In *Reconnected*, they'll walk alongside you and your spouse as you learn to reconnect by: Sharing life-giving communication Dreaming together about your future Rekindling romance and passion Embracing your individuality while coming together as a couple Transforming your life from one of busyness to one of connection Take your marriage from surviving to thriving. Reconnect with your first love.

Science Confirms Reconnective Healing Konstantin G. Korotkov. 2011-12-21 This book describes results of different experiments and clinical trials exploring the effects of Reconnective Healing. Experiments during three years demonstrated that sessions of Reconnection Healing had statistically significant positive influence on the functional state, humoral activity, physical condition and reaction to loading for the group of people both immediately and in 10 days after the influence.

This signifies long-lasting effect of Reconnection Healing and its significance for people's health and well-being. Reconnective Healing does not invoke a relaxation response in the person, but decreases both sympathetic and parasympathetic stimulation of the autonomic nervous system, as observed when a person is in a state of emotional detachment, inner quiet and heightened awareness of the flow of subtle energy. These physiological responses are compatible with the Reconnective Healing principle of sensing and kinesthetically interacting with energy fields, as well as passively allowing the energy to flow through the body. One special effect of Reconnective Healing is structurization of Space in the auditorium, which affects all people present.

The Seasons of Beento Blackbird Akosua Busia.1997-12 Reminiscent of the works of Terry McMillan,

this contemporary novel tells of one man, the three women who love him, and the different cultures which lay claim to him. Spending one season each year in three different locales--New York, the Caribbean, and Africa--Solomon Wilberforce has neatly compartmentalized his life--until a family tragedy changes everything forever.

Come, Fill the Gap Elisabet Fountain. 1913-07-10 Countless self-help books offer us formulas. However, God is not quite as manageable as they promise, and reality has a way of messing up their systems. Following Jesus often involves more on our plates than human wisdom condones, and the pace of our lives often pacifies the deeper yearnings of the soul. *Come, Fill the Gap* is a 30-day revival of passion, feasting verse by verse on the life-giving Words of the Song of Solomon. Intended as an interaction between you, the reader, and the Author of your soul, my prayer is that this book might help you tune in to the music of your heart where His deep calls to yours. Most chapters in this 30-day devotional are divided into these sections: - A relevant quote from a sojourner in life bring perspectives spanning centuries and continents. - Literary Treasures draw from the wisdom and research of scholars to help us mine deeper jewels from this Living Word. - *Come, Fill the Gap* are my musings and experiences from clinging to these Scriptures for over two decades. - Search Me, O God, and Know My Heart is your place of response. The blank lines following the reflection questions are intended to capture your own love song, as you respond to His Voice. As a former lesbian flamenco dancer, now a Calvary Chapel pastor's wife for 18 years in South Beach, and the mother of two vibrant children, my entire life is immersed in the quest to help passionate people live unique, godly lives. From intimate conversations with seekers in our congregations to parents and teens in the co-op where i teach home-schoolers to speaking engagements on the subject, I have been met with a consistent sigh of relief and renewed spark of joy, when I speak of these wild

beauties available in everyday life. Not a scholar, I am simply a fellow sojourner, who has discovered a Paradise I just can't keep to myself. See for yourself...

Sketch: A Tattooed Married Couple Second Chance Romance Laramie Briscoe.2016-01-21
Enjoy this story of a seperated couple fighting for their marriage from USA Today and Wallstreet Journal bestselling author Laramie Briscoe. My name is Devin, but everybody calls me Sketch. I opened my own tattooÊshop two years ago, and IÕve finally gotten to the point where IÕm going to be able to give my wife everything sheÕs ever wanted. IÕm going to be able to take time off and spend a day a week with her. In fact, tonight, I stopped and grabbed some wine, got her flowers, and those chocolates she likes. What I wasnÕt prepared for was to be met at the front door by her carrying her sh*t out. She loves me, but sheÕs not in love with me anymore.ÊWhat kind of bullsh*t excuse is that?ÊIÕve left her alone too often, IÕve been completely focused on one goal, and apparently sheÕs sick of waiting. So here I stand. Half the man I was, p*ssed as f*ck, because while I was busy making a better life for us, she was under the impression I was leaving her lonely. I know one day sheÕll see what IÕve been doing has been for us, and when that day comesÊ She can damn well come crawling back to me. Sketch & Nina's love story is perfect for readers who love small town romance, hot blue-collar workers, second chances, alpha heroes, smart heroines, friends to lovers, happily ever after, slow burn, emotional romance with plenty of swoon. New Family Values Karen Struening. 2002 New Family Values provides a critical analysis of scholars and authors who argue that law and policy should be used to foster one model of family--the intact two-parent (heterosexual) family. The author argues that this position does not adequately address the problem in purports to solve -family dissolution--and unnecessarily constrains personal liberty. Civic stability and individual well-being require healthy families, but do not necessitate uniformity in family form.

