The Female Gothic D. Wallace, A. Smith. 2009-11-12 This rich and varied collection of essays makes a timely contribution to critical debates about the Female Gothic, a popular but contested area of literary studies. The contributors revisit key Gothic themes - gender, race, the body, monstrosity, metaphor, motherhood and nationality - to open up new critical directions.

No Straight Lines Terry Kading. 2018 Small cities face intricate challenges. No Straight Lines provides the basis for a refined model of community-engaged leadership and research designed to realize equality of quality of life. With particular attention to the small city of Kamloops, BC, this book explores the impact of extended, short-term, and unique leadership collaborations and local responses to homelessness, sustainability and food security, aging populations, and the recovery of local history. It offers exciting insights into the role of the university in the small city, from generating local learning opportunities to the integration of undergraduates and faculty in achieving positive change. Based on active engagement, No Straight Lines reveals the barriers present in addressing local needs, and the transformations that can be achieved through effective collaboration. It offers rich accounts and valuable insights into flexible practices that respond to the needs of community organizations while recognizing the challenges associated with resource constraints and limitations in capacity. This unique collection provides new insights into the twists and turns of leadership and learning in the small city.

The Riddle of Gender Deborah Rudacille. 2009-07-29 When Deborah Rudacille learned that a close friend had decided to transition from female to male, she felt compelled to understand why. Coming at the controversial subject of transsexualism from several angles—historical, sociological, psychological, medical—Rudacille discovered that gender variance is anything but new, that changing one's gender has been met with both acceptance and hostility through the years, and that gender identity, like sexual orientation, appears to be inborn, not learned, though in some people the sex of the body does not match the sex of the brain. Informed not only by meticulous research, but also by the author's interviews with prominent members of the transgender community, *The Riddle of Gender* is a sympathetic and wise look at a sexual revolution that calls into question many of our most deeply held assumptions about what it means to be a man, a woman, and a human being.

A Woman's Way Through Unknown Labrador Mina Hubbard. 1908 Author gives an account of her husband's life and of his expedition of 1903 to central Labrador, and of her own expedition from Lake Melville to Ungava Bay in 1905. Diary of Leonidas Hubbard, July-October 1903, and of his companion George Elson, October 1903-May 1904.

Mother of Peace Hak Ja Han Moon. 2020-07 Discover the untold story of Hak Ja Han Moon, the North Korean village girl who is now known to millions as the Mother of Peace. Her heart-wrenching story reveals details of a war-torn childhood and trials of faith as she and her late husband, Rev. Sun Myung Moon, built a vast and still-growing international movement capable of fulfilling God's will for peace in the 21st century. A major milestone of her life, described in never-told-before detail, was her marriage in 1960, at age 17, to the charismatic Rev. Dr. Sun Myung Moon. For the next 52 years, she joined him in the daunting task of building a global interfaith movement to fulfill God's will for peace in the 21st century. Mother Moon's journey as a religious woman leader is breathtaking: Born in Japanese-occupied Korea in 1943, she spent her early life in nature so she could commune with God. War forced her to flee south with her mother and grandmother; they crossed the Han River Bridge minutes before it was blown up. Later, she walked and worked side-by-side with Father Moon, one of history's most energetic and visionary men. They visited every corner of the earth and, despite relentless persecution, met with world leaders, including Mikhail Gorbachev and Kim Il Sung, to bring God's message for them. During this time, she bore 14 children and buried four. She stood with Father Moon for hours as they officiated at Marriage Blessing Ceremonies for hundreds of thousands of couples. Together, they launched hundreds of organizations and businesses to serve youth, family and peacemaking. Since Father Moon's passing in 2012, Mother Moon has shouldered the leadership of their still-growing movement. She has led Peace Starts With Me rallies in six continents and plans to bring Blessing Ceremonies to all people.

The Celts [2 volumes] John T. Koch, Antone Minard. 2012-08-08 This succinct, accessible two-volume set covers all aspects of Celtic historical life, from prehistory to the present day. The study of Celtic history has a wide international appeal, but unfortunately many of the available books on the subject are out-of-date, narrowly specialized, or contain incorrect information. Online information on the Celts is similarly unreliable. This two-volume set provides a well-written, up-to-date, and densely informative reference on Celtic history that is ideal for high school or college-aged students as well as general readers. *The Celts: History, Life, and Culture* uses a cross-disciplinary approach to explore all facets of this ancient society. The book introduces the archaeology, art history, folklore, history, linguistics, literature, music, and mythology of the Celts and examines the global influence of their legacy. Written entirely by acknowledged experts, the content is accessible without being simplistic. Unlike other texts in the field, *The Celts: History, Life, and Culture* celebrates all of the cultures associated with Celtic languages at all periods, providing for a richer and more comprehensive examination of the topic.

