some say there is only one ('the covenant of grace') running right through scripture, though they might add a second ('a covenant of works') which applied only to Adam in Eden. Most think there are two (the 'old' and the 'new') corresponding to the Old and the New 'Testaments' (a synonym for 'covenant'). Others claim to have found seven (though they usually call them 'dispensations'). This author believes there are five which are basic to the story of our redemption - the Noahic, Abrahamic, Mosaic, Davidic and Messianic. Only one of these is 'old' and therefore obsolete; only one is 'new' but endorses the other three. With this insight we can 'rightly divide the word of truth' (2 Timothy 2:15; NIV has 'correctly handle'). See if you agree!

*Practising the Principles of Prayer* David Pawson.2015-05-20 A practical guide to praying, for every Christian, packed with clear teaching on: Prayer to the Father; Prayer through the Son; Prayer in the Spirit; Prayer against the devil; Prayer with the saints; Prayer by myself; Prayer for others; Prayer without hindrance.

**Practicing the Principles of Prayer** David Pawson.2008-10 At one time or another we've all prayed for something. Did any of those prayers ever go unanswered? Have you ever wondered why? What are the seven things you must believe that get answers to prayer? *Practicing the Principles of*

Prayer covers all seven and much more. Did you know that according to the Bible: \* you never pray alone \* prayer isn't meditation - it's conversation \* 95% of prayer is talking and asking \* prayer is out loud \* your eyes are open There are many books on the subject of prayer, but this one is different. It is a clear, practical, biblical guide to prayer. These aspects of the subject are covered in depth: \* Prayer to the Father \* Prayer through the Son \* Prayer in the Spirit \* Prayer against the devil \* Prayer with the saints \* Prayer by myself \* Prayer for others \* Prayer without hindrance

You can download them directly, or have them sent to your preferred cloud storage service (Dropbox, Google Drive, or Microsoft OneDrive). Free-Ebooks.net is a platform for independent authors who want to avoid the traditional publishing route. You won't find Dickens and Wilde in its archives; instead, there's a huge array of new fiction, non-fiction, and even audiobooks at your fingertips, in every genre you could wish for. There are many similar sites around, but Free-Ebooks.net is our favorite, with new books added every day. 4eBooks has a huge collection of computer programming ebooks. Each downloadable ebook has a short review with a description. You can find over thousand of free ebooks in every computer programming field like .Net, Actionscript, Ajax, Apache and etc. If your books aren't from those

sources, you can still copy them to your Kindle. To move the ebooks onto your e-reader, connect it to your computer and copy the files over. In most cases, once your computer identifies the device, it will appear as another storage drive. If the ebook is in the PDF format and you want to read it on your computer, you'll need to have a free PDF reader installed on your computer before you can open and read the book. You'll be able to download the books at Project Gutenberg as MOBI, EPUB, or PDF files for your Kindle.
