Buy immediate access to MyHistoryLab with Pearson eText online with a credit card at www.myhistorylab.com. Re-examines American History through the theme of contested equality Taking an inclusive view of American history, *Created Equal* emphasizes the struggles for equality experienced by diverse groups of Americans across the many regions of the nation. With a steadfast chronological framework, and a strong narrative thread, the authors offer a fresh and critical perspective on the traditional story.

MyHistoryLab is an integral part of the Jones program. Key learning applications include assessment, MyHistoryLab Video Series, and History Explorer. A better teaching and learning experience This program will provide a better teaching and learning experience-for you and your students. Here's how:

- Personalize Learning -- Personalize Learning -- MyHistoryLab is an online homework, tutorial, and assessment program. It helps students prepare for class and instructor gauge individual and class performance.
- Emphasize Outcomes -- Learning Objective Questions at the beginning of each chapter and a chapter review and thematic timeline ending each chapter keep students focused on what they need to know. On MyHistoryLab, practice tests help students achieve these objectives by measuring progress and creating personalized study plans.
- Engage Students -- A new pedagogically-driven design highlights a clear learning path through the material and offers a visually stunning learning experience in print or on a screen. With the Pearson eText, students can transition directly to MyHistoryLab resources such as primary source documents, videos, and mapping exercises.
- Improve Critical Thinking -- Powerful learning applications in MyHistoryLab-including Explorer mapping exercises, Closer Look analyses of sources and topics, and Writing Assessments tied to engaging videos-promote critical thinking.
- Support Instructors --

MyHistoryLab, Instructor's eText, MyHistoryLab Instructor's Guide, Class Preparation Tool, Instructor's Manual, MyTest, and PowerPoints are available.

For courses in U.S. History Help students bridge the present and the past *The American Nation: A History of the United States, Fifteenth Edition* surveys American history in a way that bridges the present to the past, emphasizing the relevance of history to contemporary readers. By showing how history connects to the experiences and expectations that mark students' lives, the authors bring the study of the American past to life, and engage students deeply in the course. Also available with MyHistoryLab® MyHistoryLab for the U.S. History Survey course extends learning online, engaging students and improving results. Media resources with assignments bring concepts to life, and offer students opportunities to practice applying what they've learned. And Writing Space helps educators develop and assess concept mastery and critical thinking through writing, quickly and easily. Please note: this version of MyHistoryLab does not include an eText. *The American Nation: A History of the United States, Fifteenth Edition* is also available via REVEL™, an immersive learning experience designed for the way today's students read, think, and learn.

United States History Emma Jones Lapsansky-Werner. 2021

The American Nation Mark Christopher Carnes, John Arthur Garraty. 2011-01 Conforms to the information resources of the web site MyHistoryLab.

Prentice Hall United States History Emma Jones Lapsansky-Werner, Pearson/Prentice Hall. 2014 Prentice Hall's United States History program meets the way you teach and the way your students learn with various pathways into the content for all levels and types of learners. United States History makes social studies accessible for students helping both students and teachers succeed. Bridging the gap between the digital way students live and learn, this program makes the textbook the diving board into a larger pool of content that is hands-on, digital, and customizable. The program will help students connect to prior knowledge, provide multiple ways to explore and learn more, and transfer what they have learned to new content and new ideas.--Publisher.

Primary Source Pearson Education, Inc.. 2008-07-01

United States History .2008-01-01

America: History of Our Nation 2011 Volume 2 Student Edition Prentice HALL. 2009-10 Prentice Hall America: A History of Our Nation is a program designed to engage today's students in the exciting story of our nation's past. Built around meeting the way you teach and the way your child learns, the program provides different pathways into the content for all levels and types of learners, while providing cutting-edge support developed to provide a wow! factor at each stage of instruction. The program is built around Essential Questions designed to stimulate conversation, emphasize source analysis, hands-on learning, and critical thinking with a goal of helping students to achieve an enduring understanding of America's past. Authors focus on the why of history--helping students make meaning of what happened long ago and why it remains important to us today. The Survey Edition - supports all American History courses from the beginnings to the modern day The Beginnings Through 1877

Edition - supports courses covering up to the Civil War and Reconstruction. The Civil War to the Present Edition - can be used for the second part of a two-year American History course and includes a review of American History to the Civil War.

Out of Many, Teaching and Learning John Mack

Faragher,Daniel Czitrom,Susan H. Armitage.2008-02 Organized around the theme of American communities, Out of Many is a blend of social and political history that reveals the geographical, racial, and economic diversity of the United States, with a special focus on the country's regions. Instead of looking at the country as a homogenous whole, the authors break down the country into more meaningful and manageable building blocks: the individual, the community, the state, and the region. Showing these interplays between the individuals and groups and the groups and the regions, each chapter of the text will help students understand the textured and varied history that has produced the increasing complexity of America. The Teaching and Learning Classroom Edition provides a variety of extra tools to assist students' learning, studying, analyzing, and retaining central concepts and themes. Critical thinking questions, maps, and a marginal glossary are a few of the many features that succeed in making Out of Many explore American history more deeply.

Merely said, Pearson Prentice Hall United States History Definitions is universally compatible with any devices to read.

Find Pearson Prentice Hall United States History Definitions

Make Sure the Free eBooks Will Open In Your Device or App. Every e-reader and e-reader app has certain types of files that will work with them. When you go to download a free ebook, you'll want to make sure that the ebook file you're downloading will open. The store is easily accessible via any web browser or Android device, but you'll need to create a Google Play account and register a credit card before you can download anything. Your card won't be charged, but you might find it off-putting. Because this site is dedicated to free books, there's none of the hassle you get with filtering out paid-for content on Amazon or Google Play Books. We also love the fact that all the site's genres are presented on the homepage, so you don't have to waste time trawling through menus. Unlike the bigger stores, Free-Ebooks.net also lets you sort results by publication date, popularity, or

rating, helping you avoid the weaker titles that will inevitably find their way onto open publishing platforms (though a book has to be really quite poor to receive less than four stars). All the books are listed down a single page with thumbnails of the cover image and direct links to Amazon. If you'd rather not check Centsless Books' website for updates, you can follow them on Twitter and subscribe to email updates. Here is an updated version of the \$domain website which many of our East European book trade customers have been using for some time now, more or less regularly. We have just introduced certain upgrades and changes which should be interesting for you. Please remember that our website does not replace publisher websites, there would be no point in duplicating the information. Our idea is to present you with tools that might be useful in your work with individual, institutional and corporate customers. Many of the features have been

introduced at specific requests from some of you. Others are still at preparatory stage and will be implemented soon. Kobo Reading App: This is another nice e-reader app that's available for Windows Phone, BlackBerry, Android, iPhone, iPad, and Windows and Mac computers. Apple iBooks: This is a really cool e-reader app that's only available for Apple. OpenLibrary is a not for profit and an open source website that allows to get access to obsolete books from the internet archive and even get information on nearly any book that has been written. It is sort of a Wikipedia that will at least provide you with references related to the book you are looking for like, where you can get the book online or offline, even if it doesn't store itself. Therefore, if you know a book that's not listed you can simply add the information on the site. As you'd expect, free ebooks from Amazon are only available in Kindle format - users of other ebook readers will need to convert the files - and you must be logged into

Pearson Prentice Hall United States History Definitions

your Amazon account to download them. Free Kindle Books and Tips is another source for free Kindle books but discounted books are also mixed in every day.