The Solomon Promise Henry Blackaby. 2021-04-06 Are you a Christian eager to deepen your spiritual life and experience the healing of America? In The Solomon Promise, bestselling author Henry Blackaby shares the path to a revival of faith in America and the restoration of holiness to God's people. How will you respond? Revival waits on the holiness of His people, and Blackaby shares insight on the path that will lead us back. The Solomon Promise encourages readers to: look inward and to see sin from God's perspective live to the standard that He has set in Scripture With unease on the rise and division causing a rift in the nation, Blackaby reminds believers that "while leaders and governments can influence a nation, there is no group of people who can determine the coming years of a nation like God's people." This book is a great self-purchase or gift for someone wanting to deepen their spiritual life and experience healing through the power of the Lord. Inside, you'll learn: how to apply the principles of God and understand His promises by using the topical Scripture memory and prayer section in the book the concept of holiness and how to embrace our

responsibility to God the path Christians must take in order to revive the faith in America. If there ever was a time America needed revival, it is now. Currently, 70% of churches have plateaued or are in decline. More than two-thirds of young people who grew up attending church are leaving the faith before they graduate from college. More than 4,000 churches in America close their doors every year. God's people keep praying for God to transform Washington, Hollywood, or Wall Street, but revival always begins with God's people themselves.

In the Nick of Time Dr. Sherry L. Meinberg.2016-07-08 Coincidences, synchronicities, and dreams bear marked similarities. They often catch us off guard, and we tend to easily discount them without giving them much thought. The signs and symbols involved are considered to be guideposts for the wise as they each hold much meaning and significance if we are open and receptive to their messages.

The Deep Rivers Solomon,Daveed Diggs,William Hutson,Jonathan Snipes.2019-11-05 Octavia E. Butler meets Marvel's Black Panther in *The Deep*, a story rich with Afrofuturism, folklore, and the power of memory, inspired by the Hugo Award-nominated song "The Deep" from Daveed Diggs's rap group Clipping. Yetu holds the memories for her people—water-dwelling descendants of pregnant African slave women thrown overboard by slave owners—who live idyllic lives in the deep. Their past, too traumatic to be remembered regularly is forgotten by everyone, save one—the historian. This demanding role has been bestowed on Yetu. Yetu remembers for everyone, and the memories, painful and wonderful, traumatic and terrible and miraculous, are destroying her. And so, she flees to the surface escaping the memories, the expectations, and the responsibilities—and discovers a world her people left behind long ago. Yetu will learn more than she ever expected about her own past—and about the future of her people. If they are all to survive, they'll need to reclaim the memories, reclaim their identity—and own who they really are. *The Deep* is "a tour de force reorientation of the storytelling gaze...a superb, multilayered work," (Publishers Weekly, starred review) and a vividly original and uniquely affecting story inspired by a song produced by the rap group Clipping.

Intimacy After Infidelity Steven Solomon,Lorie Teagno.2006-11-01 A Guide to Rebuilding Trust and Intimacy It's devastating to discover that the person you trust the most has betrayed you. You'll be facing some hard questions after learning of your partner's infidelity. You may choose to rebuild your relationship, or you may decide to move on. Whatever the right decision is for you, this book will help you figure out why your partner betrayed you and decide whether you can remain in your relationship. It will also show you new ways to relate that can help you and your partner become a lasting, loving, and committed couple. You'll start by taking a look at the phenomenon of infidelity

and the three types of intimacy: self-intimacy, conflict intimacy, and affection intimacy. Then you'll learn about the three kinds of infidelity—those of fear, of loneliness, and of anger—and what each reveals about your relationship. Then it's on to practical exercises that can heal emotional wounds and enable you to recover your ability to trust. Even if you decide not to remain with your current partner, the book will help you make wise relationship choices to affair-proof your future relationship.

