Kissing the Rain Kevin Brooks.2014-09-04 Pale, blubbery Moo silently endures a rain of spite each day. But when he sees a murder, he must take a stand, and choose between truth and lies, weakness and strength...

Internment in Switzerland During the First World War Susan Barton.2019-08-22 In contrast to the plethora of works focusing on the tragic loss of human lives during the First World War, little is known about the more hopeful realities of thousands of prisoners of war from Britain, France, Germany and Belgium who were sent to Switzerland from 1916. This book explores the everyday lives of these prisoners and their impact on Switzerland. Internees were warmly welcomed by local people and given education, training and employment. Leading relatively free lives, they were able to engage in leisure activities and develop new relationships. However, they also contributed to the country's economy, helping to keep Swiss tourism alive at a time when businesses were struggling and alleviating Switzerland's labour shortage as Swiss men were called-up to defend their borders and preserve the country's neutrality. Drawing on a wide range of sources from official records to magazines and postcards, Susan Barton provides an absorbing account of the social and cultural history of internment in Switzerland.

Public and Private in Thought and Practice Jeff Weintraub,Krishan Kumar.1997-03-15 These essays, by widely respected scholars in fields ranging from social and political theory to historical sociology and cultural studies, illuminate the significance of the public/private distinction for an increasingly wide range of debates. Commenting on controversies surrounding such issues as abortion rights, identity politics, and the requirements of democratization, many of these essays clarify crucial processes that have shaped the culture and institutions of modern societies. In contexts ranging from friendship, the family, and personal life to nationalism, democratic citizenship, the role of women in social and political life, and the contrasts between western and (post-)Communist societies, this book brings out the ways the various uses of the public/private distinction are simultaneously distinct and interconnected. Public and Private in Thought and Practice will be of interest to students and scholars in disciplines including politics, law, philosophy, history, sociology, and women's studies. Contributors include Jeff Weintraub, Allan Silver, Craig Calhoun, Daniela Gobetti, Jean L. Cohen, Jean Bethke Elshtain, Alan Wolfe, Krishan Kumar, David Brain, Karen Hansen, Marc Garcelon, and Oleg Kharkhordin.

Hybrid Cultures, Nervous States Ulrike Lindner.2010 While cultural diversity and hybridity have often been celebrated, they also challenge traditional concepts of national and cultural identity OCo challenges which have caused considerable anxiety. Various disciplines have often investigated the impact of cultural hybridity, multiculturalism, and (post)colonialism in relative isolation and with a tendency towards over-theorization and loss of specificity. Greater interdisciplinary cooperation can counter this tendency and encourage sustained comparisons between different former empires and across language boundaries. This volume contributes to such developments by combining contributions from history, English and German studies, cultural geography, theatre studies, and film studies; by covering both the colonial and the postcolonial period; and by looking comparatively at two different (post)colonial contexts: the United Kingdom and Germany.The result is productive dialogue across the distinct colonial and migration histories of the UK and Germany, which brings out divergent concepts of cultural difference OCo but, importantly, without neglecting similarities and transnational developments. The interdisciplinary outlook extends beyond political definitions of identity and difference to include consumer culture, literature, film, and journalism OCo cultural and social practices that construct, represent, and reflect personal and collective identities. Section I discusses the historical and contemporary role of colonial experience and its remembrance in the construction of national identities. Section II follows on by tracing the reflections of (post)coloniality and twentieth-century migration in the specific fields of economic history and consumer culture. Section III centres on recent debates about multiculturalism and national/cultural identity in politics, literature, and film.

Reisen auf Sowjetisch Benedikt Tondera.2019

Rule of the Inferiour Edgar Julius Jung.1995 This translation of Edgar Julius Jung's major political treatise (2nd edition, 1930) is published in English here in the hope that it will enlighten readers with regard to the ideology of the neoconservative movement in the Weimar Republic.