Beautiful Joe Marshall Saunders. 1907 A dog describes being mistreated by a cruel master but then later being taken in by a kind family.

[Margaret Anglin](#) John LeVay. 1989-01-10 From Margaret Anglin's birth in 1876 in the Speaker's suite of the Canadian House of Commons, to her death in Toronto in 1958, *Margaret Anglin: A Stage Life* is a lively biography researched from personal sources and theatre periodicals of the times. Author John Le Vay gives us glimpses of the rich and colourful personal life behind the stage persona. Called Canada's greatest actress by Herbert Whittaker, Margaret Anglin succeeded in winning critical acclaim for her sensitive portrayals in Shakespearean comedy and Greek tragedy. In more contemporary productions she was praised for her work with actor-managers James O'Neill, E.H. Sothorn, Richard Mansfield, and Henry Miller, and playwrights Somerset Maugham, H.A. Jones, and Paul Kester.

Off the Beaten Track Cyndi Smith. 1989 The story of fourteen women explorers, writers, artists, mountaineers, and trail guides active between the completion of the Canadian Pacific Railway in 1885 and the Second World War-- a half-century of feverish exploration.

The Nine Jeffrey Toobin. 2008-09-30 Acclaimed journalist Jeffrey Toobin takes us into the chambers of the most important—and secret—legal body in our country, the Supreme Court, revealing the complex dynamic among the nine people who decide the law of the land. An institution at a moment of transition, the Court now stands at a crucial point, with major changes in store on such issues as abortion, civil rights, and church-state relations. Based on exclusive interviews with the justices and with a keen sense of the Court's history and the trajectory of its future, Jeffrey Toobin creates in *The Nine* a riveting story of one of the most important forces in American life today.

Canadian Women Gail Cuthbert Brandt, Naomi Black, Paula Bourne, Magda Fahrni. 2010-12-13 The substantially revised and updated third edition of *Canadian Women: A History* continues to be the only comprehensive survey of the contributions, struggles and achievements of Canadian women. Drawing on the latest historical research, as well as government documents and other archival material, the authors provide new insights into the diverse experiences of women in Canada from the sixteenth century to the present. The text explores the themes of migration, marriage, family life, work, education, politics, and culture in the lives of Canadian

women by means of an accessible narrative enhanced by graphics and photos.

Behavioral Finance: The Second Generation Meir Statman.2019-12-02 Behavioral finance presented in this book is the second-generation of behavioral finance. The first generation, starting in the early 1980s, largely accepted standard finance's notion of people's wants as "rational" wants—restricted to the utilitarian benefits of high returns and low risk. That first generation commonly described people as "irrational"—succumbing to cognitive and emotional errors and misled on their way to their rational wants. The second generation describes people as normal. It begins by acknowledging the full range of people's normal wants and their benefits—utilitarian, expressive, and emotional—distinguishes normal wants from errors, and offers guidance on using shortcuts and avoiding errors on the way to satisfying normal wants. People's normal wants include financial security, nurturing children and families, gaining high social status, and staying true to values. People's normal wants, even more than their cognitive and emotional shortcuts and errors, underlie answers to important questions of finance, including saving and spending, portfolio construction, asset pricing, and market efficiency.

Ukrainian Otherlands Natalia Khanenko-Friesen.2015-07-27 Exploring a rich array of folk traditions that developed in the Ukrainian diaspora and in Ukraine during the twentieth century, *Ukrainian Otherlands* is an innovative exploration of modern ethnic identity and the deeply felt (but sometimes deeply different) understandings of ethnicity in homeland and diaspora.

Walking With Giants Elmer L. Towns.2012-08-01 Elmer Towns is known around the world as cofounder of the world's largest Christian university and as author of more than 175 popular books on prayer, spirituality and the Church. His is also known as a motivator par excellence of men and women who long to be exceptional for the cause of Christ. But not many people know that a long "desert experience" lies behind Towns's extraordinary success, an experience that taught him how to be, in the words of the apostle Paul, "crucified with Christ" (Gal. 2:20). In these memoirs, one of the modern Church's most influential teachers shares his fascinating life story, drawing out principles that can be applied by anyone seeking to become great in God's kingdom. Leaders and students alike will be challenged to greater faithfulness and encouraged to seek God more deeply.

Traveling Heritages Saskia Wieringa.2008 In the context of our increasingly globalized and digitalized world, libraries and archives are experiencing major changes. The methods used internationally to collect cultural heritage and other historical material are shifting, as new media have added important innovative tools for gathering, preserving, and sharing information around the globe. In light of our increasingly multicultural societies and the expanding digital divide, we need new and more inclusive approaches to the collection of cultural heritage. This means that critical reflection on both the contents of collections and methods of acquisition is crucial. The International Information Center and Archives for the Women's Movement (IIAV) in Amsterdam provides a case study in how to approach these issues. It considered such questions as how to make optimal use of new media, and whose histories should be represented in its archives. In *Traveling Heritages*, international and national heritage experts from academic, library, and archival professions reflect upon these questions, offering new perspectives on documenting women's histories.

