Matching exercises - students will listen to a recording and match the answers. 3. Short-answer questions - students will listen to a recording and answer questions based on the information provided. The exam will test students' ability to understand different accents, dialects, and registers of Mandarin Chinese. The recordings used in the exam may feature a variety of speakers, including native speakers, non-native speakers, and speakers with regional accents. The exam lasts for approximately 45 minutes and is worth 30% of the overall grade for the Cambridge IGCSE Mandarin Chinese - Foreign Language (0547) qualification.