Inventing Eastern Europe Larry Wolff.1994 Wolff explores how Western thinkers contributed to defining and characterizing Eastern Europe as half-civilized and barbaric.

German Security Policy Peter Goebel.1999

Conversations with Trotsky Bruce Nesbitt.2017-05-09 This collection presents all of Earle Birney's known published and unpublished writings on Trotsky and Trotskyism for the very first time. It includes their correspondence as well as a selection of Birney's letters and literary writings. Before he became one of Canada's most influential and popular twentieth century poets, Earle Birney lived a double life. To his students and colleagues, he was an engaging university lecturer and scholar. But for seven years—from 1933 to 1940—the great Russian revolutionary Leon Trotsky was the focus of his writing and much of his life. During his years as a Trotskyist in Canada, the United States and England, Birney wrote extensively about Trotsky, corresponded with him, organized Trotskyist cells in two countries, and recruited on behalf of Trotskyism; he also lectured on Trotsky and interviewed him over the course of several days. One of his two novels is based on some of these activities. The collection traces the origins of Trotsky's mistrust of "the British" to his experiences in Canada; shows Birney's influence on a major shift in Trotsky's policy of "entrism" in British politics; includes the largest body of Trotskyist criticism in Canadian literary history; and demonstrates the need for a radical re-reading of Birney's poetry in light of his Trotskyism.

Occupy Money Margrit Kennedy.2012-10-30 Occupy money makes the case for a stable and sustainable monetary system that reflects real wealth instead of the smoke and mirrors of speculative profit--P. [4] of cover.
150 Years After Dillmann's Lexicon: Perspectives and Challenges of Gǝǝz Studies Alessandro Bausi.2017-02-09 The volume contains eleven essays which cast a look on the past, present, and future of Ge'ez (Classical Ethiopic) philological and linguistic studies on the occasion of the 150th anniversary of the achievement of the Lexicon linguae Aethiopiae by August Dillmann, published in 1865. Most of the essays were presented at a conference convened by the ERC-project TraCES at the University of Hamburg in November 2015. On the one hand, they focus on the significance and importance of the Lexicon and of its author who was one of the greatest orientalist of the nineteenth century. Dillmann's Lexicon has marked in-depth the development of Ethiopian and oriental studies. It still remains an indispensable tool for the analysis of Ge'ez style and phraseology, even though it has been surpassed by Wolf Leslau's Comparative Dictionary of Ge'ez (1987), with respect to etymology and number of entries. On the other hand, the essays define more precisely which are (besides the obvious updating) the challenges posed by manuscripts, text editions, and epigraphic evidence emerged since 1865, with regard to Ge'ez language, orthography, lexicon and lexicography as well as digital humanities and corpus linguistics. The contributors are Maria Bulakh, Wolfgang Dickhut, Andreas Ellwardt, Serge A. Frantsouzoff, Martin Heide, Susanne Hummel, Manfred Kropp, Eugenia Sokolinski, Agostino Soldati, Cristina Vertan, Stefan Weninger, and Alessandro Bausi, who is also the editor of the volume.

A History of Habsburg Jews, 1670-1918 William O. McCagg.1992-09-22 William McCagg has done a great service for scholarship—and for Habsburg scholarship in particular—through his book. Scholars are in his debt. —History of European Ideas . . . strongly recommended to those interested in either Jewish or Habsburg history. —American Historical Review . . . McCagg tells a fascinating story with expert knowledge, with the sure eye and sound judgment of the experienced historian . . . —Midstream . . . exceptionally fine research and the time frame of the study which make it quite remarkable and original. —German Politics & Society William McCagg brings out the extent to which Jews were divided not only as Jews, but also as citizens of Austro-Hungary . . . McCagg writes perceptively of Kafka's predicament as a German-speaking Jew in Prague, living through the Czech nationalist revival . . . —New York Review of Books Drawing on a wide variety of European sources, McCagg has produced the first history of this important but often forgotten community to be written since the nineteenth century.

