**Melania and Me** Stephanie Winston Wolkoff. 2020-09-01 #1 NEW YORK TIMES BESTSELLER What Melania wants, Melania gets. The former director of special events at Vogue and producer of nine legendary Met Galas, Stephanie Winston Wolkoff met Melania Knauss in 2003 and had a front row seat to the transformation of Donald Trump's then girlfriend from a rough-cut gem to a precious diamond. As their friendship deepened over lunches at Manhattan hot spots, black-tie parties, and giggle sessions in the penthouse at Trump Tower, Wolkoff watched the newest Mrs. Trump raise her son, Barron, and manage her highly scrutinized marriage. After Trump won the 2016 election, Wolkoff was recruited to help produce the 58th Presidential Inauguration and to become the First Lady's trusted advisor. Melania put Wolkoff in charge of hiring her staff, organizing her events, helping her write speeches, and creating her debut initiatives. Then it all fell apart when she was made the scapegoat for inauguration finance irregularities. Melania could have defended her innocent friend and confidant, but she stood by her man, knowing full well who was really to blame. The betrayal nearly destroyed Wolkoff. In this candid and emotional memoir, Stephanie Winston Wolkoff takes you into Trump Tower and the White House to tell the funny, thrilling, and heartbreaking story of her intimate friendship with one of the most famous women in the world, a woman few people truly understand. How did Melania react to the Access Hollywood tape and her husband's affair with Stormy Daniels? Does she get along well with Ivanka? Why did she wear that jacket with "I really don't care, do u?" printed on the back? Is Melania happy being First Lady? And what really happened with the inauguration's funding of \$107 million? Wolkoff has some ideas...

The authors distinguish internal and external dimensions of the equitable and just treatment of individuals taking language tests which are used as gatekeeping devices to determine access to education and employment, immigrant status, citizenship, and other rights. The second goal is to show how the extent of test fairness can be demonstrated and improved using the tools of psychometrics, in particular the models collectively known as Rasch measurement. "This book will have an enormous impact on the field of language assessment. Using Rasch analysis models to explore and identify sources of unfairness, the authors make a compelling case for fairness in the design and implementation of language assessment instruments and for justice in the interpretation and use of test results. **Writing Appalachia** Katherine Ledford, Theresa Lloyd, Rebecca Stephens. 2020-03-17 Despite the stereotypes and misconceptions surrounding Appalachia, the region has nurtured and inspired some of the nation's finest writers. Featuring dozens of authors born into or adopted by the region over the past two centuries, Writing Appalachia showcases for the first time the nuances and contradictions that place Appalachia at the heart of American history. This comprehensive anthology covers an exceedingly diverse range of subjects, genres, and time periods, beginning with early Native American oral traditions and concluding with twenty-first-century writers such as Wendell Berry, bell hooks, Silas House, Barbara Kingsolver, and Frank X Walker. Slave narratives, local color writing, folklore, work songs, modernist prose—each piece explores unique Appalachian struggles, questions, and values. The collection also celebrates the significant contributions of women, people of color, and members of the LGBTQ community to the region's history and culture. Alongside Southern and Central Appalachian voices, the anthology features northern authors and selections that reflect the urban characteristics of the region. As one text gives way to the next, a more complete picture of Appalachia emerges—a landscape of contrasting visions and possibilities.

**Never in a Hurry** Naomi Shihab Nye. 2020-02-14 From the acclaimed poet and National Book Award finalist, "a sparkling book of travel and childhood: born on the bridge between two cultures" (Paulette Jiles, New York Times–bestselling author). In Never in a Hurry the poet Naomi Shihab Nye resists the American inclination to "leave toward places when we barely had time enough to get there." Instead she travels the world at an observant pace, talking to strangers and introducing readers to an endearing assemblage of eccentric neighbors, Filipina faith healers, dry-cleaning proprietors, and other quirky characters. A Palestinian-American who lives in a Mexican-American neighborhood, Nye speaks for the mix of people and places that can be called the "American Experience." From St. Louis, the symbolic "Gateway to the West," she embarks on a westward migration to examine America, past and present, and to glimpse into the lives of its latest outsiders—illegal immigrants from Mexico and troubled inner-city children. In other essays Nye ventures beyond North America's bounds, telling of a year in her childhood spent in Palestine and of an adulthood filled with cross-cultural quests. Whether recounting the purchase of a car on the island of Oahu or a camel-back ride through India's Thar Desert, Nye writes in wry, refreshing tones about themes that transcend borders and about the journey that remains the greatest of all—the journey from outside to in as the world enters each one of us, as we learn to see. "The generous gift of a writer at the top of her form, a book jammed with vivid sights and pungent tastes and wonderful stories." —Marion Winik, author of Above Us Only Sky

