*Ezra and Nehemiah* Joseph Too Shao,Rosa Ching Shao.2019-06-30 The books of Ezra and Nehemiah illustrate how leaders of God's people confronted the challenges facing the Jews during the post-exilic period of Israel. Zerubbabel inspires the people of God to rebuild the temple; Ezra leads them in renewing their faith in God; and Nehemiah rebuilds the wall and, importantly, the people as well. The examples in these books, of leading through challenges and opposition by trusting the Lord and committing to prayer, testify to how God's gracious hand guides and blesses his people at each step. The careful exposition of these two books provides a valuable model for us to balance prayer and action with contextual application, and how the full obedience of leaders can lead to communities being transformed. The Asia Bible Commentary series empowers Christian believers in Asia to read the Bible from within their respective contexts. Holistic in its approach to the text, each exposition of the biblical books combines exegesis and application. The ultimate goal is to strengthen the Body of Christ in Asia by providing pastoral and contextual exposition of every book of the Bible.

Plight of the Living Dead Matt Simon.2018-10-02 A brain-bending exploration of real-life zombies and mind controllers, and what they reveal to us about nature—and ourselves. Zombieism isn't just the stuff of movies and TV shows like *The Walking Dead*. It's real, and it's happening in the world around us, from wasps and worms to dogs and moose—and even humans. In *Plight of the Living Dead*, science journalist Matt Simon documents his journey through the bizarre evolutionary history of mind control. Along the way, he visits a lab where scientists infect ants with zombifying fungi, joins the search for kamikaze crickets in the hills of New Mexico, and travels to Israel to meet the wasp that stings cockroaches in the brain before leading them to their doom. Nothing Hollywood dreams up can match the brilliant, horrific zombies that natural selection has produced time and time again. *Plight of the Living Dead* is a surreal dive into a world that would be totally unbelievable if very smart scientists didn't happen to be proving it's real, and most troublingly—or maybe intriguingly—of all: how even we humans are affected. “Fantastic . . . You'll be thinking about this book long after you're done reading it.” —Kelly Weinersmith, New York Times bestselling coauthor of *Soonish*

Feel Better Fast and Make It Last Daniel G. Amen, MD.2018-11-13 If you want to feel happier, more optimistic, more joyful, and resilient, Dr. Amen's groundbreaking new book is for you. We've all felt anxious, sad, traumatized, grief-stricken, stressed, angry, or hopeless at some point in life. It's perfectly normal to go through emotional crises or have periods when you feel panicked or out of sorts. It is how you respond to these challenges that will make all the difference in how you feel—not just immediately, but also in the long run. Unfortunately, many people turn to self-medicating behaviors, such as overeating, drugs, alcohol, risky sexual behavior, anger, or wasting time on mindless TV, video games, Internet surfing, or shopping. And even though these behaviors may give

temporary relief from feeling bad, they usually only prolong and exacerbate the problems—or cause other, more serious ones. Is it possible to feel better—and make it last? Renowned physician, psychiatrist, brain-imaging researcher, and founder of Amen Clinics Dr. Daniel Amen understands how critical it is for you to know what will help you feel better fast, now and later. In *Feel Better Fast and Make It Last*, you'll discover new, powerful brain-based strategies to quickly gain control over anxiety, worry, sadness, stress and anger, strengthening your resilience and giving you joy and purpose for a lifetime.

**The Life and Times of the Ant** Charles Micucci.2006-04-17 Not mighty in size, but mighty in resourcefulness and industry, the ant has crawled the earth since prehistoric times. It has dwelt in rainforest tree trunks and acorns of oak trees, beneath logs, and under sidewalks. It has protected forests by capturing insects, cleared weeds away from acacia trees, and by growing gardens has released important nutrients into the soil. Seed lifters, dirt diggers, social beings, ants have the most advanced brain of all insects! So watch where you step, especially on a warm day: a small but mighty ant may be underfoot.

*Antkind* Charlie Kaufman.2020 The bold and boundlessly original debut novel from the Oscar(R)-winning screenwriter of *Being John Malkovich*, *Adaptation*, *Eternal Sunshine of the Spotless Mind*, and *Synecdoche, New York*. **LONGLISTED FOR THE CENTER FOR FICTION FIRST NOVEL PRIZE** - A dyspeptic satire that owes much to Kurt Vonnegut and Thomas Pynchon . . . propelled by Kaufman's deep imagination, considerable writing ability and bull's-eye wit.--The Washington Post An astonishing creation . . . riotously funny . . . an exceptionally good [book].--The New York Times Book Review - Kaufman is a master of language . . . a sight to behold.--NPR **NAMED ONE OF THE**

BEST BOOKS OF THE YEAR BY NPR AND MEN'S HEALTH B. Rosenberger Rosenberg, neurotic and underappreciated film critic (failed academic, filmmaker, paramour, shoe salesman who sleeps in a sock drawer), stumbles upon a hitherto unseen film made by an enigmatic outsider--a film he's convinced will change his career trajectory and rock the world of cinema to its core. His hands on what is possibly the greatest movie ever made--a three-month-long stop-motion masterpiece that took its reclusive auteur ninety years to complete--B. knows that it is his mission to show it to the rest of humanity. The only problem: The film is destroyed, leaving him the sole witness to its inadvertently ephemeral genius. All that's left of this work of art is a single frame from which B. must somehow attempt to recall the film that just might be the last great hope of civilization. Thus begins a mind-boggling journey through the hilarious nightmarescape of a psyche as lushly Kafkaesque as it is atrophied by the relentless spew of Twitter. Desperate to impose order on an increasingly nonsensical existence, trapped in a self-imposed prison of aspirational victimhood and degeneratively inclusive language, B. scrambles to re-create the lost masterwork while attempting to keep pace with an ever-fracturing culture of likes and arbitrary denunciations that are simultaneously his bête noire and his raison d'être. A searing indictment of the modern world, Antkind is a richly layered meditation on art, time, memory, identity, comedy, and the very nature of existence itself--the grain of truth at the heart of every joke.

This stunning book celebrates Tippett's career, from early Super 8 explorations through his groundbreaking work with Industrial Light & Magic, DreamWorks, and beyond. While Tippett's first love remains the stop-motion animation that made him a Hollywood legend, he was present at the birth of big-screen digital effects, and his genius has evolved with the times. In 1984 he founded Tippett Studio, which has come to specialize in digital effects. Packed with over a thousand behind-the-scenes photographs, *Mad Dreams and Monsters* includes never-before-published stories from the master himself and a veritable who's who of visual effects luminaries—a must-have for movie fans, film students, and anyone who's ever been captivated by movie magic.

**The One Year Father-Daughter Devotions** Jesse Florea,Leon C. Wirth,Bob Smithouser.2012-09-21 As girls enter their tween and teen years, it's especially important for them

to have an open and growing relationship with their father. Unfortunately, this is often the time when parental relationships are strained. The One Year Father-Daughter Devotions can foster communication and understanding; and it's a wonderful way for a father to bond with his daughter during a crucial point in her life. Each of the 365 devotions begins with an introductory story, then daddy-daughter time provides discussion questions, activities, or other practical applications of the daily lesson. A "What's the Word" section gives a related Bible verse to help bring God's Word alive as father and daughter apply the Scripture to their lives. Written by three fathers, the devotions have a tone that is conversational and relatable: the authors use everything from flavored potato chips to the Etch-A-Sketch game to share truths about God's Word and to help fathers and daughters relate to each other.
