OHFB is a free Kindle book website that gathers all the free Kindle books from Amazon and gives you some excellent search features so you can easily find your next great read. What You'll Need Before You Can Get Free eBooks. Before downloading free books, decide how you'll be reading them. A popular way to read an ebook is on an e-reader, such as a Kindle or a Nook, but you can also read ebooks from your computer, tablet, or smartphone. In the free section of the Google eBookstore, you'll find a ton of free books from a variety of genres. Look here for bestsellers, favorite classics, and more. Books are available in several formats, and you can also check out ratings and reviews from other users. Because this site is dedicated to free books, there's none of the hassle you get with filtering out paid-for content on Amazon or Google Play Books. We also love the fact that all the site's genres are presented on the homepage, so you don't have to waste time trawling through menus. Unlike the bigger stores, Free-Ebooks.net also lets you sort results by publication date, popularity, or rating, helping you avoid the weaker titles that will inevitably find their way onto open publishing platforms (though a book has to be really quite poor to receive less than four stars). It's disappointing that there's no convenient menu that lets you just browse freebies. Instead, you have to search for your preferred genre, plus the word 'free' (free science fiction, or free history, for example). It works well enough once you know about it, but it's not immediately obvious. It's easy to search Wikibooks by topic, and there are separate sections for recipes and childrens' textbooks. You can download any page as a PDF using a link provided in the left-hand menu, but unfortunately there's no support for other formats. There's also Collection Creator - a handy tool that lets you collate several pages, organize them, and export them together (again, in PDF format). It's a nice feature that enables you to customize your reading material, but it's a bit of a hassle, and is really designed for readers who want printouts. The easiest way to read Wikibooks is simply to open them in your web browser. Library Genesis is a search engine for free reading material, including ebooks, articles, magazines, and more. As of this writing, Library Genesis indexes close to 3 million ebooks and 60 million articles. It would take several lifetimes to consume everything on offer here. \$domain Public Library provides a variety of services available both in the Library and online. ... There are also book-related puzzles and games to play. Now that you have something on which you can read your ebooks, it's time to start your collection. If you have a Kindle or Nook, or their reading apps, we can make it really easy for you: Free Kindle Books, Free Nook Books, Below are some of our favorite websites where you can download free ebooks that will work with just about any device or ebook reading app.