**Notes on Grief** Chimamanda Ngozi Adichie.2021-05-11 From the globally acclaimed, best-selling novelist and author of *We Should All Be Feminists*, a timely and deeply personal account of the loss of her father: "With raw eloquence, *Notes on Grief* ... captures the bewildering messiness of loss in a society that requires serenity, when you'd rather just scream. Grief is impolite ... Adichie's words put welcome, authentic voice to this most universal of emotions, which is also one of the most universally avoided" (The Washington Post). *Notes on Grief* is an exquisite work of meditation, remembrance, and hope, written in the wake of Chimamanda Ngozi Adichie's beloved father's death in the summer of 2020. As the COVID-19 pandemic raged around the world, and kept Adichie and her family members separated from one another, her father succumbed unexpectedly to complications of kidney failure. Expanding on her original *New Yorker* piece, Adichie shares how this loss shook her to her core. She writes about being one of the millions of people grieving this year; about the familial and cultural dimensions of grief and also about the loneliness and anger that are unavoidable in it. With signature precision of language, and glittering, devastating detail on the page—and never without touches of rich, honest humor—Adichie weaves together her own experience of her father's death with threads of his life story, from his remarkable survival during the Biafran war, through a long career as a statistics professor, into the days of the pandemic in which he'd stay connected with his children and grandchildren over video chat from the family home in Abba, Nigeria. In the compact format of *We Should All Be Feminists* and *Dear Ijeawele*, Adichie delivers a gem of a book—a book that fundamentally connects us to one another as it probes one of the most universal human experiences. *Notes on Grief* is a book for this moment—a work readers will treasure and share now more than ever—and yet will prove durable and timeless, an indispensable addition to Adichie's canon.

**Utterly Brilliant!** Timmy Mallett.2020-01-16 'A vivid, beautifully written and often moving book, skilfully dovetailing memoir, history, art and a cycling pilgrimage across Europe into a unique and uplifting whole. If you think you know who Timmy Mallett is, you're in for a rewarding surprise!' PROFESSOR BRIAN COX 'A must read. This is a journey brimming with love and laughter that's also deeply moving. Timmy's glass isn't just half full, it's positively overflowing!' LORRAINE KELLY 'There aren't many people who would put themselves through this much to achieve their dream. Timmy has always aimed for the summit and, most importantly, remembers to smile and take time to reflect along the way.' CHRIS EVANS 'Timmy Mallett, I still have my WAC PAC and all its contents! You're the kind of hero who has probably influenced me more than I realize. What a lovely man!' KEITH LEMON 'The world is a dark and confusing place to be right now, but there are still times that make a person glad to be in it. Timmy's journey throughout this book is one of them.' THE SECRET FOOTBALLER 'I loved this book. It's absolutely delightful. An adventure told in a uniquely Timmy way, full of humour and charm.' MICHAELA STRACHAN, from the foreword In the spring of 2018, as the 'Beast from the East' hit northern Europe, Timmy needed every bit of his natural exuberance. He had undertaken to cycle 2,500 miles from his home to Santiago de Compostela in memory of his brother Martin, who was born with Down's syndrome and had died just a few days earlier. This was a journey of exploration, honouring Martin's outlook on life [RD1] that everyone can reach their potential. And so, with his painting gear strapped to his bike, Timmy (an increasingly renowned artist) set off. He was blessed by letters of support from the Archbishop of York, the Bishops of Oxford and Winchester, the then Prime Minister Theresa May, Prince William and President Macron of France. Full of unexpected moments, Timmy's account of his pilgrimage along a route travelled by so many over the centuries weaves together history and biography in a hugely entertaining manner. It is undergirded by a touching faith and conveys, beyond all else, how important it is to live every moment of every day.

When it comes to the world of professional basketball, most players enjoy being in the public eye, where they can show off their fame and fortune. We don't often see players who prefer to play for the love of the game and not the fame—players like the 28-year-old Kawhi Leonard. Earlier this year, the quiet Kawhi led the Toronto Raptors in their most successful season yet, when they won the NBA (National Basketball Association) championship for the first time in history. Kawhi joined the team in 2018 and was also named the NBA Finals MVP (Most Valuable Player) for the second time in his career. The first time he won the award was in 2014, when he helped the San Antonio Spurs to their fifth championship. He hopes to do the same for his new team, the Los Angeles Clippers. With his extremely large hands and ability to score from anywhere on the court, the “Klaw” continues to rise through the ranks of the NBA. He has already gone from a skilled rookie to an All-Star and MVP, yet he remains one of the most humble players in the game. Born in California, Kawhi is the youngest of five children. His father, whom he was very close to, owned a car wash where Kawhi used to help out whenever he had time. But tragedy struck the family in 2008, when Kawhi's father was shot and killed. This motivated Kawhi to cherish his time and give his best on the court, saying “I try to play as hard as I can each night. That's what my father wanted me to do.” Kawhi stands out from many other NBA stars in part because he is very down-to-earth. For instance, after he signed a US\$94 million contract, he continued to drive the same beat-up SUV that he had owned since high school. He also prefers to keep his private life private and does not even have a social media account. In Kawhi's case, he is living proof that with enough hard work and persistence, greatness can be achieved. His humble attitude and instincts on the court have served him well on the road to success, making him one of the best role models in the NBA today.

