The Frog Prince and Other Stories Walter Crane.2020-03-08 We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades, and therefore have not been accessible to the general public. The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature, and our view is that this is a significant literary work, which deserves to be brought back into print after many decades in its original form. The contents of the vast majority of titles in the Classic Library have been scanned from the original works. To ensure a high quality product, each title has been meticulously hand curated by our staff. Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work. We hope that you will enjoy this wonderful classic work, and that for you it becomes an enriching experience.

Every day, eBookDaily adds three new free Kindle books to several different genres, such as Nonfiction, Business & Investing, Mystery & Thriller, Romance, Teens & Young Adult, Children's Books, and others. Just like with library books, when you check out an eBook from OverDrive it'll only be loaned to you for a few weeks before being automatically taken off your Kindle. You can also borrow books through their mobile

app called Libby. You won't find fiction here – like Wikipedia, Wikibooks is devoted entirely to the sharing of knowledge. FreeBooksHub.com is another website where you can find free Kindle books that are available through Amazon to everyone, plus some that are available only to Amazon Prime members. The split between “free public domain ebooks” and “free original ebooks” is surprisingly even. A big chunk of the public domain titles are short stories and a lot of the original titles are fanfiction. Still, if you do a bit of digging around, you'll find some interesting stories. ManyBooks is another free eBook website that scours the Internet to find the greatest and latest in free Kindle books. Currently, there are over 50,000 free eBooks here. OnlineProgrammingBooks feature information on free computer books, online books, eBooks and sample chapters of Computer Science, Marketing, Math, Information Technology, Science, Business, Physics and Internet. These books are provided by authors and publishers. It is a simple website with a well-arranged layout and tons of categories to choose from. Sacred Texts contains the web's largest collection of free books about religion, mythology, folklore and the esoteric in general. While modern books are born digital, books old enough to be in the public domain may never have seen a computer. Google has been scanning books from public libraries and other sources for several years. That means you've got access to an entire library of classic literature that you can read on the computer or on a variety of mobile devices and eBook readers.