The German Democratic Republic Peter Grieder.2012-11-02 A clear, concise and thought-provoking introduction to the history of East Germany which engages critically with key debates and advances new interpretations of the origins, development and demise of the GDR. Peter Grieder also offers an original conceptualization of the GDR as a totalitarian welfare state.

Letters of Obscure Men Ulrich Von Hutten.2016-11-11 This book is a volume in the Penn Press Anniversary Collection. To mark its 125th anniversary in 2015, the University of Pennsylvania Press rereleased more than 1,100 titles from Penn Press's distinguished backlist from 1899-1999 that had fallen out of print. Spanning an entire century, the Anniversary Collection offers peer-reviewed scholarship in a wide range of subject areas.

Yiddish Salomo A. Birnbaum.1979

Having and Raising Children Uma Narayan.2010-11-01 As the term &family values& achieves prominence in the rhetoric of political debate, the social issues at the heart of today's political controversies deserve to be studied in depth. This volume brings together a group of philosophers, political scientists, and legal scholars to explore a wide range of specific topics dealing with the legal, ethical, and political dimensions of familial relationships. Topics addressed include the rights of unwed fathers, the nature of children's autonomy, children's rights to divorce their parents, parental rights with respect to medical treatment and religious education of children, surrogate parenting, same-sex parenting, and single-parent families. Collectively, the essays point out that many contemporary issues pertaining to the having and raising of children pose genuinely hard choices for public policy makers, for those who make and enforce the laws, and for citizens who would like to engage in informed and critical democratic debate on these issues.

Moments in Thought Eddie B. Saxton.2005-09

Ethiopia Siegbert Uhlig,David Appleyard,Alessandro Bausi,Wolfgang Hahn,Steven Kaplan.2017-10 ETHIOPIA is a compendium on Ethiopia and Northeast Africa for travellers, students, businessmen, people interested in Africa, policymakers and organisations. In this book 85 specialists from 15 countries write about the land of our fossil ancestor `Lucy', about its rock-hewn churches and national parks, about the coexistence of Christians and Muslims, and about strange cultures, but also about contemporary developments and major challenges to the region. Across ten chapters they describe the land and people, its history, cultures, religions, society and politics, as well as recent issues and unique destinations, documented with tables, maps, further reading suggestions and photos.

The Politics of Ethnic Survival Gary B. Cohen.2006 The German-speaking inhabitants of the Bohemian capital developed a group identification and defined themselves as a minority as they dealt with growing Czech political and economic strength in the city and with their own sharp numerical decline: in the 1910 census only seven percent of the metropolitan population claimed that they spoke primarily German. The study uses census returns, extensive police and bureaucratic records, newspaper accounts, and memoirs on local social and political life to show how the German minority and the Czech majority developed demographically and economically in relation to each other and created separate social and political lives for their group members. The study carefully traces the roles of occupation, class, religion, and political ideology in the formation of German group loyalties and social solidarities.

Unsecular Man Andrew M. Greeley.1985 Views religion from a sociological perspective, emphasizing the similarities of modern religious functions and institutions to those of ancient civilizations

The Blacksmith's Daughter Selim Özdoğan.2021-03-01 Part one of the Anatolian Blues trilogy Told with great affection for his characters, Selim Özdoğan's trilogy traces out the life of Gül, a Turkish girl who grows up in 1950s Anatolia and then moves to Germany as a migrant worker. Book one details her initially idyllic childhood, ruptured by her mother's early death. Ever close to her loving father, Gül grows into a warm-hearted, hard-working young woman. The Blacksmith's Daughter is a novel full of carefree summers and hard winters, old wives' tales and young people's ambitions - the melancholy beauty and pain of an ordinary life.

A History of Foreign Labor in Germany, 1880-1980 Ulrich Herbert.1990 Combines socioeconomic labor market analysis with a cultural historical study of the impact of migration.

