**Soutine's Last Journey** Ralph Dutli.2023-07-06 This is a biographical novel that tells the story of Chaim Soutine, a Jewish painter from Belorussia who had to be smuggled back to Paris in 1943. August 6, 1943. Chaim Soutine, a Jewish painter from Belorussia and a contemporary of Chagall, Modigliani, and Picasso, is hidden in a hearse that's traveling from a small town on the Loire towards Nazi-occupied Paris. Suffering from a stomach ulcer, he urgently needs a life-saving operation. But the hearse must avoid the occupiers' checkpoints, and it becomes increasingly likely that he will not survive the journey. In a stream of extraordinary images, the morphine-induced artist hallucinates and remembers his life. He dreams of his childhood in Smilovichi near Minsk; his beginnings as a painter in Vilna; his arrival in 1913 in the art capital of the world, Paris, where he befriends Modigliani; and his survival of years of struggle and finding sudden success, only to be persecuted and forced into hiding when the Nazis invade. Back in the present, the painter believes that the power of milk is the only possible remedy for his ulcer. In his mind, he is traveling to a white paradise--a strange clinic where a god in white declares him healed but forbids him to paint. But for Soutine, neither paradise nor salvation exists if he cannot paint. So, he begins to paint again in secret, willing to pay the price of discovery. A brilliant biographical novel about childhood, longing, friendship, bodily pain, and the wounds of exile, Ralph Dutli's Soutine's Last Journey is ultimately an

exploration of language and the power of art.

ECERS-E with Planning Notes Kathy Sylva,Iram Siraj,Brenda Taggart.2010-11-22 ECERS-E is designed to be used with the Early Childhood Rating Scale-Revised (ECERS-R), an internationally recognized measure of quality in education and care written by Thelma Harms, Richard M. Clifford, and Debby Cryer. It not only complements the ECERS-R but extends the scales to provide additional insights into important aspects of literacy, mathematics, science and environment, as well as practices related to issues of diversity. Given the current focus on emerging literacy and numeracy skills, the ECERS-E provides unique guidance on the kinds of environments that enhance learning in preschool settings. The curriculum domains within the scales bear important relationships to children's (age 3-5) cognitive and social/behavioral developmental outcomes. Using the ECERS-E alongside the ECERS-R gives users a more complete picture of what a high-quality early childhood education program can look like. It can be used by program directors, teaching staff, agency staff, and in teacher training programs. **Duane Hanson** Duane Hanson.2001 Inspired by the award-winning poet and actor's acclaimed one-

man play, a powerful coming-of-age memoir that reimagines masculinity for the twenty-first-century male. Award-winning poet, actor, and writer Carlos Andrés Gómez is a supremely gifted storyteller with a captivating voice whose power resonates equally on the live stage and on the page. In one of his most moving spoken-word poems, Gómez recounts a confrontation he once had after accidentally bumping into another man at a club. Just as they were about to fight, Gómez experienced an unexplainable surge of emotion that made his eyes well up with tears. Everyone at the scene jumped back, as if crying, or showing vulnerability, was the most insane thing that Gómez could possibly have done. Like many men in our society, Gómez grew up believing that he had to be ready to fight at all times, treat women as objects, and close off his emotional self. It wasn't until he discovered acting that he began to see the true cost of squelching one's emotions--and how aggression dominates everything that young males are taught. Statistics on graduation rates, employment, and teen and young-adult suicide make it clear that the young males in our society are at a crisis point, but Gómez seeks to reverse these ominous trends by sharing the lessons that he has learned. Like Hill Harper's *Letters to a Young Brother*, *Man Up* will be an agent for positive change, galvanizing men--but also mothers, girlfriends, wives, and sisters--to rethink and reimagine the way all men interact with women, deal with violence, handle fear, and express emotion.

**The Field of Drama** Martin Esslin.1987 A unique book of criticism that brings both theatre and film studies within a single theoretical framework Martin Esslin is the author of seminal critical studies such as *The Theatre of the Absurd* and *Brecht: A Choice of Evils*. Covering artists as diverse as Duchamp and Brecht, Busby Berkely and Congreve, Pinter and WC Fields, Esslin's approach is fresh and genuinely inquisitive, examining various prepared positions and testing the jargon. Taking each element of drama - the actor, the setting, the text, the music - and making provocative cross-references to stage and screen, Esslin offers a carefully argued system of his own, much fuller and more sensitive than anything that has gone before.

**Correspondence** Max Frisch,Friedrich Dürrenmatt.2011 Together Max Frisch and Friedrich Dürrenmatt are not only two of the most esteemed Swiss writers of the twentieth century, but arguably two of the most important European writers since World War II. The remarkable letters gathered here document their unique, unlikely, and extraordinary friendship. This collection of correspondence offers a picture of two temperaments that could not have been more different. As

their letters show, at first their friendship was tentative, both critical and respectful, as one might imagine of two contemporary literary giants. Then, under the pressure of their increasing fame, Frisch and Dürrenmatt's letters became more teasing in spirit and began to carry a noted undertone of irony. Finally, perhaps inevitably, the friendship became seriously endangered and failed. Available in English for the first time, this collection includes an introduction by Peter Rüedi that places the letters within the context of the authors' lives and works, as well as the larger historical events of the time. Detailed notes, a chronology, photographs, and facsimiles of the original letters complete the book, which will be engaging reading for admirers of Frisch and Dürrenmatt as well as fans of modern German writing in general.

