Jesus Among Other Gods Ravi Zacharias. 2000-10-10 You can't be friends with God if the God you believe in doesn't really exist. You can't depend on God if your God is a figment of your imagination. In a world full of gods, how do you know Jesus is real? You have probably heard things like: All religions lead to the same God. All faiths teach the same things. It doesn't matter what you believe—just that you believe sincerely. But Jesus said that: He alone is the way to God. He alone shows us the truth of who God is. He alone gives us life close to God. In this youth edition of *Jesus Among Other Gods*, Ravi Zacharias gives solid evidence as to why we should choose Jesus Christ as THE God among all other gods. Zacharias contrasts the truth of Jesus with the founders of Islam, Hinduism, and Buddhism, providing strong descriptions of each faith and solid defenses for the cause of Christ. In addition to the religion comparisons, the book answers questions such as: What about all the hypocrites at church? How scientific is science? How can you best share what you believe? and Does the Bible teach reincarnation? You can never be too young to learn how to defend your faith . . . and this book will tell you exactly how to do just that!

Against Christianity Peter J. Leithart. 2003 How could a conservative Christian—an ordained minister with a beard, no less—be against not only Christianity, but theology, sacraments, and ethics as well? Yet that is the stance Peter Leithart takes in this provocative theological bricolage. Seeking to rethink evangelical notions of culture, church, and state, Leithart offers a series of short essays, aphorisms, and parables that challenge the current dichotomies that govern both Christian and non-Christian thinking about church and state, the secular and the religious. But his argument isn't limited to being merely against. Leithart reveals a much larger vision of Christian society, defined by the stories, symbols, rituals, and rules of a renewed community—the city of God.

Walking from East to West Ravi Zacharias. 2009-05-18 The heartfelt memoir of Ravi Zacharias. Follow along with his journey to discover that God is the author of our destinies, no matter how dark the shadows that hide the light. Ravi Zacharias lived an extraordinary life. In this touching memoir, Zacharias shares an intimate look into his formative years, inviting you to follow him all the way back to his roots and journey with him through his life: to see and smell the neighborhood in India where he grew up, to feel a mother's love and the consternation of a harsh father, and the lure of friends and sports. He also tells about his long search for truth in wrestling with Eastern thought and the newer ideas of Christianity, the cry for help in a dark moment when he tried to take his own life—and the dramatic turning point that led to a life lived for Christ. Zacharias recalls his early days as a new convert, what it was like to find a new life in the Western world, and the eventual birth and growth of a worldwide ministry. He has traveled from the East to the West, and then back again to answer skeptics' penetrating questions about the meaning of life and the existence of a God who is there for his children. This is a story about an amazing man. Yet it is also everyone's story about belief—how it begins, how it grows, and the struggles associated with it.

Saving Truth Abdu Murray. 2018-05-08 Increasingly, Western culture embraces confusion as a virtue and decries certainty as a sin. Those who are confused about sexuality and identity are viewed as heroes. Those who are confused about morality are progressive pioneers. Those who are confused about spirituality are praised as tolerant. Conversely, those who express certainty about any of these issues are seen as bigoted, oppressive, arrogant, or intolerant. This cultural phenomenon led the compilers of the Oxford English Dictionary to name post-truth their word of the year in 2016. How can Christians offer truth and clarity to a world that shuns both? By accurately describing the Culture of Confusion and how it has affected our society, author Abdu Murray seeks to awaken Westerners to the plight we find ourselves in. He also challenges Christians to consider how they have played a part in fostering the Culture of Confusion through bad arguments, unwise labeling, and emotional attacks. Ultimately, *Saving Truth* provides arguments from a Christian perspective for the foundations of truth and how those foundations apply to sexuality, identity, morality, and spirituality. For those enmeshed in the culture of confusion, the book offers a way to untangle oneself and find hope in the clarity that Christ offers.

Why Jesus? Ravi Zacharias. 2012-01-25 The author believes that over the past forty years movements like New Age spirituality and society's obsession with human potential have combined like a perfect storm to redefine for popular culture what has been for centuries the classic biblical definition of the person, work, and teaching of Jesus Christ. In *WHY JESUS?*, Ravi Zacharias looks at the impact of this storm by discussing the 60s-70s Age of Aquarius, actor Shirley MacLaine's book and TV series *Out On a Limb*, author James Redfield (*The Celestine Prophecy*), Rhonda Byrne (*The Secret*), Dan Brown (*The Da Vinci Code*), and other books by Eckart Tolle, Wayne Dyer, Deepak Chopra, the Dalai Lama, and Marianne Williamson. Special attention will be given to the influence of Oprah Winfrey's media platform in reshaping society by introducing and promoting certain books and authors. Major new age and human potential tenets will be discussed like: the belief that we are all gods and have to discover our divinity; Jesus was only a good teacher; Christianity is but one among many ways to eternal life; reincarnation is real; Jesus was married; truth is relative; there is no sin; and perfection is possible. The truth of and the arguments for the bodily resurrection of Jesus will be presented as the most important argument for the exclusive claims about Jesus and Christianity.

Jesus Among Secular Gods Ravi Zacharias,Vince Vitale.2017-01-03 Ravi Zacharias and Vince Vitale defend the absolute claims of Christ against modern belief in the secular gods of atheism, scientism, relativism, and more. The rise of these secular gods presents the most serious challenge to the absolute claims of Christ since the founding of Christianity itself. The Christian worldview has not only been devalued and dismissed by modern culture, but its believers are openly ridiculed as irrelevant. In JESUS AMONG SECULAR GODS, Ravi Zacharias and Vince Vitale challenge the popular isms of the day, skillfully pointing out the fallacies in their claims and presenting compelling evidence for revealed absolute truth as found in Jesus. This book is fresh, insightful, and important, and faces head on today's most urgent challenges to Christian faith. It will help seekers to explore the claims of Christ and will provide Christians with the knowledge to articulate why they believe that Jesus stands tall above all other gods.