The Guest Worker Question in Postwar Germany Rita Chin.2007-03-05 This book provides the first English-language history of the postwar labor migration to West Germany. Drawing on government bulletins, statements by political leaders, parliamentary arguments, industry newsletters, social welfare studies, press coverage, and the cultural production of immigrant artists and intellectuals, Rita Chin offers an account of West German public debate about guest workers. She traces the historical and ideological shifts around the meanings of the labor migration, moving from the concept of guest workers as a temporary labor supplement in the 1950s and 1960s to early ideas about multiculturalism by the end of the 1980s. She argues that the efforts to come to terms with the permanent residence of guest workers, especially Muslim Turks, forced a major rethinking of German identity, culture, and nation. What began as a policy initiative to fuel the economic miracle ultimately became a much broader discussion about the parameters of a specifically German brand of multiculturalism.

Yiddish Neil G. Jacobs.2005-03-03 This 2005 book was the first ever overview of all aspects of Yiddish language and linguistics.

Algerian Sketches Pierre Bourdieu.2013-11-04 In the late 1950s, like tens of thousands of young men of his generation, Pierre Bourdieu, having recently passed the agrégation in philosophy, found himself immersed in the Algerian war. Motivated by an impulse that, as he himself says, 'was civic rather than political', nothing seemed more important to him than to understand the Algerian situation and provide the elements that would enable others to come to an informed judgement about it. In extremely tough conditions and along with a small group of students, Bourdieu undertook a series of studies across an Algeria that was tightly patrolled by

the army, leading him to discover the shocking reality of the resettlement camps and to analyse the mechanisms of destruction of Algerian society of which they were emblematic. To achieve the objectives he had set himself, Bourdieu had to carry out a genuine intellectual conversion, acquiring an ethnographic understanding of Algerian society, learning sociological analysis at a breakneck pace and inventing new instruments - both theoretical and empirical - that would enable him to understand the relations of domination specific to colonialism. These new tools also enabled him to analyse the nature of the crisis that the war had both produced and manifested. This unique volume brings together the first texts written by Bourdieu in the midst of the Algerian conflict, as well as later writings and interviews in which he returns to the topic of Algeria and the decisive role it played in the development of his work.

Turkish Islam and Europe Günter Seufert, Jean Jacques Waardenburg. 1999

Kooperation und Kontrolle Christian Domnitz. 2016-06-13 Das Buch bietet einen Einblick in die »geheimpolizeiliche Außenpolitik« des Ministeriums für Staatssicherheit (MfS) der DDR. Da vom Beginn der 1970er Jahre an immer mehr DDR-Bürger als Touristen, Studierende, Auslandsarbeiter und Wissenschaftler ins sozialistische Ausland reisten, sah sich das MfS veranlasst, auch in den verbündeten Ländern überwachend aktiv zu werden. So stationierte es in der Sowjetunion, in Polen, der Tschechoslowakei, Ungarn und Bulgarien dauerhaft Operativgruppen, also eigene Offiziere, die die Kontrollanmaßung des MfS über die eigenen Landesgrenzen hinaus ausweiteten. Das Buch beschreibt die Struktur und Arbeitsweise der Operativgruppen und interpretiert sie als einen Vernetzungsversuch des MfS mit den kooperierenden Geheimpolizeien. Dabei agierten die MfS-Offiziere im interkulturellen Kontakt oft unsicher und unpassend. Das generelle Misstrauen der Geheimpolizeien untereinander blieb bestehen, und die Zusammenarbeit gestaltete sich von Land zu Land sehr unterschiedlich. Die extraterritoriale MfS-Überwachung blieb für die davon Betroffenen nicht ohne Folgen: Sie engte die Freiheiten der Bürger ein. Doch das Tempo der grenzüberschreitenden geheimpolizeilichen Vernetzung blieb hinter dem der Gesellschaften zurück.

