Unforgettable Journeys DK Eyewitness.2020-10-27 Escape the frenetic modern world and embark on a journey of a lifetime. Ever dreamed of walking the Camino de Santiago, driving Route 66 or riding the Trans-Siberian Railway? It may sound clichéd, but sometimes it really is all about the journey, rather than the destination and what better way to see the world than by moving through it. If setting out on an adventure is on your bucket list, but you don't know where to start, Unforgettable Journeys will have you lacing up your hiking boots, hitting the road or taking to the high seas. Encompassing everywhere from Antarctica to Zambia, over 200 hikes, drives, cycling trails, train routes and boat trips are brought to life with inspiring narrative, sumptuous photography and illustrative maps. We even suggest alternative routes, so it's easy to plan your next trip. Make your next trip magical as you explore: - Over 200 journeys illustrated with inspiring photography and maps - Experiential text to transport the reader there; descriptive, narrative and full of story - Practical information (duration, difficulty, start and end point, options to take an organized tour - if available - or go it alone). - Sustainable and slow travel options have been covered where possible - Feature boxes give the routes context - Alternative ways to make the same journey and similar trips are pulled out Organized by type of trip - cruises, road trips, train rides, and journeys by two feet and two wheels, each chapter follows the same geographical order with chapter maps showing every country covered. Each section covers a different way to travel the world and is broken down by continent. Whether you want to explore the Atlas Mountains or Torres del Paine on foot; drive the Pan American Highway or cross the Australian Outback; cycle from the top to the bottom of Africa or enjoy a leisurely ride across The Netherlands' bulb fields; go inter-railing around Europe or board the Orient Express; island hop in Greece or the Philippines: these journeys will stay with you forever!

The Big Book of Trains DK.2016-10-25 From the first locomotive built in 1804 to the high-speed bullet train, *The Big Book of Trains* is the perfect book for kids who love trains. Packed with amazing facts and photographs of trains around the world, *The Big Book of Trains* covers the history of trains and train travel. Different types of trains are featured on their own spreads, and each page features multiple images to give a close-up view as well as informative text about each train. See the differences among monorails, passenger trains, and TGVs. Learn about pistons, fireboxes, boilers, and coupling rods, and find out exactly what they do to help the train travel down on the tracks. See key features of each train model and discover the difference between steam trains and diesels. Find out how trains are designed for certain jobs and tasks, including mountain trains, snow trains, and freight trains. Look at the biggest and fastest trains in the world. With incredible pictures and informative text, *The Big Book of Trains* is the essential book for young readers who want to know everything about trains.

Train DK.2022-09-06 A picture-packed guide to the fascinating story of trains and how they have transformed our world. Take a trip through the history of trains to discover how they have revolutionized not only travel but also our world. Discover how the vision of George Stephenson, the "father of the railroad," materialized into an age of steam around the world. Study the cut-out of a locomotive to understand how the movement of the piston turns the wheels. Learn how the American railroad contributed to the development and progress in the US and facilitated the spread of population to previously isolated areas. Discover how the electric and diesel power provided more speed and efficiency. And then take a glimpse into the future to see how trains may keep transforming how we commute! *DK Eyewitness Trains* goes beyond the trains and tracks to also talk about systems and people that make train operations possible. It also identifies some of the iconic train journeys from around the world. A timeline lists all the important "firsts" in the history of trains and railroads. The book combines informative text and eye-catching visuals in a spectacular design to present comprehensive information about trains. Part of the best-selling *DK Eyewitness*, which is now getting an exciting makeover, this popular title has been reinvigorated for the next generation of information-seekers and stay-at-home explorers, with a fresh new look, new photographs, updated information, and a new "eyewitness feature"—fascinating firsthand accounts from experts in the field.