Solomon Sunrise Volume 6 David Eberhart. 2012-05-18 It seems that humility is a theme this year... and it should be. Humility grants us an audience with our Creator. Humility allows us to grasp true power. Humility opens our eyes to our own irrelevance... This book is a collection of a weekly series written and distributed to subscribers through an e-zine format known as Solomon Sunrise. Written in real time, Sunrise is an ongoing account of what God is teaching and revealing about life to a

businessman juxtaposed with the teachings of Solomon's wisdom. Our hope is that Solomon Sunrise will be a blessing for you. If you're an overachiever, read them all in one sitting, but a once-a-week regimen is recommended as a foundation to your business life meditation. Read it, let it sink in, and let God take these few seeds and grow a garden in your life!

The Gospel at Work Sebastian Traeger, Greg D. Gilbert. 2014-01-28 Find God's vision for your job. Reclaim God's vision for your life. Many Christians fall victim to one of two main problems when it comes to work: either they are idle in their work, or they have made an idol of it. Both of these mindsets are deadly misunderstandings of how God intends for us to think about our employment. In *The Gospel at Work*, Sebastian Traeger and Greg Gilbert unpack the powerful ways in which the gospel can transform how we do what we do, releasing us from the cultural pressures of both an all-consuming devotion and a punch-in, punch-out mentality—in order to find the freedom of a work ethic rooted in serving Christ. You'll find answers to some of the tough questions that Christians in the workplace often ask: What factors should matter most in choosing a job? What gospel principles should shape my thinking about how to treat my boss, my co-workers, and my employees? Is full-time Christian work more valuable than my job? Is it okay to be motivated by money? How do you prioritize—or balance—work, family and church responsibilities? Solidly grounded in the gospel, *The Gospel at Work* confronts both our idleness at work and our idolatry of work with a challenge of its own—to remember that whom we work for is infinitely more important than what we do.

Song of Solomon Toni Morrison. 2014-09-04 Stunningly-designed new editions of Toni Morrison's best-known novels, published by Vintage Classics in celebration of her life and work. WITH A NEW INTRODUCTION BY BOOKER PRIZE WINNING AUTHOR MARLON JAMES Soon after a local eccentric leaps from a rooftop in a vain attempt at flight, Macon 'Milkman' Dead III is born. Brought

up by his well-off black family to revere the white world around him, Milkman strives to make sense of his conflicting identities. Always seeking flight in some way, he leaves his Michigan home for the South, retracing the steps of his forebears in search of his own buried heritage and is introduced to an entire cast of strivers and seeresses, liars and assassins; the inhabitants of a fully realised black world. Evocative and kaleidoscopic, *Song of Solomon* is a brilliantly imagined coming-of-age tale.

The Courage to Teach Parker J. Palmer.2009-05-18 This book is for teachers who have good days and bad -- and whose bad days bring the suffering that comes only from something one loves. It is for teachers who refuse to harden their hearts, because they love learners, learning, and the teaching life. - Parker J. Palmer [from the Introduction] Teachers choose their vocation for reasons of the heart, because they care deeply about their students and about their subject. But the demands of teaching cause too many educators to lose heart. Is it possible to take heart in teaching once more so that we can continue to do what good teachers always do -- give heart to our students? In *The Courage to Teach*, Parker Palmer takes teachers on an inner journey toward reconnecting with their vocation and their students -- and recovering their passion for one of the most difficult and important of human endeavors.

Lessons from Solomon Glen A. Blanscet.2018-06-08 Everyone wants to be successful. The problem, though, is that most people misunderstand what constitutes true success. The world defines success in terms of our accomplishments, the fame and fortune we achieve, and the recognitions we receive, all of which are fleeting and temporary successes at best. True success, however, is based upon our character, the relationship we have with God, and the glory God receives from our lives. So how do we achieve this level of success? *Lessons from Solomon* answers this question by looking at the life of King Solomon, a man who not only achieved success by the worlds

standards but also had and lost true success that comes from knowing God. Author Glen A. Blanscet has penned engaging narrative retellings of King Solomons story from the Bible, and from King Solomons story we learn several success lessons that we can apply in our own search for true success in life. Based on the life of Solomon, Blanscet has distilled from Solomons story the life lessons that lead us to genuine success from the wisest man who ever lived. I highly recommend this book! Dr. David L. Allen, Southwestern Baptist Theological Seminary In this book, Glen Blanscet has masterfully extracted from scripture Solomons successes and failures, providing the reader with vivid lessons on attaining true success. Steve Mullen, PhD, Dallas Baptist University

