The Arm Jeff Passan.2016-04-05 Yahoo's lead baseball columnist offers an in-depth look at the most valuable commodity in sports—the pitching arm—and how its vulnerability to injury is hurting players and the game, from Little League to the majors. Every year, Major League Baseball spends more than \$1.5 billion on pitchers—five times more than the salary of every NFL quarterback combined. Pitchers are the game's lifeblood. Their import is exceeded only by their fragility. One tiny band of tissue in the elbow, the ulnar collateral ligament, is snapping at unprecedented rates, leaving current big league players vulnerable and the coming generation of baseball-playing children dreading the three scariest words in the sport: Tommy John surgery. Jeff Passan traveled the world for three years to explore in-depth the past, present, and future of the arm, and how its evolution left baseball struggling to wrangle its Tommy John surgery epidemic. He examined what compelled the Chicago Cubs to spend \$155 million on one arm. He snagged a rare interview with Sandy Koufax, whose career was cut short by injury at thirty, and visited Japan to understand how another baseball-mad country treats its prized arms. And he followed two major league pitchers, Daniel Hudson and Todd Coffey, throughout their returns from Tommy John surgery. He exposes how the baseball establishment long ignored the rise in arm injuries and reveals how misplaced

incentives across the sport stifle potential changes. Injuries to the UCL start as early as Little League. Without a drastic cultural shift, baseball will continue to lose hundreds of millions of dollars annually to damaged pitchers, and another generation of children will suffer the same problems that vex current players. Informative and hard-hitting, *The Arm* is essential reading for everyone who loves the game, wants to keep their children healthy, or relishes a look into how a large, complex institution can fail so spectacularly.

3 Nights in August Buzz Bissinger.2006-04-04 This inside view with the Cardinals' Tony La Russa by the #1 New York Times–bestselling author of *Friday Night Lights* “should appeal to any baseball fan” (Publishers Weekly). A Chicago Tribune Best Book of the Year “Plenty of books have taken us inside baseball, but *August* takes us directly inside players’ heads.” —Entertainment Weekly *3 Nights in August* captures the strategic and emotional complexities of baseball’s quintessential form: the three-game series. As the St. Louis Cardinals battle their archrival, the Chicago Cubs, we watch from the dugout through the eyes of legendary Tony La Russa, considered by many to be the greatest manager of the modern era. In his thirty-three years of managing, La Russa won three World Series titles and was named Manager of the Year a record five times. He now stands as the third-winningest manager in the history of baseball. A great leader, La Russa built his success on the conviction that ball games are won not only by the numbers but also by the hearts and minds of those who play. Drawing on unprecedented access to a major league skipper and his team, Buzz Bissinger portrays baseball with a revelatory intimacy that offers many surprisingly tactical insights—and furthers the debate on major league managerial style and strategy in his provocative afterword. “Superb . . . Will be devoured by hard-core strategists.” —The New York Times Book Review

A heads-up player has confidence in his ability, keeps control in pressure situations, and focuses on one pitch at a time. His mental skills enable him to play consistently at or near his best despite the adversity baseball presents each day. My ability to fully focus on what I had to do on a daily basis was what made me the successful player I was. Sure I had some natural ability, but that only gets you so far. I think I learned how to focus; it wasn't something that I was necessarily born with. -- Hank Aaron Developing and refining my mental game has played a critical role in my success in baseball. Barbarian Days William Finnegan.2016-04-26 **Winner of the 2016 Pulitzer Prize for Autobiography** Included in President Obama's 2016 Summer Reading List “Without a doubt, the finest surf book I've ever read . . . ” —The New York Times Magazine *Barbarian Days* is William

