Rossini.2017-08-25 Trieste Publishing has a massive catalogue of classic book titles. Our aim is to provide readers with the highest quality reproductions of fiction and non-fiction literature that has stood the test of time. The many thousands of books in our collection have been sourced from libraries and private collections around the world.The titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original. Our readers see the books the same way that their first readers did decades or a hundred or more years ago. Books

from that period are often spoiled by imperfections that did not exist in the original. Imperfections could be in the form of blurred text, photographs, or missing pages. It is highly unlikely that this would occur with one of our books. Our extensive quality control ensures that the readers of Trieste Publishing's books will be delighted with their purchase. Our staff has thoroughly reviewed every page of all the books in the collection, repairing, or if necessary, rejecting titles that are not of the highest quality. This process ensures that the reader of one of Trieste Publishing's titles receives a volume that faithfully reproduces the original, and to the maximum degree possible, gives them the experience of owning the original work. We pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality, but also providing value to every one of our readers. Generally, Trieste books are purchased singly - on demand, however they may also be purchased in bulk. Readers interested in bulk purchases are invited to contact us directly to enquire about our tailored bulk rates.

Riccardo e Luigi Stracciari Aa.Vv..2013-05-10T00:00:00+02:00

Questo libro non è un romanzo, bensí la storia vera di un famoso cantante lirico e di suo figlio, il quale prima di affermarsi come pittore, era rimasto coinvolto dall'aspetto scenografico del mondo

dello spettacolo in cui era nato. Vite intessute d'arte, di note e di colori, ma anche personalità dedite alla famiglia, orgogliose della loro italianità, con un grande amore per il proprio lavoro ed un forte senso del dovere nel cercare di svolgerlo nel migliore dei modi, con naturalezza e senza ostentazione. Le notizie sono tratte da decine di articoli di giornali italiani e stranieri e da lettere e documenti d'archivio: ne è nata la storia di una famiglia che percorre il Novecento attraverso due guerre.

Il Barbiere Di Siviglia Gioacchino Rossini.2017-11-03 Excerpt from IL Barbiere Di Siviglia: The Barber of Seville; Opera Buffa in Two Acts Rosina is strictly watched by her guardian, Doctor Bartolo, who cherishes a desire of wed ding his ward himself; in this design he is assisted by Basilio, a music-master. Rosina returns the affection of the Count, to whom, in spite of the watchfulnms of her guardian, she contrives to convey a letter, declaring her passion, and her intention to break through her trammels, and at the same time requesting his name. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Il Barbiere Di Siviglia. (The Barber of Seville) Gioacchino Rossini.

Reading Opera Arthur Groos, Roger Parker.2014-07-14 Libretto-bashing has a distinguished tradition in the blood sport of opera, writes Arthur Groos in the introduction to this broad survey of critical approaches to that much-maligned genre. To examine, and to challenge, the long-standing prejudice against libretti and the scholarly tradition that has, until recently, reiterated it, Groos and Roger Parker have commissioned thirteen stimulating essays by musicologists, literary critics, and historians. Taken as a whole, the volume demonstrates that libretti are now very much within the purview of contemporary humanistic scholarship. Libretti pose questions of intertextuality, transposition of genre, and reception history. They invite a broad spectrum of contemporary reading strategies ranging from the formalistic to the feminist. And as texts for music they raise issues in the relation between the two mediums and their respective traditions. *Reading Opera* will be of value to anyone with a serious interest in opera and contemporary opera criticism. The essays cover the period from the early nineteenth to the early twentieth centuries, with a particular focus on works of the later nineteenth century. The contributors are Carolyn Abbate, William Ashbrook, Katherine Bergeron, Caryl Emerson, Nelly Furman, Sander L. Gilman, Arthur Groos, James A. Hepokoski, Jurgen Maehder, Roger Parker, Paul Robinson, Christopher Wintle, and Susan Youens. Originally published in 1988. The Princeton Legacy

Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.
