Heritage Regimes and the State Bendix, Regina, Eggert, Aditya, Peselmann, Arnika.2013-07-02 What happens when UNESCO heritage conventions are ratified by a state? How do UNESCO's global efforts interact with preexisting local, regional and state efforts to conserve or promote culture? What new institutions emerge to address the mandate? The contributors to this volume focus on the work of translation and interpretation that ensues once heritage conventions are ratified and implemented. With seventeen case studies from Europe, Africa, the Caribbean and China, the volume provides comparative evidence for the divergent heritage regimes generated in states that differ in history and political organization. The cases illustrate how UNESCO's aspiration to honor and celebrate cultural diversity diversifies itself. The very effort to adopt a global heritage regime forces myriad adaptations to particular state and interstate modalities of building and managing heritage.

Poetry for Patrons Ruurd R. Nauta.2002 A study of the phenomenon of literary patronage, both non-imperial and imperial, during the reign of the Roman emperor Domitian (81-96 A.D.). This work centres on the Epigrams of Martial and the Silvae of Statius. The book deals not only with the relationships between poets and patrons, but also with the audiences and the functions of patron-oriented poetry. It includes discussions of such topics as patronage versus friendship, the poetic I, the role of poetry at symposia and festivals, dedication and publication, the influence of rhetoric on poetry, and the poetic representation of imperial power. The book should prove of interest not only to specialists in Roman poetry, but also to ancient historians and to students of literary patronage in other cultures. All Latin and Greek is translated.

Broadway North Mel Atkey.2006-10-30 Did you know that the idea behind the Radio City Music Hall Rockettes was first tried out in Toronto? That Canada produced the world's longest-running annual revue? Few people realize the Canadian influences that are at the heart of American and British culture. Author Mel Atkey's research for Broadway North included interviews with Norman and Elaine Campbell and Don Harron, creators of Anne of Green Gables-The Musical; Mavor Moore, founder of the Charlottetown Festival and of Spring Thaw; John Gray, author of Billy Bishop Goes to War; Ray Jessel and Marian Grudeff, Spring Thaw writers who had success on Broadway with Baker Street; Dolores Claman, composer of the Hockey Night In Canada theme, who also wrote the musicals Mr. Scrooge and Timber!!; and Galt MacDermot, the composer of Hair who started out writing songs for the McGill University revue My Fur Lady. Included is the phenomenal success of The Drowsy Chaperone. Atkey also draws on his own experience as a writer and composer of musicals, and tells the story of why a show that should have starred James Doohan (Star Trek's Scotty) didn't happen. Composer, lyricist and author, Mel Atkey is currently based in the U.K. Proud of his Canadian cultural roots, he has long been fascinated with the notion of a distinctive Canadian musical theatre.

Neil Young Nation Kevin Chong.2005 Neil Young is a figure who straddles divisions: he's Canadian and American, folkie and rocker, an old guy relevant enough to be quoted in the suicide note of Kurt Cobain. His brilliant, gnomic, lyrical music has earned him fans of all vintages and persuasions - among them novelist Kevin Chong. Fast approaching the dreaded age of thirty, Chong is shocked to realize that his boyhood hero is turning sixty. He takes to the road in celebration, crisscrossing the continent with three buddies and a hatbox full of space cakes to visit places central to Neil's life and career. Chong doesn't meet the man in his travels, but that was never his intention. Instead, his brief vacation from adulthood - recounted to hilarious effect in these pages - teaches him something about rock 'n' roll, contrarianism, being cool, and aging gracefully: staying Young.--BOOK JACKET.

Some Hustling This! Mark Miller.2005 Some Hustling This!:Taking Jazz to the World, 1914-1929 is a narrative of first encounters, notable events, and significant figures in the internationalization of jazz. The narrative is framed by Louis Mitchell's career abroad, beginning with his first trip as a drummer with the Southern Symphony Quintette to London in 1914 and concluding with his final attempt as an entrepreneur to operate a nightclub in Paris in 1929. The 15 years of Mitchell's European sojourn encompassed the Jazz Age, which has been dated from around the time of the end of the First World War in November 1918 to the New York stock market crash of October 1929. Some Hustling This! is the story of the young men and women who took jazz in its formative stages to the world— a story of hope, escape, and wanderlust, success, infamy, and tragedy.