Finnegan's memoir of an obsession, a complex enchantment. Surfing only looks like a sport. To initiate, it is something else: a beautiful addiction, a demanding course of study, a morally dangerous pastime, a way of life. Raised in California and Hawaii, Finnegan started surfing as a child. He has chased waves all over the world, wandering for years through the South Pacific, Australia, Asia, Africa. A bookish boy, and then an excessively adventurous young man, he went on to become a distinguished writer and war reporter. *Barbarian Days* takes us deep into unfamiliar worlds, some of them right under our noses—off the coasts of New York and San Francisco. It immerses the reader in the edgy camaraderie of close male friendships forged in challenging waves. Finnegan shares stories of life in a whites-only gang in a tough school in Honolulu. He shows us a world turned upside down for kids and adults alike by the social upheavals of the 1960s. He details the intricacies of famous waves and his own apprenticeships to them. Youthful folly—he drops LSD while riding huge Honolua Bay, on Maui—is served up with rueful humor. As Finnegan's travels take him ever farther afield, he discovers the picturesque simplicity of a Samoan fishing village, dissects the sexual politics of Tongan interactions with Americans and Japanese, and navigates the Indonesian black market while nearly succumbing to malaria. Throughout, he surfs, carrying readers with him on rides of harrowing, unprecedented lucidity. *Barbarian Days* is an old-school adventure story, an intellectual autobiography, a social history, a literary road movie, and an extraordinary exploration of the gradual mastering of an exacting, little-understood art.

Twelve Years a Slave Solomon Northup. 2024-01-04 Filmatized in 2013 and the official recipient of

three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Northup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe.

Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US, on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.

Fast Girl Suzy Favor Hamilton. 2015-09-14 NEW YORK TIMES BESTSELLER The former middle distance Olympic runner and high-end escort speaks out for the first time about her battle with mental illness, and how mania controlled and compelled her in competition, but also in life. This is a heartbreakingly honest yet hopeful memoir reminiscent of Manic, Electroboy, and An Unquiet Mind. During the 1990s, three-time Olympian Suzy Favor Hamilton was the darling of American track and field. An outstanding runner, a major sports apparel spokesperson, and a happily married wife, she was the model for an active, healthy, and wholesome life. But her perfect facade masked a dark

truth: manic depression and bipolar disorder that drove her obsession to perform and win. For years after leaving the track, Suzy wrestled with her condition, as well as the loss of a close friend, conflicted feelings about motherhood and her marriage, and lingering shame about her athletic career. After a misdiagnosis and a recommendation for medication that only exacerbated her mania and made her hypersexual, Suzy embarked on a new path, and assumed a new identity. Fueled by a newfound confidence, a feeling of strength and independence and a desire she couldn't tamp down, she became a high-priced escort in Las Vegas, working as "Kelly." But Suzy could not keep her double life a secret forever. When it was eventually exposed, it sent her into a reckless suicidal period where the only option seemed out. Finally, with the help of her devoted husband, Suzy finally got the proper medical help she needed. In this startling frank memoir, she recounts the journey to outrun her demons, revealing how a woman used to physically controlling her body learned to come to terms with her unstable mind. It is the story of a how a supreme competitor scored her most important victory of all—reclaiming her life from the ravages of an untreated mental illness. Today, thanks to diagnosis, therapy, Kelly has stepped into the shadows, but Suzy is building a better life, one day at a time. Sharing her story, Suzy is determined to raise awareness, provide understanding, and offer inspiration to others coping with their own challenges.

The Big Fella Jane Leavy. 2018-10-16 NEW YORK TIMES BESTSELLER • From Jane Leavy, the award-winning, New York Times bestselling author of *The Last Boy* and *Sandy Koufax*, comes the definitive biography of Babe Ruth—the man Roger Angell dubbed the model for modern celebrity. A Publishers Weekly Best Book of 2018 “Leavy’s newest masterpiece.... A major work of American history by an author with a flair for mesmerizing story-telling.” —Forbes He lived in the present tense—in the camera’s lens. There was no frame he couldn’t or wouldn’t fill. He swung the heaviest

bat, earned the most money, and incurred the biggest fines. Like all the new-fangled gadgets then flooding the marketplace—radios, automatic clothes washers, Brownie cameras, microphones and loudspeakers—Babe Ruth made impossible events happen. Aided by his crucial partnership with Christy Walsh—business manager, spin doctor, damage control wizard, and surrogate father, all stuffed into one tightly buttoned double-breasted suit—Ruth drafted the blueprint for modern athletic stardom. His was a life of journeys and itineraries—from uncouth to couth, spartan to spendthrift, abandoned to abandon; from Baltimore to Boston to New York, and back to Boston at the end of his career for a finale with the only team that would have him. There were road trips and hunting trips; grand tours of foreign capitals and post-season promotional tours, not to mention those 714 trips around the bases. After hitting his 60th home run in September 1927—a total that would not be exceeded until 1961, when Roger Maris did it with the aid of the extended modern season—he embarked on the mother of all barnstorming tours, a three-week victory lap across America, accompanied by Yankee teammate Lou Gehrig. Walsh called the tour a Symphony of Swat. The Omaha World Herald called it the biggest show since Ringling Brothers, Barnum and Bailey, and seven other associated circuses offered their entire performance under one tent. In *The Big Fella*, acclaimed biographer Jane Leavy recreates that 21-day circus and in so doing captures the romp and the pathos that defined Ruth's life and times. Drawing from more than 250 interviews, a trove of previously untapped documents, and Ruth family records, Leavy breaks through the mythology that has obscured the legend and delivers the man.