Yugoslavia's Sunny Side Hannes Grandits, Karin Taylor. 2010-01-01 This book undertakes a critical analysis of the history of domestic tourism in Yugoslavia under Communism. Despite the central role of tourism in the political making of the Yugoslav socialist state after WWII and in everyday life, the topic has remained neglected as an object of historical research, which has tended to dwell on war and ethnic conflict in the past two decades. For many former citizens of Yugoslavia, however, memories of holidaymaking, as well as tourism as a means of livelihood, today evoke a sense of the good life people enjoyed before the economy, and subsequently the country, fell apart. The story evolved from the popularization of tourism and holidaymaking among Yugoslav citizens in the 1950s and 1960s to the consumer practices of the 1970s and 1980s. The essays review tourism as a political, economic and social project of the Yugoslav federal state, and as a crucial field of social integration; it is investigated how ideologies aimed to turn workers into consumers of purposeful leisure, and how these ideas were set against actual practices of recreation and holidaymaking.

Great Expectations Jonathan Skinner, Dimitrios Theodossopoulos. 2011-10-30 The negotiation of expectations in tourism is a complex and dynamic process - one that is central to the imagination of cultural difference. Expectations not only affect the lives and experiences of tourists, but also their hosts, and play an important part in the success or failure of the overall tourism experience. It is for this reason, the authors argue, that special attention should be given to how expectations constitute and sustain tourism. The case studies presented here explore what fuels the desires to visit particular places, to what degree expectations inform the experience of the place, and the frequent disjunctions between tourist expectations and experiences. Careful attention is paid to how the imagination of the visitor inspires the imagination of the host, and vice-versa; how tourists and host communities actively imagine, re-imagine, and shape each other's lives. This realization, has profound consequences, not solely for academic analysis, but for all those who participate in and work within the tourism industry.

Reisen auf Sowjetisch Benedikt Tondera. 2019-02-20 Der globale Tourismus expandierte in der zweiten Hälfte des 20. Jahrhunderts rasant. Die Reiseindustrie entwickelte sich zu einer wirtschaftlichen und kulturellen Schlüsselbranche. Sie symbolisiert den wachsenden Stellenwert des Dienstleistungssektors und die zunehmende Mobilität moderner Gesellschaften. Über die Rolle der Sowjetunion im weltweiten Reisegeschäft ist dabei bislang wenig bekannt, denn die Sowjetunion galt als Staat, der die Bewegungsfreiheit seiner Bürger radikal einschränkte. Dabei erlebte die UdSSR nach dem Tod Stalins einen eigenen Reiseboom, der im Laufe der 1960er- und 70er-Jahre hunderttausende sowjetische Touristen ins Ausland führte. Reisen auf Sowjetisch analysiert diese Entwicklung auf Grundlage umfassender Archivrecherchen. Es beschreibt die Motive der sowjetischen Führung, den eigenen Bürgern Auslandsreisen zu ermöglichen und schildert die damit verbundenen institutionellen Reformen. Darüber hinaus handelt es vom Auslandstourismus als kultureller Praxis, also davon, wie sowjetische Touristen sich jenseits der eigenen Grenzen verhielten, mit Ausländern interagierten und ihre Erfahrungen verarbeiteten. Verwaltungs-, Institutionen- und Kulturgeschichte der Herrschaftsepochen von Chruschtschow und Breschnew im Kontext des sich vollziehenden gesellschaftlichen Wandels angesichts eines immer durchlassigeren Eisernen Vorhangs werden so miteinander verknüpft.

