The Maharaja's Household Binodini.2015-03-17 Part memoir, part oral testimony, part eyewitness account, Binodini's The Maharaja's Household provides a unique and engrossingly intimate view of life in the erstwhile royal household of Manipur in northeast India. It brings to life stories of kingdoms long vanished, and is an important addition to the untold histories of the British Raj. Maharaj Kumari Binodini Devi, or Binodini as she preferred to be known, published The Maharaja's Household as a series of essays between 2002 and 2007 for an avid newspaper-reading public in Manipur. Already celebrated in Manipur for her award-winning novel, short stories and film scripts that had brought her to the attention of international followers of world cinema, Binodini entranced her readers anew with her stories of royal life, told from a woman's point of view and informed by a deep empathy for the common people in her father's gilded circle. Elephant hunts, polo matches and Hindu temple performances form the backdrop for palace intrigues, colonial rule and White Rajahs. With gentle humour, piquant observations and heartfelt nostalgia, Binodini evokes a lifestyle and an era that is now lost. Her book paints a portrait of the household of a king that only a princess - his daughter - could have written. Published by Zubaan.

Social Mobility In Kerala Filippo Osella, Caroline Osella.2000-12-20 Filippo and Caroline Osella, anthropologists who spent three years in rural Kerala, south India, write about the modern search for upward social mobility: the processes involved, the ideologies that support or thwart it, and what happens to the people involved. They focus on the caste called Izhavas, a group that in the mid-19th century consisted of a small land-owning and titled elite and a large mass of landless and small tenants who were largely illiterate and considered untouchable, and who eked out a living by manual labor and petty trade. In the 20th century, Izhavas pursued mobility in many social arenas, both as a newly united caste and as families. The work considers how successful the mobility has been and looks at the effects on their society of an ethos of progress. Distributed by Stylus.

Bhima MT Vasudevan Nair.2018-03-05 This is the story of Bhima, the second son, always second in line -- a story never adequately told until one of India's finest writers conjured him up from the silences in Vyasa's narrative. M.T. Vasudevan Nair's Bhima is a revelation -- lonely, eager to succeed, treated with a mixture of affection and contempt by his Pandava brothers, and with scorn and hatred by his Kaurava cousins, Bhima battles

incessantly with failure and disappointment. He is adept at disguising his feelings, but has an overwhelmingly intuitive understanding of everyone who crosses his path. A warrior without equal, he takes on the mighty Bakasura and Jarasandha, and ultimately Duryodhana, thus bringing the Great War to a close. However, all of Bhima's moments of triumph remain unrecognized and unrewarded. If his mother saw glory only in the skills of Arjuna and the wisdom of Yudhishtira, his beloved Draupadi cared only for the beautiful Arjuna.

The Marxian Imagination Julian Markets.2003-09 The Marxian Imagination is a fresh and innovative recasting of Marxist literary theory and a powerful account of the ways class is represented in literary texts. Where earlier theorists have treated class as a fixed identity site, Markets sees class in more dynamic terms, as a process of accumulation involving many, often conflicting, sites of identity. Rather than examining the situations and characters explicitly identified in class terms, this makes it possible to see how racial and gender identities are caught up in the processes of accumulation that define class. Markets shows how a Marxian imagination is at work in a range of literary works, often written by non-Marxists. In a field notorious for its difficulty, The Marxian Imagination is a remarkably accessible text. Its central arguments are constantly developed and tested against readings of important novels, ranging from Dickens's *Hard Times* to Barbara Kingsolver's *Poisonwood Bible*. It concludes with a telling critique of the work of the major Marxist literary theorists Raymond Williams and Fredric Jameson.

Indulekha Ōyyārattu Cantumēnōn. 2005 Perhaps the only novel to have been reprinted nearly every year for over a hundred years, Indulekha (1889) is widely held to be the first Malayalam novel. Often called an 'accidental' and 'flawed' work, at its core lies a love story. The setting of the novel is the Nair community of Kerala, which had for centuries practised polyandrous matriliney, a most unusual form of inheritance through the woman whom both property and authority flavoured. It gives us glimpses of prevalent social practices much debated amongst a people already under colonial pressure to change their ways of life. Written by a Nair, Indulekha is not a grandiose outpouring but the author's effort to achieve certain social goals: firstly, to create a novel much like those of the English authors he had read, and secondly, to illustrate Nair society at that time, both of which met with success. The novel influenced the deliberations of the Malabar Marriage Commission which it predated, and of which Chandum enon was a member. This novel will appeal to general readers interested in Indian writings in translation. Students of literature, history and culture, political and legal theory, and gender studies, will also find it useful.