**Toward a Future Theatre** Caridad Svich.2021-11-18 Featuring conversations with theatre makers in the US and UK during the first 8 months of the Covid-19 lockdown, this collection reveals the innovations in digital theatre as artists, companies and theatres had to adjust to the restrictions and formulate new ways of working and reaching audiences. Besides documenting in their own words the work that was generated, this book captures the artists' dreams for a new post-Covid reality in which theatre is reimagined and issues of racial and economic injustice are addressed. With conversations grouped under 5 broad areas, a host of theatre makers candidly discuss the present and the future of theatre: \* R/evolution: How should theatre evolve rather than re-set? What kind of field could this be, if the arts sector is to survive in the US and UK and if white supremacist, classist, ableist, and patriarchal structures are dismantled, and acts of regeneration and reformation occur? \* What does theatre look like at the local and hyper-local level and when working with young people and communities at risk? \* What are the challenges of creating work in the digital realm and/or exploring socially distanced performance in new ways? \* How may theatre address social inequalities and be a place for acts of political and artistic resistance? How has the pandemic galvanised their commitments to communities, arts advocacy, use of languages on the stage and page, and considerations of the living archive? \* Acts of communion with audiences, readers, fellow artists, students, and within ensembles and collectives. How do we find new ways to gather and make when liveness and the shared experience are challenged?

**From F-4 Phantom to A-10 Warthog** Steven K Ladd.2020-09-30 Fighter pilots! Images of Baron Manfred von Richthofen and Eddie Rickenbacker in the Great War, Johnnie Johnson, Robert Stanford Tuck and Richard Bong in the Second World War, or Robin Olds in Vietnam, all spring to mind. Volumes have been written about them, past and present. Understandably, most of these revolve around the skill, cunning and bravery that characterizes this distinctive band of brothers, but there are other dimensions to those who take to the skies to do battle that have not been given the emphasis they deserve - until now. You do not have to be an aviation aficionado to enjoy Colonel Steve Ladd's fascinating personal tale, woven around his 28-year career as a fighter pilot. This extremely engaging account follows a young man from basic pilot training to senior command through the narratives that define a unique ethos. From the United States to Southeast Asia; Europe to the Middle East; linking the amusing and tongue-in-cheek to the deadly serious and poignant, this is the lifelong journey of a fighter pilot. The anecdotes provided are absorbing, providing an insight into life as an Air Force pilot, but, in this book, as Colonel Ladd stresses, the focus is not on fireworks or stirring tales of derring-do. Instead, this is an articulate and absorbing account of what life is really like among a rare breed of arrogant, cocky, boisterous and fun-loving young men who readily transform into steely professionals at the controls of a fighter aircraft. From F-4 Phantom to A-10 Warthog is a terrific read: the legacy of a fighter pilot.

**Lived Experience** Delphine Diallo.2020-10-13 A beautiful series of full-color portraits of LGBTQ people over the age of fifty Even with the extraordinary strides the LGBTQ movement has made in civil rights, acceptance, and visibility over the past half century, a growing portion of the community remains largely invisible, its concerns relegated to the margins. In the latest in a groundbreaking series of beautiful photobooks on LGBTQ communities around the world—from Russia to Mexico to Japan—French-Senegalese photographer Delphine Diallo centers on the voices and lives of older LGBTQ people in the United States, a generation that has been ravaged by the AIDS epidemic but has also been instrumental in extraordinary progress in LGBTQ rights and visibility in this country. The series of fifty full-color portraits of LGBTQ people from across the nation—interviewed on the fiftieth anniversary of the Stonewall riots that led to modern LGBTQ rights movement—offers this wise and resilient cohort a chance to share their stories and to reflect. With a special focus on people of color, *Lived Experience* is a celebration of an underserved, neglected part of the LGBTQ world in America and an inspiration to future generations. *Lived Experience* was designed by Emerson, Wajdowicz Studios (EWS).

**Four Sides of an Attitude** Heather C. Myers.2020-10-13 When fire meets ice, steam is supposed to form. Instead, Ronnie and Aiden produce puddles. Ronnie Bixby is a sassy, foul-mouthed American college student with a penchant for Joel McHale and dancing to Katy Perry songs. Aiden Shawe is a sarcastic, uptight Englishman with more money than either of them can count. When they collide, steam rises and puddles form. Due to social situations - including but not limited to: Aiden's sister becoming Ronnie's college roommate, Ronnie's sister falling in love with Aiden's best friend, and Ronnie having the worst luck ever - they are forced to interact with each other. As they slowly start to get closer, an old school acquaintance of Aiden's enters the picture and does something that could potentially ruin any chance Ronnie has with Aiden, especially if Aiden's influential Aunt Judy Solomon has anything to do with it. But that's only if Ronnie and Aiden can overcome their respective pride and admit to having feelings for each other in the first place. *Four Sides of an Attitude* is perfect for fans of Jane Austen's *Pride & Prejudice* and *The Duff* if it was set in college rather than high school.