Phraseology and Culture in English Paul Skandera.2007-01-01 The proposition that there is a correlation between language and culture or culture-specific ways of thinking can be traced back to the views of Herder and von Humboldt in the late 18th and early 19th centuries. It is generally accepted today that a language, especially its lexicon, influences its speakers' cultural patterns of thought and perception in various ways, for example through a culture-specific segmentation of the extralinguistic reality, the frequency of occurrence of particular lexical items, or the existence of keywords or key word combinations revealing core cultural values. The aim of this volume is to explore the cultural dimension of a wide range of preconstructed or semi-preconstructed word

combinations in English. The 17 papers of the volume are divided into four sections, focusing on particular lexemes (e.g. enjoy and its collocates), types of word combinations (e.g. proverbs and similes), use-related varieties (such as the language of tourism or answering-machine messages), and user-related varieties (such as Aboriginal English or African English). The sections are preceded by a prologue, tracing the development of the study of formulaic language, and followed by an epilogue, which draws together the threads laid out in the various papers. The relation between language and culture in general has been explored in a number of important works over the past ten years. However, the study of the relation between English phraseology and culture in particular has been largely neglected. This volume is the first book-length publication devoted entirely to this topic.

Hilda Hurricane Roberto Drummond.2011-07-15 Eighteen-year-old Hilda, known as the girl in the gold bikini when she swam at her country club in Belo Horizonte, Brazil, abruptly leaves the gilded life to take up residence in room 304 of the Hotel Marvelous—as a prostitute. There she becomes Hilda Hurricane, an erotic force of nature no man can resist. The exception is reporter-narrator Roberto Drummond, who attempts to unravel the mystery of why the girl in the gold bikini would forego a comfortable life to join the world's oldest profession. While some in Belo Horizonte cheer Hilda's liberated lifestyle, others seek to have her moved outside the city limits, and a would-be saint cannot seem to finish the exorcism he began outside the Hotel Marvelous. Set against the social and political upheaval of the 1960s, Hilda's story seduces even as Drummond becomes aware of more ominous forces approaching Belo Horizonte. Hilda Hurricane was both a critical and a commercial success in Brazil, with more than 200,000 copies sold. (The DVD of the television adaptation has sold more than a million copies.) Admirers of Kurt Vonnegut will revel in Drummond's similarly sharp satire and playful digressions, particularly about left-wing politics, which blur the boundary between fiction and autobiography. Yet the real genius of the author's interventions may be that they never slow the story long enough to lose sight of this mysterious beauty swept up in the turmoil of the times.

Buyology Martin Lindstrom.2010-02-02 NEW YORK TIMES BESTSELLER • “A fascinating look at how consumers perceive logos, ads, commercials, brands, and products.”—Time How much do we know about why we buy? What truly influences our decisions in today's message-cluttered world? In Buyology, Martin Lindstrom presents the astonishing findings from his groundbreaking three-year, seven-million-dollar neuromarketing study—a cutting-edge experiment that peered inside the brains of 2,000 volunteers from all around the world as they encountered various ads, logos, commercials, brands, and products. His startling results shatter much of what we have long believed about what captures our interest—and drives us to buy. Among the questions he explores: • Does sex actually sell? • Does subliminal advertising still surround us? • Can “cool” brands trigger our mating instincts? • Can our other senses—smell, touch, and sound—be aroused when we see a product? Buyology is a fascinating and shocking journey into the mind of today's consumer that will captivate anyone who's been seduced—or turned off—by marketers' relentless attempts to win our loyalty, our money, and our minds.

Frank Welsman Mary E. Hughes.2006 This accessible volume is both a Canadian biography and a history of music for a period which has not to date been well documented. It adds significant

information to the history of the Toronto Symphony Orchestra which currently dates its origins to 1923. The book demonstrates convincingly that the story of the TSO actually began in 1906. Set lightly amidst Toronto's social and political history, there is considerable documentation about musical activity in Toronto from 1870 until the 1920s. Primary sources are used in abundance as the author has dug deeply into the music journalism of the day. This period in Toronto's musical development has not been addressed in such detail, and Frank Welsman's story is central to it. Above all, the author seeks to explain how and why the Toronto Symphony Orchestra succeeded as Toronto's first permanent orchestra. In addition to primary sources, the author has drawn extensively on oral history garnered from various members of Welsman's family. The book is illustrated with several historic photographs of people and places relevant to the story. As a major figure in Canada's music history, Frank Welsman has been overlooked. Certainly, the Orchestra that he founded owes him a great deal. He has not had the recognition he so fully deserves.