Womanpriest Jill Peterfeso.2020-05-12 This book is openly available in digital formats thanks to a generous grant from the Andrew W. Mellon Foundation. While some Catholics and even non-Catholics today are asking if priests are necessary, especially given the ongoing sex-abuse scandal, The Roman Catholic Womanpriests (RCWP) looks to reframe and reform Roman Catholic priesthood, starting with ordained women. *Womanpriest* is the first academic study of the RCWP movement. As an ethnography, *Womanpriest* analyzes the womenpriests' actions and lived theologies in order to explore ongoing tensions in Roman Catholicism around gender and sexuality, priestly authority, and religious change. In order to understand how womenpriests navigate tradition and transgression, this study situates RCWP within post-Vatican II Catholicism, apostolic succession, sacraments, ministerial action, and questions of embodiment. *Womanpriest* reveals RCWP to be a discrete religious movement in a distinct religious moment, with a small group of tenacious women defying the Catholic patriarchy, taking on the priestly role, and demanding reconsideration of Roman Catholic tradition. Doing so, the women inhabit and re-create the central tensions in Catholicism today.

Star Wars and the History of Transmedia Storytelling Sean Guynes, Dan Hassler-Forest.2018 Star Wars has reached more than three generations of casual and hardcore fans alike, and as a result many of the producers of franchised Star Wars texts (films, television, comics, novels, games, and more) over the past four decades have been fans-turned-creators. Yet despite its dominant cultural and industrial positions, Star Wars has rarely been the topic of sustained critical work. *Star Wars and the History of Transmedia Storytelling* offers a corrective to this oversight by curating essays from a wide range of interdisciplinary scholars in order to bring Star Wars and its transmedia narratives more fully into the fold of media and cultural studies. The collection places Star Wars at the center of those studies' projects by examining video games, novels and novelizations, comics, advertising practices, television shows, franchising models, aesthetic and economic decisions, fandom and cultural responses, and other aspects of Star Wars and its world-building in their multiple contexts of production, distribution, and reception. In emphasizing that Star Wars is both a media franchise and a transmedia storyworld, *Star Wars and the History of Transmedia Storytelling* demonstrates the ways in which transmedia storytelling and the industrial logic of media franchising have developed in concert over the past four decades, as multinational corporations have become the central means for subsidizing, profiting from, and selling modes of immersive storyworlds to global audiences. By taking this dual approach, the book focuses on the interconnected nature of corporate production, fan consumption, and transmedia world-building. As such, this collection grapples with the historical, cultural, aesthetic, and political-economic implications of the relationship between media franchising and transmedia storytelling as they are seen at work in

the world's most profitable transmedia franchise.

Florence Lawrence, the Biograph Girl Kelly R. Brown.2014-09-18 Florence Lawrence's film career began just as the cinema was being born. She recognized the wonder and appeal of the fledgling industry, and her early work with the Vitagraph company gained her a legion of fans and a reputation as a willing and hard working actress. In 1908 she appeared in *Romeo and Juliet*—America's very first screen Juliet. By 1909, she was working steadily for the Biograph studio—she was dubbed “the Biograph girl”—and was being praised for her “personal attractions” and “very fine dramatic ability.” But just as Lawrence was the first movie star in the industry, she was also one of the first to be undone by it. Hindered by setbacks, grueling work schedules, self-imposed retirements, three marriages, repeatedly unsuccessful comeback attempts, Lawrence finally committed suicide in 1938. This impressively researched piece of film history represents the first full-length biography of Florence Lawrence, also called “The Girl of a Thousand Faces.” Among the photographs are some never before published. A complete filmography of Lawrence's entire career is provided. A summary chapter includes comments from various critics and historians, addressing how Lawrence is important to film history.

Living in Christ's Presence Dallas Willard.2013-12-26 Logos Bookstores' 2014 Best Book in Spirituality 2014 Readers' Choice Award Winner 2014 Leadership Journal Best Books for Church Leaders (The Leader's Inner Life) A Special Award of Merit, from Byron Borger, Hearts and Minds Bookstore In these pages Dallas Willard explores what it means to live well now in light of God's kingdom. He reflects on the power of the Trinity in our lives, the meaning of knowledge, the importance of spiritual disciplines and much more. Dallas Willard offers poignant thoughts about what it will be like to transition into the very presence of Christ in heaven. This book is adapted from the talks given at the February 2013 Dallas Willard Center Knowing Christ Today conference in Santa Barbara, California. Each chapter is followed with an illuminating dialogue between Dallas Willard and John Ortberg. The book closes with the theme of offering a blessing to one another. These reflections form an apt conclusion to Dallas Willard's public ministry. It is a gift of grace. A conversation guide written by Gary W. Moon is included. Also available is the companion *Living in Christ's Presence* DVD.