Once We Were Brothers Ronald H. Balson. 2013-10-08 The gripping tale about two boys, once as close as brothers, who find themselves on opposite sides of the Holocaust. A novel of survival, justice and redemption...riveting. —Chicago Tribune, on *Once We Were Brothers* Elliot Rosenzweig, a respected civic leader and wealthy philanthropist, is attending a fundraiser when he is suddenly accosted and accused of being a former Nazi SS officer named Otto Piatek, the Butcher of Zamosc. Although the charges are denounced as preposterous, his accuser is convinced he is right and engages attorney Catherine Lockhart to bring Rosenzweig to justice. Solomon persuades attorney Catherine Lockhart to take his case, revealing that the true Piatek was abandoned as a child and raised by Solomon's own family only to betray them during the Nazi occupation. But has Solomon accused the right man? *Once We Were Brothers* is Ronald H. Balson's compelling tale of two boys and a family who struggle to survive in war-torn Poland, and a young love that struggles to endure the unspeakable cruelty of the Holocaust. Two lives, two worlds, and sixty years converge in an explosive race to redemption that makes for a moving and powerful tale of love, survival, and ultimately the triumph of the human spirit.

Gaia Eros Jesse Wolf Hardin.2004 Gaia Eros is a collection of essays and instructions for anyone interested in finding a way to reconnect to Gaia, the living Earth. Somewhere as you read this, a Pagan-affinity group is hard at work preparing the next Beltane ritual in their area. A circle of bearded priests is gathered to revitalize the nearly lost sensibilities of ancient Druidry. And a man contacts his soul and planet more deeply through his artful preparation of wild foods and a woodstove-baked pie. In an age of accelerating distraction and destruction, each of these individuals is a hero. They are among the growing number of people who feel both the suffering and joy of the world in every cell of their being. They are the seekers experiencing the world through their reawakened primal instincts, through their caring hearts, through every inch of skin. And each draws insight and instruction from their relationship with the living, inspirited Earth.

The First Rule of Ten Gay Hendricks, Tinker Lindsay.2014-02-03 Don't ignore intuitive tickles lest they reappear as sledgehammers.That's the first rule of Ten. Tenzing Norbu (Ten for short)—ex-monk and soon-to-be ex-cop—is a protagonist unique to our times. In The First Rule of Ten, the first installment in a three-book detective series, we meet this spiritual warrior who is singularly equipped, if not occasionally ill-equipped, as he takes on his first case as a private investigator in Los Angeles.Growing up in a Tibetan Monastery, Ten dreamed of becoming a modern-day Sherlock Holmes. So when he was sent to Los Angeles to teach meditation, he joined the LAPD instead. But as the Buddha says, change is inevitable; and ten years later, everything is about to change—big-time—for Ten. One resignation from the police force, two bullet-wounds, three suspicious deaths, and a beautiful woman later, he quickly learns that whenever he breaks his first rule, mayhem follows.Set in the modern-day streets and canyons of Los Angeles, The First Rule of Ten is at turns humorous, insightful, and riveting—a gripping mystery as well as a reflective, character-driven story

with intriguing life-lessons for us all.

Tomorrow, and Tomorrow, and Tomorrow Gabrielle Zevin. 2022-07-05 NEW YORK TIMES BEST SELLER • Sam and Sadie—two college friends, often in love, but never lovers—become creative partners in a dazzling and intricately imagined world of video game design, where success brings them fame, joy, tragedy, duplicity, and, ultimately, a kind of immortality. It is a love story, but not one you have read before. Delightful and absorbing. —The New York Times • Utterly brilliant. —John Green One of the Best Books of the Year: The New York Times, Entertainment Weekly, TIME, GoodReads, Oprah Daily From the best-selling author of *The Storied Life of A. J. Fikry*: On a bitter-cold day, in the December of his junior year at Harvard, Sam Masur exits a subway car and sees, amid the hordes of people waiting on the platform, Sadie Green. He calls her name. For a moment, she pretends she hasn't heard him, but then, she turns, and a game begins: a legendary collaboration that will launch them to stardom. These friends, intimates since childhood, borrow money, beg favors, and, before even graduating college, they have created their first blockbuster, *Ichigo*. Overnight, the world is theirs. Not even twenty-five years old, Sam and Sadie are brilliant, successful, and rich, but these qualities won't protect them from their own creative ambitions or the betrayals of their hearts. Spanning thirty years, from Cambridge, Massachusetts, to Venice Beach, California, and lands in between and far beyond, Gabrielle Zevin's *Tomorrow, and Tomorrow, and Tomorrow* examines the multifarious nature of identity, disability, failure, the redemptive possibilities in play, and above all, our need to connect: to be loved and to love.

