device, iPods, computers and can be even burnt into a CD. The collections also include classic literature and books that are obsolete. The time frame a book is available as a free download is shown on each download page, as well as a full description of the book and sometimes a link to the author's website. Just like with library books, when you check out an eBook from OverDrive it'll only be loaned to you for a few weeks before being automatically taken off your Kindle. You can also borrow books through their mobile app called Libby. However, Scribd is not free. It does offer a 30-day free trial, but after the trial you'll have to pay \$8.99 per month to maintain a membership that grants you access to the sites entire database of books, audiobooks, and magazines.