Intangible Cultural Heritage and Intellectual Property Toshiyuki Kono.2009 The intangible cultural heritage (ICH) of the world's communities is an inheritance that has been passed down through many generations. Its survival, however, is increasingly threatened by the realities of post-modern society, such as rapid urbanization, large-scale migration, severe environmental change, and globalization. In 2003, the UNESCO Convention for the Safeguarding of the Intangible Cultural Heritage recognized the importance of ICH, both as a mainspring of cultural diversity and a source of sustainable development. Early efforts to implement the Convention are bringing to light issues that are crucial to the survival of ICH. Many of these involve its interaction with intellectual property law. To clarify the relationship between these two fields, this present volume gathers the views of scholars and practitioners with diverse expertise and national backgrounds. They examine four main issues: the construction and operation of ICH inventories; the conceptualization of the community as a holder of ICH; how to obtain the community's prior informed consent; and the pros and cons of various regulatory regimes. With the book's variety of contributions, the common thread is the belief that regulatory regimes must be designed so that ICH will not only be safeguarded in archives and museums, but also in its living form.

In Search of Alberto Guerrero John Beckwith.2015-04-09 *In Search of Alberto Guerrero* is the first full biography of the influential Chilean-Canadian pianist and teacher (1886-1959), describing Guerrero's long career as virtuoso recitalist, chamber music collaborator, concerto soloist, and teacher. Written by composer John Beckwith, who was a student of Guerrero, the book blends research and memoir to piece together the life of a man who once insisted he had no story. Guerrero was part of the intellectual scene that introduced Chileans to Debussy, Ravel, Cyril Scott, Scriabin, and Schoenberg. He and his brother played an active role in founding the Sociedad Bach in Santiago. In 1918 Guerrero moved to Toronto, making the Hambourg Conservatory, and later the Toronto (now Royal) Conservatory, his new base. He soon became one of Canada's most active pianists. In what was then a novel activity, he played regular radio recitals from the mid-1920s to the early 1950s. He was also deeply engaged with issues in piano pedagogy, and worked with young talents including Canada's much-acclaimed Glenn Gould. But unlike the shadowy role Guerrero is assigned in Gould biographies, here he is given proper credit for his technical and aesthetic influence on the young Gould and on other notable musicians and composers. Guerrero left few written records, and documentation of his work by others is incomplete and often erroneous. Aiming for a fuller and more accurate account of this remarkably influential and well-loved man, Beckwith's *In Search of Alberto Guerrero* gives an insider's story of the Canadian classical music scene in mid-twentieth-century Toronto, and pays homage to the influential musician William Aide has called an "unsung progenitor."

The Adventures of a Cello Carlos Prieto.2011-03-29 In 1720, Antonio Stradivari crafted an exquisite work of art—a cello known as the Piatti. Over the next three centuries of its life, the Piatti cello left its birthplace of Cremona, Italy, and resided in Spain, Ireland, England, Italy, Germany, and the United States. In 1978, the Piatti became the musical soul mate of world-renowned cellist Carlos Prieto, with whom it has given concerts around the world. In this delightful book, Mr. Prieto recounts the adventurous life of his beloved Cello Prieto, tracing its history through each of its previous owners from Stradivari in 1720 to himself. He then describes his noteworthy experiences of playing the Piatti cello, with which he has premiered some eighty compositions. In this part of their mutual story, Prieto gives a concise summary of his own remarkable career and his relationships with many illustrious personalities, including Igor Stravinsky, Dmitry Shostakovich, Pablo Casals, Mstislav Rostropovich, Yo-Yo Ma, and Gabriel García Márquez. A new epilogue, in which he describes recent concert tours in Moscow, Siberia, and China and briefer visits to South Korea, Taiwan, and Venezuela, as well as recent recitals with Yo-Yo Ma, brings the story up to 2009. To make the story of his cello complete, Mr. Prieto also provides a brief history of violin making and a succinct review of cello music from Stradivari to the present. He highlights the work of composers from Latin America, Spain, and Portugal, for whose music he has long been an advocate and principal performer. The print edition of this book includes a CD of fourteen recordings by Carlos Prieto, including works by J. S. Bach, Dmitry Shostakovich, Astor Piazzolla, and Eugenio Toussaint.

But Beautiful Geoff Dyer.2014-06-24 May be the best book ever written about jazz.—David Thomson, Los Angeles Times In eight poetically charged vignettes, Geoff Dyer skillfully evokes the music and the men who shaped modern jazz. Drawing on photos, anecdotes, and, most important, the way he hears the music, Dyer imaginatively reconstructs scenes from the embattled lives of some of the greats: Lester Young fading away in a hotel room; Charles Mingus storming down the streets of New York on a too-small bicycle; Thelonious Monk creating his own private language on the piano. However, music is the driving force of *But Beautiful*, and wildly metaphoric prose that mirrors the quirks, eccentricity, and brilliance of each musician's style.

It really speeds up the work of narrowing down the books to find what I'm looking for. If you want to stick to PDFs only, then you'll want to check out PDFBooksWorld.