Relative Strangers Paula Garner. 2018-04-10 Why is there a gap in Jules's baby album? A wry and poignant coming-of-age novel about finding the truth in lies, salvaging hope in heartbreak, and making peace with missing pieces. Eighteen-year-old Jules has always wished for a close-knit family.

She never knew her father, and her ex-addict mother has always seemed more interested in artistic endeavors than in bonding with her only daughter. Jules's life and future look as flat and unchanging as her small Illinois town. Then a simple quest to find a baby picture for the senior yearbook leads to an earth-shattering discovery: for most of the first two years of her life, Jules lived in foster care. Reeling from feelings of betrayal and with only the flimsiest of clues, Jules sets out to learn the truth about her past. What she finds is a wonderful family who loved her as their own and hoped to adopt her — including a now-adult foster brother who is overjoyed to see his sister again. But as her feelings for him spiral into a devastating, catastrophic crush — and the divide between Jules and her mother widens — Jules finds herself on the brink of losing everything.

I Will Be Found By You Francis Frangipane.2013-10-01 DIV In I Will Be Found by You he reveals that the deliberate movement of our hearts toward God leads us into far more than a simple answer to our need—we actually find Him. He teaches us how to reconnect with the living One—who is our rescuer, our redeemer, and the restorer of our souls. /div

The Christ Letters Ellias Lonsdale, Theanna Lonsdale. 2012-12-11 Before she died, Theanna (then Sara Lonsdale) developed a means to continue communication with her husband Ellias. Her words from beyond death's doors first appeared in *The Book of Theanna*, an introduction to the many realms of consciousness. Now Ellias has gathered and transcribed *The Christ Letters*, a collection of detailed accounts of Theanna's encounters with the Christ presence, transmitted at Christmas and Easter time over the course of several years. Drawing deeply on the feminine aspect of consciousness and framing her discussion around the astrological qualities of each of the seven classical planets, Theanna reexamines the figure of Christ and his teachings, exploding the myths imposed on Christ by church-based Christianity. What emerges is an unusual and inspirational account of the journey each one of us must take, from the darkest places of consciousness to eventual resurrection into the light of redemption. Not just another account of life after death, nor a channeled book in the usual sense, *The Christ Letters* enacts a virtually ignored method of spiritual communication. Theanna's principal goal is to make her process available collectively so that from this point on, people will discover inside their own strength of being a Christ presence, something unexpected and wildly unknown.

[A Cluster of Cancers](#) Dr. Sherry L. Meinberg. 2015-08-27 *A Cluster of Cancers: A Simple Coping Guide for Patients* brings a positive approach to the subject, showing how readers can participate in the healing process alongside their treatments. It covers the gamut of self-help issues that cancer patients contend with (thirty-one subjects). Half of the quotes are by medical doctors and psychologists, while the other half are by experts in their fields or famous names. Supportive and

encouraging, the practical suggestions provide a different slant from other cancer books as it is written by a cancer survivor.

The Reconnection Eric Pearl.2011-04 Why are prominent doctors and medical researchers all over the world interested in the extraordinary healings reported by the patients of Dr. Eric Pearl? What does it mean when these patients report the sudden disappearance of afflictions such as cancers, AIDS-related diseases, and cerebral palsy? And what does it mean when people who interact with Dr. Pearl report a sudden ability to access this healing energy not just for themselves, but for others, too? What is this phenomenon? Well, you might have to reconsider everything you've read up until now about conventional healing. The "new" frequencies of healing described by Dr. Pearl transcend "technique" entirely and bring you to levels beyond those previously accessible to anyone, anywhere. This book takes you on Dr. Pearl's journey from the discovery of his ability to facilitate healings, to his well-deserved reputation as the instrument through which this process is being introduced to the world. But most important, The Reconnection reveals methods you can use to personally master these new healing energies.

