Detroit's Holy Cross Cemetery Elaine Walters Raymo. 2009 In the early hours before dawn on October 6, 1907, a raging fire illuminated the sky as the historic chapel that stood on the cemetery grounds for over half a century reduced to a pile of cinders and ash. Lit by sparks from a nearby barn ablaze from an act of arson, the fire destroyed priceless paintings, relics, statues, and artifacts that held sacrament to the area's earliest settlers. So ended the era of the cemetery's obscure past and launched a new era for the little mission-turned-graveyard nestled southwest of Detroit. Detroit's Holy Cross Cemetery is a collage of persons whose immigrant dreams landed them in an area budding with industry. The cemetery's evolution reflects the waves of immigration, from the early French to the Irish, Germans, Hungarians, Poles, and Hispanics. From its 1838 2-acre roots to its current 65-acre span, Holy Cross Cemetery filled the need for a Catholic cemetery on Detroit's west side.

Headstart for Happiness Lynn Roulo.2016-03-16 Headstart For Happiness weaves together the Enneagram System of Personality with Kundalini Yoga as taught by Yogi Bhanjan to create a guide book for deeper understanding of yourself and the world around you. This guide book leads you through your personality and the personalities of those around you, focusing on the unique strengths and gifts each type has to offer the world. Providing you with tools for compassion, this book offers a path to a more harmonious, peaceful world. If you believe most conflict in the world is

based on misunderstandings, this book is for you. Headstart For Happiness includes: 1. An Enneagram type overview for each of the nine distinct personality types. 2. The unique gifts each type offers to the world. 3. Tools for compassion if you have someone of the type in your life (what you NEED to know). 4. The internal experience of each type as reported directly by people of the type. 5. Next steps towards happiness. 6. A Kundalini Yoga kriya and meditation mapped to each Enneagram type. The physical practice of Kundalini Yoga accelerates the growth path for each Enneagram type. Rooted in the narrative tradition, this guide draws on over 100 panel interviews in which people of each Enneagram type describe their experience as their specific type. Based on the idea that nothing is more powerful than someone talking about their direct, personal experience, this guide book leverages the testimonials of hundreds of people. Mapping that direct experience to Kundalini Yoga kriyas and meditations to address the sensitive issue of each type, this manual offers a path towards happiness. Highly accessible, Headstart for Happiness can be used by absolute beginners to advanced practitioners alike. No prior knowledge of either system is required. Each Kundalini Yoga kriya and meditation includes full instruction and can be practiced by people of all physical conditions and abilities. If you can breathe, you can do this practice.

Lost Dearborn Craig E. Hutchison.2017-12-11 Throughout its existence, Dearborn has been a pioneer settlement, a multicultural hub, a college town, a major tourism center and a world-renowned industrial city. Unfortunately, due to a variety of factors, significant structures have been lost to time. Almost all of the eleven U.S. Arsenal complex buildings have disappeared since the arsenal was closed in 1875. The hallways of the Edison School and Oxford School still live on in the hearts of their students but were razed long ago. Even beloved edifices such as the Ford Rotunda and the Ford Motor Company Administration building are now only a memory. Author Craig E. Hutchison endeavors to immortalize the important foundational building blocks of an evolving city.
