So, look no further as here we have a selection of best websites to download free eBooks for all those book avid readers. You can search for free Kindle books at Free-eBooks.net by browsing through fiction and non-fiction categories or by viewing a list of the best books they offer. You'll need to be a member of Free-eBooks.net to download the books, but membership is free. Free ebooks for download are hard to find unless you know the right websites. This article lists the seven best sites that offer completely free ebooks. If you're not sure what this is all about, read our introduction to ebooks first. If you are admirer for books, FreeBookSpot can be just the right solution to your needs. You can search through their vast online collection of free eBooks that feature around 5000 free eBooks. There are a whopping 96 categories to choose from that occupy a space of 71.91GB. The best part is that it does not need

you to register and lets you download hundreds of free eBooks related to fiction, science, engineering and many more. Books Pics is a cool site that allows you to download fresh books and magazines for free. Even though it has a premium version for faster and unlimited download speeds, the free version does pretty well too. It features a wide variety of books and magazines every day for your daily fodder, so get to it now! Library Genesis is a search engine for free reading material, including ebooks, articles, magazines, and more. As of this writing, Library Genesis indexes close to 3 million ebooks and 60 million articles. It would take several lifetimes to consume everything on offer here. DigiLibraries.com gathers up free Kindle books from independent authors and publishers. You can download these free Kindle books directly from their website.