A Critical Investigation into Precognitive Dreams Paul Kiritsis.2020-02-18 The precognitive dream is a compelling, real-world phenomenon that still stands outside the purview of orthodox science. It is spoken about anecdotally and has been alluded to time and time again by renowned psychiatrists, psychologists, neurologists, and other clinicians expounding upon the nature of their patients' narratives. However, it receives no empirical airtime because it is incommensurable with conventional explanations of human consciousness like the embodied mind hypothesis and with unconscious philosophical attitudes espoused by disciples of an ostensibly irrevocable Cartesian-Kantian account of the cosmos. This volume examines precognitive dream experiences, offering a comprehensive source of integrated information pertaining to their history and overarching features, their potential neural underpinnings, and the implications for consciousness and competing philosophical theories of determinism and non-determinism. It will serve as a useful reference for both researchers and clinicians hoping to gain insight into an age-old, sublime phenomenon.

I Wish You Happiness Elise Bradfield.2013-11 Your soul is on a journey. Happiness, peace, enlightenment, passion, purpose, inspiration-these are all within your reach, perhaps closer than you think. The universe wants to reconfirm with you that you are a blessing. Release yourself, remember your gift, your purpose, and awaken from layers of protective forgetfulness. Feel the warmth inside you, and know that you are valuable to the overall progression of the species and the planet. You have a role to play; you are worthy of being heard and worthy of greatness. You know what you wish to leave as your legacy. True happiness lies within the here and now-not in yesterday's memories or tomorrow's plans, but in understanding that happiness comes from being at peace in the present moment. Embrace the sunshine and the rain, and draw lessons from all of those experiences, so you can sit comfortably in your natural state of happiness and bliss today. *I Wish You Happiness* is an

invitation to forgive yourself, heal old hurts, and remember who you truly are. It offers a journey of truth and awakening, helping you to realign with your path and wish everyone happiness on their journey home.

Solomon Speaks on Reconnecting Your Life Eric Pearl, Frederick Ponzlov. 2014-05-20 Why are prominent doctors, quantum physicists, and researchers all over the world interested in the seemingly chance encounter that Dr. Eric Pearl had with one of his patients? What was it about that encounter that would not only radically accelerate the trajectory of his life, but ultimately affect the lives of millions . . . and will most likely profoundly affect your life as well? What is this phenomenon? In his international bestseller, *The Reconnection: Heal Others, Heal Yourself*, Dr. Pearl taught readers how to access and tap into a comprehensive spectrum of energy, light, and information previously inaccessible to anyone, anywhere. In doing so, he allowed us to entirely transcend complex energy-healing techniques and bring about dramatic, often instantaneous, lifelong healings and life transformations! Since then, the world has clamored for Eric's second book. His response? When I have something else to say. Today Dr. Pearl, in collaboration with Frederick Ponzlov, indeed has something else to say. You might have to reconsider everything you've read up until now about healing, consciousness, and our four-dimensional existence here on Earth. As guided by the spirit of Solomon, an extradimensional intelligence that speaks through Frederick, experience firsthand the insights imparted during the evolution of this unique transmodality known today as Reconnective Healing. Now you can discover these insights and apply them to your life—insights that have revolutionized the healing world and given us the key to access the immense power that we each have within our lives. Solomon speaks. . . .

55+ Energy Healing Modalities This newly revised edition of The Encyclopedia of Energy Medicine is an extensive directory for anyone wishing to study energy healing practices. With newly added modalities, updated course listings, and an improved list of energy medicine associations, this comprehensive reference features dozens of healing schools as well as licensure and certification programs in a field that is constantly growing and evolving. Linnie Thomas offers resources for pursuing your education in fifty-six energy healing methods, such as: Reflexology • Healing Touch • LomiLomi • Holotropic Breathwork • Thought Field Therapy • Reiki • Medical Qigong • Melody Crystal Healing This much-needed sourcebook covers healing session summaries, certification and continuing education requirements, endorsements and accreditations, standards of practice, legalities, and class availability. Thomas lists each therapeutic approach, course descriptions (including contact information), and codes of ethics, making it easy to find the information you need to explore these healing techniques for yourself. Includes a foreword by Cyndi Dale, internationally renowned author of The Complete Book of Chakra Healing