Turizm Anne E. Gorsuch, Diane P. Koenker. 2018-09-05 In the Soviet Union and the eastern bloc, the idea of vacation was never as uncomplicated as throwing some suitcases in the car and heading for the beach. The emphasis was on individual self-improvement within the framework of the collective, an approach manifest in everything from the scheduling of physical exercise to the group tours organized for factory workers, Party cadres, and other segments of society. Like other Soviet-style utopian projects, socialist tourism, which was often heavily laden with rules and prescriptions, was a consciousness-raising project, part of the vast effort to forge new socialist men and women. *Turizm* is the first book to examine the history of tourism in Russia and eastern Europe from the tsarist period to the age of Soviet and east European mass tourism in the 1960s and 1970s. The contributors to this volume address topics including the roots of socialist tourism, the role of tourism in the making of nations and maintenance of empire, and ways in which the men and women of the margins of Europe understood themselves in relation to Europe. Especially interesting are chapters that show how individuals pursued their own consumerist goals within the framework of collective tourism, obliging the regimes to adapt. Illustrated with period photographs and promotional materials, *Turizm* will appeal not only to historians of the region but also to anyone with an interest in consumer culture, travel, leisure, and nation-building.

John Marshall Richard Brookhiser. 2018-11-13 The life of John Marshall, Founding Father and America's premier chief justice In 1801, a genial and brilliant Revolutionary War veteran and politician became the fourth chief justice of the United States. He would hold the post for 34 years (still a record), expounding the Constitution he loved. Before he joined the Supreme Court, it was the weakling of the federal government, lacking in dignity and clout. After he died, it could never be ignored again. Through three decades of dramatic cases involving businessmen, scoundrels, Native Americans, and slaves, Marshall defended the federal government against unruly states, established the Supreme Court's right to rebuke Congress or the president, and unleashed the power of American commerce. For better and for worse, he made the Supreme Court a pillar of American life. In *John Marshall*, award-winning biographer Richard Brookhiser vividly chronicles America's greatest judge and the world he made.

Ich harre aus im Land und geh, ihm fremd Heike Wolter. 2009-10-05 Der Tourismus war für die DDR von enormer symbolischer Bedeutung. Die staatlich unterstützte »Erholung« diente der Systemstabilisierung, die Beschränkung der Reisefreiheit zeitigte systemgefährdende Wirkungen. Heike Wolter stellt politische und rechtliche Grundlagen, Reiseziele und -veranstalter, Verkehrsmittel und nicht zuletzt die persönlichen Erfahrungen reisender DDR-Bürger dar. Sie bietet damit zahlreiche neue Einblicke in System und Alltag der DDR vor allem der 1970er und 1980er Jahre.

subject, but you couldn't reference it in academic work. It's also worth noting that although Wikibooks' editors are sharp-eyed, some less scrupulous contributors may plagiarize copyright-protected work by other authors. Some recipes, for example, appear to be paraphrased from well-known chefs. Myanonamouse is a private bit torrent tracker that needs you to register with your email id to get access to its database. It is a comparatively easier to get into website with easy uploading of books. It features over 2million torrents and is a free for all platform with access to its huge database of free eBooks. Better known for audio books, Myanonamouse has a larger and friendly community with some strict rules. The free Kindle books here can be borrowed for 14 days and then will be automatically returned to the owner at that time. Free ebook download sites: - They say that books are one's best friend, and with one in their hand they become oblivious to the world. While With advancement in technology we are slowly doing away with the need of a paperback and entering the world of eBooks. Yes, many may argue on the tradition of reading books made of paper, the real feel of it or the unusual smell of the books that make us nostalgic, but the fact is that with the evolution of eBooks we are also saving some trees. Get free eBooks for your eBook reader, PDA or iPOD from a collection of over 33,000 books with ManyBooks. It features an eye-catching front page that lets you browse through books by authors, recent reviews, languages, titles and more. Not only that you have a lot of free stuff to choose from, but the eBooks can be read on most of the reading platforms like, eReaders, Kindle, iPads, and Nooks. What You'll Need Before You Can Get Free eBooks. Before downloading free books, decide how you'll be reading them. A popular way to read an ebook is on an e-reader, such as a Kindle or a Nook, but you can also read ebooks from your computer, tablet, or smartphone.