**Protest the War** Judith Joy Ross.2007 Judith Joy Rosss most recent work is a series of photographs

of people in Pennsylvania protesting the war in Iraq, the majority of which were taken at a protest called Eyes Wide Open, organized by the Quaker community. Whether photographing residents of working-class in Freeland, Pa., former Ugandan child soldiers in New York City's Washington Square Park, or anti-war protestors, Ross's photographs reveal her distinct vision of people and place and the ensuing story each captured image reveals. The personal connection Ross is able to forge with her subjects is unmistakable and results in pictures that are sensitive reflections of both empowerment and vulnerability. With the remarkable ability to transcend socio-economic boundaries with ease, Ross creates touching portraits characterized by their candor, naturalism, and fidelity to each subject's sense of self. They are revelations not only of individuals, but humanity at-large. Judith Joy Ross, born in 1946 in Hazleton, Pa., graduated with a BS from the Moore College of Art, Philadelphia, in 1968 and received a MS degree two years later from the Institute of Design at the Illinois Institute of Technology, Chicago. Ross has been exhibiting her photography for the past two decades. Ross is a recipient of numerous honors, including a Guggenheim Fellowship, a National Endowment for the Arts Fellowship, a Charles Pratt Memorial Award, and an Andrea Frank Foundation Award. **A Man Called Cervantes** Bruno Frank.1935 The life of Cervantes is brought vividly alive in this exciting and well written novel. This is not a biography but, way more fun, is a fictionalized account that let's the author use his fantastic ability to imagine the life and thoughts of a historical figure.

Every writer of misfortune and a life-long struggle to create his art will recognize himself in these pages, and perhaps be inspired to ignore the minor significance of accidental circumstances.--

Give it to fans of Beautiful Creatures and Nightshade. Tavia Michaels is the sole survivor of the plane crash that killed her parents. When she starts to see strange visions of a boy she's never spoken with in real life, she begins to suspect that there's much about her past that she isn't being told. Tavia immediately searches for answers, desperate to determine why she feels so drawn to a boy she hardly knows. But when Tavia discovers that the aunt and uncle who took her in after her parents' death may have actually been responsible for the plane crash that killed them--and that she may have been the true intended victim--she flees for the safety of Camden, Maine, where the boy she sees in her visions instructs her to go. Now, Tavia is on the run with no one to trust. No one, that is, except for her best friend and longtime crush, Benson. Tavia feels torn between the boy who mysteriously comes to her at night and the boy who has been by her side every step of the way. But what Tavia doesn't know is that the world is literally falling apart and that to save it she will have to unite with the boy in her visions. Only problem? To do so would mean rejecting Benson's love. And that's the one thing Tavia Michaels

swore she'd never do.

**My Wild Garden** Meir Shalev.2020-03-31 A colorfully illustrated round of the season in the garden of the best-selling novelist, memoirist, and champion putterer with a wheelbarrow On the perimeter of Israel's Jezreel Valley, with the Carmel mountains rising up in the west, Meir Shalev has a beloved garden, "neither neatly organized nor well kept," as he cheerfully explains. Often covered in mud and scrapes, Shalev cultivates both nomadic plants and "house dwellers," using his own quirky techniques. He extolls the virtues of the lemon tree, rescues a precious variety of purple snapdragon from the Jerusalem-Tel Aviv highway, and does battle with a saboteur mole rat. He even gives us his superior private recipe for curing olives. Informed by Shalev's literary sensibility, his sometime riotous humor, and his deep curiosity about the land, My Wild Garden abounds with appreciation for the joy of living, quite literally, on Earth. Our borrowed time on any particular patch of it is

enhanced, the author reminds us, by our honest, respectful dealings with all manner of beings who inhabit it with us.

*A Sense of the Beginning* Norbert Gstrein.2016-09-08 A poignant novel of political-religious awakening by one of Germany's literary stars An anonymous phone call, an unattended bag discovered in the station of a small Austrian town, a piece of paper saying, Repent! and Next time it will be for real! A C.C.T.V. image of a young man. What was it that made the teacher think it was his old student, Daniel? Ten years earlier Daniel had spent time with the teacher in his remote house by the river. The town had talked. Anton had recently returned from two years teaching in Istanbul - he was unsettled, subversive, solitary. Daniel was on the brink of adulthood - idealistic, unrequitedly in love with Judith, vulnerable to influence. Those summer weeks by the river were an idyll. But did they also sow the seeds of Daniel's later obsessiveness, his biblical attitudes, his political dogmatism? As the bomb threat excites the community with all the tension of a witch hunt, and Anton himself becomes a focus for suspicion and gossip, he anatomises his memories of the preceding decade. What went wrong for Daniel, and could he have stopped it?

Open Space Technology Harrison Owen.2009-03 This book, like all books, comes to an end, but that is by no means the end of the story of Open Space. In fact it is safe to say that we have barely begun. The total simplicity of Open Space (sit in a circle, create a bulletin board, open a marketplace, and go to work) contrasts radically with the quality of results and speed of achievement. The conventional theory and practice of meeting and organization would suggest that what happens in Open Space should not occur. But it does, not once but thousands of times in all parts of the world. So the continuing story of Open Space is all about this wonderful anomaly. Why does it work? How does it work? And perhaps most intriguing - if it works in Open Space (whatever it is) why couldn't it work twenty-four hours a day, seven days a week, 365 days of the year? My best guess is that the it is the primal power of self-organization, and if so the real significance of Open Space has little to do with better meetings, and everything to do with a deepening understanding of who we really are and how we might most effectively get on in this world. But all of that is an unfolding story and, as I would see it, a wonderful, ongoing natural experiment. And you are invited to participate. ----