Solo Hope Solo. 2013-06-18 My family doesn't do happy endings. We do sad endings or frustrating endings or no endings at all. We are hardwired to expect the next interruption or disappearance or broken promise. Hope Solo is the face of the modern female athlete. She is fearless, outspoken, and the best in the world at what she does: protecting the goal of the U.S. women's soccer team. Her outsized talent has led her to the pinnacle of her sport—the Olympics and the World Cup—and made her into an international celebrity who is just as likely to appear on ABC's *Dancing with the Stars* as she is on the covers of *Sports Illustrated*, *ESPN The Magazine*, and *Vogue*. But her journey—which began in Richland, Washington, where she was raised by her strong-willed mother on the scorched earth of defunct nuclear testing sites—is similarly haunted by the fallout of her family history. Her father, a philanderer and con man, was convicted of embezzlement when Solo was an infant. She lost touch with him as he drifted out of prison and into homelessness. By the time they reunited, years later, in the parking lot of a grocery store, she was an All-American goalkeeper at the

University of Washington and already a budding prospect for the U.S. national team. He was living in the woods. Despite harboring serious doubts even about the provenance of her father's last name (and her own), Solo embraces him as fiercely as she pursues her dreams of being a world-class soccer player. When those dreams are threatened by her standing within the national team, as when she was famously benched in the semifinals of the 2007 World Cup after four shutouts and spoke her piece publicly, we see a woman of uncompromising independence and hard-won perseverance navigate the petty backlash against her. For the first time, she tells her version of that controversial episode, and offers with it a full understanding of her hard-scrabble life. Moving, sometimes shocking, Solo is a portrait of an athlete finding redemption. This is the Hope Solo whom few have ever glimpsed. Signed poster inside.

The Making of a Miracle Mike Eruzione, Neal Boudette. 2020-01-28 On the fortieth anniversary of the historic Miracle on Ice, Mike Eruzione—the captain of the 1980 U.S Men’s Olympic Hockey Team, who scored the winning goal—recounts his amazing career on ice, the legendary upset against the Soviets, and winning the gold medal. It is the greatest American underdog sports story ever told: how a team of college kids and unsigned amateurs, under the tutelage of legendary coach—and legendary taskmaster—Herb Brooks, beat the elite Soviet hockey team on their way to winning the gold medal at the 1980 Lake Placid Olympics. No one believed the scrappy Americans had a real shot at winning. Despite being undefeated, the U.S.—the youngest team in the competition—were facing off against the four-time defending gold medalist Russians. But the Americans’ irrepressible optimism, skill, and fearless attitude helped them outplay the seasoned Soviet team and deliver their iconic win. As captain, Mike Eruzione led his team on the ice on that Friday, February 22, 1980. But beating the U.S.S.R was only one of the numerous challenges Mike

has faced in his life. In this inspiring memoir, he recounts the obstacles he has overcome, from his blue-collar upbringing in Winthrop, Massachusetts, to his battle to make the Boston University squad; his challenges in the minor leagues and international tournaments to his selection to the U.S. team and their run for gold. He also talks about the aftermath of that stupendous win that inspired and united the nation at a time of crisis in its history. Eruzione has lived a hockey life full of unexpected twists and surprising turns. Al Michaels' famous call in 1980—do you believe in miracles? YES!—could have been about Mike himself. Filled with vivid portraits—from his hard-working, irrepressible father to the irascible Herb Brooks to the Russian hall of famers Tretiak, Kharlamov, Makarov, and Fetisov—this lively, fascinating look back is destined to become a sports classic and is a must for hockey fans, especially those who witnessed that miraculous day.
