The Dragon Sisters Virginia Fox.2013-10-29 Kaja doesn't like change in her life. And why should she? Everything seems to be quite nice and settled: she is living in a cosy flat in the centre of Zurich, together with her faithful dog Zorro. She has a successful career as a computer programmer and a casual relationship with a charming work colleague. Surely, it couldn't get any better. - But then her whole life comes crashing down: her lover turns out to be a cheat, her professional reputation is in tatters and to cap it all, she starts seeing a shiny blue creature called Lance who does his very best to get on her nerves. Has it all been too much for her recently? Is she hallucinating? Or is she the only girl in the world with a personal dragon at her service? Virginia Fox's debut novel tells the story of a young woman, her journey from just living to finding a purpose in life, all told in a light-hearted, humorous style. You will laugh and cry with her and you will be genuinely happy for her in the end. - Only it won't be the end. It will be the beginning of new adventures, because this is only part one of the author's trilogy. A book for dragon friends and animal lovers, looking for a little bit of magic in their life.