Our Wayward Fate Gloria Chao.2020-09-01 “A story that’s sure to stick with you for a long time.” —BuzzFeed “More than a coming-of-age novel.” —School Library Journal “[An] inventive, deeply heartfelt love story that explores connections of many kinds.” —Booklist A teen outcast is simultaneously swept up in a whirlwind romance and down a rabbit hole of dark family secrets when another Taiwanese family moves to her small, predominantly white midwestern town in this remarkable novel from the critically acclaimed author of American Panda. Seventeen-year-old Ali Chu knows that as the only Asian person at her school in middle-of-nowhere Indiana, she must be bland as white toast to survive. This means swapping her congee lunch for PB&Js, ignoring the clueless racism from her classmates and teachers, and keeping her mouth shut when people wrongly

call her Allie instead of her actual name, pronounced Āh-lĕe, after the mountain in Taiwan. Her autopilot existence is disrupted when she finds out that Chase Yu, the new kid in school, is also Taiwanese. Despite some initial resistance due to the “they belong together” whispers, Ali and Chase soon spark a chemistry rooted in competitive martial arts, joking in two languages, and, most importantly, pushing back against the discrimination they face. But when Ali’s mom finds out about the relationship, she forces Ali to end it. As Ali covertly digs into the why behind her mother’s disapproval, she uncovers secrets about her family and Chase that force her to question everything she thought she knew about life, love, and her unknowable future. Snippets of a love story from 19th-century China (a retelling of the Chinese folktale The Butterfly Lovers) are interspersed with Ali’s narrative and intertwined with her fate.

Lost Connections Johann Hari.2020-11-12 THE INTERNATIONAL BESTSELLER: A radically new way of thinking about depression and anxiety 'A book that could actually make us happy' SIMON AMSTELL 'This amazing book will change your life' ELTON JOHN 'One of the most important texts of recent years' BRITISH JOURNAL OF GENERAL PRACTICE 'Brilliant, stimulating, radical' MATT HAIG 'The more people read this book, the better off the world will be' NAOMI KLEIN 'Wonderful' HILLARY CLINTON 'Eye-opening' GUARDIAN 'Brilliant for anyone wanting a better understanding of mental health' ZOE BALL 'A game-changer' DAVINA MCCALL 'Extraordinary' DR MAX PEMBERTON Depression and anxiety are now at epidemic levels. Why? Across the world, scientists have uncovered evidence for nine different causes. Some are in our biology, but most are in the way we are living today. Lost Connections offers a radical new way of thinking about this crisis. It shows that once we understand the real causes, we can begin to turn to pioneering new solutions - ones that offer real hope.

Body Sense: The Science and Practice of Embodied Self-Awareness (Norton Series on Interpersonal Neurobiology) Alan Fogel.2013-04-29 The science and practice of feeling our movements, sensations, and emotions. When we are first born, before we can speak or use language to express ourselves, we use our physical sensations, our “body sense,” to guide us toward what makes us feel safe and fulfilled and away from what makes us feel bad. As we develop into adults, it becomes easy to lose touch with these crucial mind-body communication channels, but they are essential to our ability to navigate social interactions and deal with psychological stress, physical injury, and trauma. Combining a ground-up explanation of the anatomical and neurological sources of embodied self-awareness with practical exercises in touch and movement, Body Sense provides therapists and their clients with the tools to attain mind-body equilibrium and cultivate healthy body sense throughout their lives.

From Here to Where??? Gabriel Silva Lamboglia.2014-03 This book offers an intimate look at the trials and triumphs of an immigrant from Uruguay who spoke no English when he arrived in America. Part memoir, part inspirational life lessons, from Here to Where???. offers personal insights, inspirational quotes, and sayings that shaped the business ideology of this self-made entrepreneur. Throughout this book, he explains how he applies or modifies these sayings in real situations to guide him on his path in times of uncertainty. Gabriel Silva Lamboglia writes in his introduction, The way you choose to apply the sayings and information in this book will determine the results you achieve. However you choose to read the book, I hope you will embrace these sayings and incorporate them into your daily life to help you through uncertain times and to achieve the happiness you desire. Presented with delightful illustrations that bring the book to life, from Here to Where???. inspires all of us to do our best and be our best selves. Whether read in a single sitting, or

picked up occasionally for inspiration, this is a valuable book for those who are just starting out and established business leaders alike.