Mishpachah Leonard J. Greenspoon.2016-10-15 Dictionary definitions of the term mishpachah are seemingly straightforward: A Jewish family or social unit including close and distant relatives-sometimes also close friends. As accurate as such definitions are, they fail to capture the diversity and vitality of real, flesh-and-blood Jewish families. Families have been part of Jewish life for as long as there have been Jews. It is useful to recall that the family is the basic narrative building block of the stories in the biblical book of Genesis, which can be interpreted in the light of ancient literary traditions, archaeological discoveries, and rabbinic exegesis. Rabbinic literature also is filled with discussions about interactions, rancorous as well as amicable, between parents and among siblings. Sometimes harmony characterizes relations between the parent and the child; as often, alas, there is conflict. The rabbis, always aware of the realities of life, chide and advise as best they can. For the modern period, the changing roles of males and females in society at large have contributed to differing expectations as to their roles within the family. The relative increase in the number of adopted children, from both Jewish and non-Jewish backgrounds, and more recently, the shifting reality of assisted reproductive technologies and the possibility of cloning human embryos, all raise significant moral and theological questions that require serious consideration. Through the studies brought together in this volume, more than a dozen scholars look at the Jewish family in wide variety of social, historical, religious, and geographical contexts. In the process, they explore both diverse and common features in the past and present, and they chart possible courses for Jewish families in the future.

Beside You in Time Elizabeth Freeman.2019-09-06 In *Beside You in Time* Elizabeth Freeman expands biopolitical and queer theory by outlining a temporal view of the long nineteenth century. Drawing on Foucauldian notions of discipline as a regime that yoked the human body to time, Freeman shows how time became a social and sensory means by which people assembled into groups in ways that resisted disciplinary forces. She tracks temporalized bodies across many entangled regimes—religion, secularity, race, historiography, health, and sexuality—and examines how those bodies act in relation to those regimes. In analyses of the use of rhythmic dance by the Shakers; African American slave narratives; literature by Mark Twain, Pauline Hopkins, Herman Melville, and others; and how Catholic sacraments conjoined people across historical boundaries, Freeman makes the case for the body as an instrument of what she calls queer hypersociality. As a mode of being in which bodies are connected to others and their histories across and throughout time, queer hypersociality, Freeman contends, provides the means for subjugated bodies to escape disciplinary regimes of time and to create new social worlds.

A Big Important Art Book (Now with Women) Danielle Krysa.2018-10-02 Celebrate 45 women artists, and gain inspiration for your own practice, with this beautiful exploration of contemporary creators from the founder of *The Jealous Curator*. This beautiful book energizes and empowers women, both artists and amateurs alike, by providing them with projects and galvanizing stories to ignite their creative fires. Each chapter leads with an assignment that taps into the inner artist, pushing the reader to make exciting new work and blaze her own artistic trail. Interviews, images, and stories from contemporary women artists at the top of their game provide added inspiration, and historical spotlights on art herstory tie in the work of pioneering women from the past. With a stunning, gift-forward package and just the right amount of pop culture-infused feminism, this book is sure to capture the imaginations of aspiring women artists.

Film Maria Pramaggiore, Tom Wallis.2008-07-31 *Film: A Critical Introduction* provides a comprehensive framework for studying films, with an emphasis on writing as a means of exploring film's aesthetic and cultural significance. This text's consistent and comprehensive focus on writing allows students to master film vocabulary and concepts while learning to formulate rich interpretations. Part I introduces readers to the importance of film analysis, offering helpful strategies for discerning the way films produce meaning. Part II examines the fundamental elements of film, including narrative form, mise en scene, cinematography, editing, and sound, and shows how these concepts can be used to interpret films. Part III moves beyond textual analysis to explore film as a cultural institution and introduce students to essential areas of film studies research.

Shrines and Pilgrimage in the Modern World Peter Jan Margry.2008 The modern pilgrimage—to sites ranging from Graceland to the veterans' annual ride to to the Vietnam Veterans Memorial to Jim Morrison's Paris grave—is intertwined with man's existential uncertainties in the face of a rapidly changing world. In a climate that reproduces the religious quest in seemingly secular places, it's no longer clear exactly what the term pilgrimage infers—and *Shrines and Pilgrimage in the Modern World* critiques our notions of the secular and the sacred, while commenting on the modern media's multiplication of images that renders the modern

pilgrimage a quest without an object. Using new ethnographical and theoretical approaches, this volume offers a surprising new vision on the non-secularity of the “secular” pilgrimage. This book will be sure to stoke our intellectual fire and heat up the discussion over the highly charged topic of secular pilgrimage.”—Simon Bronner, Penn State University
