Firefighter!, Vol. 1 (Special Edition) Masahito Soda.2002-12-10 Daigo is fresh out of the fire fighting training academy and has been newly assigned to the Medaka-GA-Hama fire station. Cocky and overconfident, Digo goes out on a few calls and is quickly humbled. He's still got a lot to learn before he can call himself a true firefighter. What he does have is an uncanny ability to save lives. BUt with his unorthobox methods and lack of disclipline, is Daigo more of a liability than asset?

And he’s starting to like having Allie with him far too much... Cautious Allie is astonished at Ricky’s generosity, but she’s wary of leaning too much on his broad shoulders. She’s

always prided herself on being independent, and Ricky seems determined to court danger. Can she risk caring for someone who insists on living his life on the edge? BONUS BOOK INCLUDED IN THIS VOLUME! Fire Stephen J. Pyne.2011-07-01 The fate of humanity, like the fate of the earth, is tied to the fires that have made the world as we know it—the fires whose history is told as well in this book as it has ever been told before. If one wants to understand just how completely the story of the human past is also the story of fire on earth, there is no better place to start than this small book. William Cronon Here, in one concise book, is the essential story of fire. Noted environmental historian Stephen J. Pyne describes the evolution of fire through prehistoric and historic times down to the present, examining contemporary attitudes from a long-range, informed perspective. *Fire: A Brief History* surveys the principles behind aboriginal and agricultural fire practices, the characteristics of urban fire, and the relationship between controlled combustion and technology. Pyne describes how fire's role in cities, suburbs, exurbs, and wildlands has been shaped by an industrialized, urban way of thinking. *Fire: A Brief History* will be of value to readers interested in the environment from the standpoint of anthropology, geography, forestry, science and technology, history, or the humanities. *Special Report: Firefighter Arson* .

Hometown Heartbreakers Collection Volume 2 Susan Mallery.2020-01-27 Don't miss these three fan-favorite tales of small-town romance from #1 New York Times bestselling author Susan Mallery Hometown Heartbreakers series! Part-Time Wife Rugged police officer Craig Haynes comes from a long line of heartbreakers. But he's hoping to change that...especially when it comes to Jill Bradford, his sons' new nanny. Two parts sweetness, one part-sin, the pint-sized redhead proves to be a miracle-worker with his three rambunctious boys. Except Jill Bradford isn't looking to open her wary heart to anyone. Will the Haynes family turn out to be what's she been looking for all along? Originally published in 1996 Holly and Mistletoe When firefighter Jordan Haynes rescues Holly Garrett's mischievous cat, Mistletoe, from her burning apartment, he winds up in the hospital. Holly, a shy, innocent 28-year-old, feels so bad about Jordan's injuries that she stops by his hospital bed and begins visiting him at home, as well. Soon she's not only preparing his evening meals but also giving him sponge baths, and she definitely isn't prepared for the sexy glances Jordan throws her

way or the feelings that he awakens in her. Jordan knows that Holly is awkward and inexperienced, but there's something so bewitching about her, and he just can't let her be alone for Christmas. No, he can play the needy patient for as long as it takes to convince Holly to keep him company through the holidays—if not longer. Originally published in 1996 Husband by the Hour Hannah Pace needed a pretend husband—fast! She lied to her long-lost mother about being married, and now she had to produce the groom. So she hired hometown bad boy Nick Archer. Though he wasn't every mother's dream, he sure was Hannah's hottest fantasy.... Trouble was, Nick relished the part a bit too much. Dizzying kisses, heated glances, tender touches. Minute by minute, Nick's paid performance was feeling all too real. And soon Hannah wanted him to be a husband for life...