Has Christianity Failed You? Ravi Zacharias.2010-07-06 In 2006, Ravi Zacharias International Ministries (RZIM) held an open forum at the Fox Theater in Atlanta to address the subject: Has Christianity Failed You? Tickets were sold for the event and--to the complete surprise of everyone--the event was sold out with a capacity crowd of over 5,000. People lined up offering to buy tickets from folks in line for higher prices. Before the event, an RZIM cameraman walked the streets and asked people if they had rejected the faith they held at one time. One answered that, because of a Christian's rejection of his gay lifestyle he had done just that. Another answered that she had left her faith because she had fallen into adultery and could never live it down in the church. Others had their own reasons. Some said it was just intellectually untenable in an age of reason. They chose to come to the event to judge if there were adequate answers. It is estimated that for every one person who writes a letter or attends an event, there are one thousand who agree. If the Atlanta crowd was any indication, the question is real and troubling. Why is it that many live with silent doubt, many leaving the evangelical fold for something else? Is there something wrong with the message, the communicator, the hearer . . . or is it all three? It's time to ask the hard questions of what it means to be a follower of Jesus Christ and why it seems as though God has made it so hard to continue believing. In fact, the son of a prominent US Senator phoned me with that very question. Why has God made it so hard to believe in Him? Such skepticism is not just representative of the hostile; it also represents many honest questioners. This book attempts to lay out the response to those within as well as those outside the Christian faith so as to understand what it is we believe and why it is so hard to do so. More to the point: Why it is actually so hard to deny God and still make sense out of life? In the end the answers should be both felt and real, with the added truth that God is nearer than you think. He desires that we sense Him very near to us and not distant. But closeness comes at a cost just as any relationship of love and commitment does.

Zacharias 2 in 1-Jesus Among Other Gods & Deliver Us from Evil Ravi Zacharias.2009-09-10 Jesus Among Other Gods: In his most important work to date, apologetics scholar and popular speaker Ravi Zacharias shows how the blueprint for life and death itself is found in a true understanding of Jesus. With a simple yet penetrating style, Zacharias uses rich illustrations to celebrate the power of Jesus Christ to transform lives.Jesus Among Other Godscontrasts the truth of Jesus with founders of Islam, Hinduism, and Buddhism, strengthening believers and compelling them to share their faith with our post-modern world. Deliver Us From Evil: With clarity and insight, Zacharias shows how many of today's most popular ideas, thoughts, and beliefs are vandalizing our culture. He shows how it is there, in the depths of our innermost being, That the work of God changes what we want to do. This is not an ethical system calling us to civility. This is the transforming work of the grace of God, who calls us His children. He shows how: Secularization has led us to a loss of shame, generating evil even against those we love Pluralization has led us to a loss of reason, generating evil toward those we choose to hate Privatization has led us to loss of meaning, generating evil against ourselves

Jesus Among Other Gods Ravi Zacharias.2002-02-06 In a world with so many religions, why Jesus? We are living in a time when you can believe anything, as long as you do not claim it to be true. In the name of "tolerance," our postmodern culture embraces everything from Eastern mysticism to New Age spirituality. But as Ravi Zacharias points out, such unquestioning acceptance of all things spiritual is absurd. All religions, plainly and simply, cannot be true. Jesus Among Other Gods provides the answers to the most fundamental claims about Christianity, such as: Aren't all religions fundamentally the same? Was Jesus who He claimed to be? Can one study the life of Christ and demonstrate conclusively that He was and is the way, the truth, and the life? In each chapter, Zacharias considers a unique claim that Jesus made and then contrasts the truth of Jesus with the founders of Islam, Hinduism, and Buddhism with compelling insight and passionate conviction. In addition to an impressive breadth of reading and study, he shares his personal journey from despair and meaninglessness to his discovery that Jesus is who He said He is. "In Jesus Among Other Gods, Ravi Zacharias demonstrates that he is one of the most intellectually gifted as well as spiritually sensitive writers of today's leading apologists for the Christian faith. Zacharias brings alive the unique power of the claims of Jesus about himself and the utter relevance of his message today for the human condition." — David Aikman, author of *Great Souls*

Why Suffering? Ravi Zacharias,Vince Vitale.2014-10-21 Why would a loving and powerful God allow so much pain and suffering? In WHY SUFFERING? Ravi Zacharias and Vince Vitale carefully walk you through a variety of responses that considered together provide a clear, comprehensive, and convincing answer. Responses like: Where there is the possibility of love, there has to be the reality of freedom, and therefore the possibility of pain. Wishing God had made a different world is to wish yourself out of existence. The cross is the key to a compelling and rational explanation for trusting in God in the face of suffering. In comparison with other world religions, the Christian response is highly distinctive. The reality of evil only makes sense in light of the reality of divine goodness. Relational knowledge about God takes the argument beyond reason to the presence of God amidst suffering. God's decision to allow temporal suffering is understandable when viewed from an eternal perspective. Divine goodness shows how to conquer not in spite of, but even through suffering. Here is a book written with great respect for the complexity of the issue, recognizing that some who read it will be in the trenches of deep suffering themselves and others questioning the very existence of a loving God. WHY SUFFERING? provides an answer to the problem of pain and suffering with emotional sensitivity and intellectual integrity.
