Hippu Oili Tanninen.2015-05-05 Hippu the mouse invites Heppu the dog to live with him.

Small Country Gaël Faye.2018-06-05 Already an international sensation and prize-winning bestseller in France, an evocative coming-of-age story of a young boy, a lost childhood and a shattered homeland. SHORTLISTED FOR THE ALBERTINE PRIZE • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY ESQUIRE • LONGLISTED FOR THE ANDREW CARNEGIE MEDAL FOR EXCELLENCE IN FICTION • LONGLISTED FOR THE ASPEN WORDS LITERARY PRIZE Burundi, 1992. For ten-year-old Gabriel, life in his comfortable expatriate neighborhood of Bujumbura with his French father, Rwandan mother and little sister Ana, is something close to paradise. These are carefree days of laughter and adventure – sneaking Supermatch cigarettes and gorging on stolen mangoes – as he and his mischievous gang of friends transform their tiny cul-de-sac into their kingdom. But dark clouds are gathering over this small country, and soon their peaceful existence will shatter when Burundi, and neighboring Rwanda, are brutally hit by civil war and genocide. A novel of extraordinary power and beauty, *Small Country* describes an end of innocence as seen through the eyes of a child caught in the maelstrom of history. Shot through with shadows and light, tragedy and humor, it is a stirring tribute not only to a dark chapter in Africa's past, but also to the bright days that preceded it.

Eleuthéria Samuel Beckett.2014-12-02 By the winner of the 1969 Nobel Prize for Literature Before the classic *Waiting for Godot*, Samuel Beckett wrote *Eleuthéria*. Legend has it that the great French director Roger Blin was given his choice of the two plays. *Waiting for Godot* won out.*Eleuthéria*, which has seventeen characters and elaborate and numerous scene changes, was virtually forgotten for the next forty years. As Beckett scholars have noted, elements in *Eleuthéria* prefigure many of the themes and characters of Beckett's most important plays. Beyond the historical interest of this "lost" work, there is also the mesmerizing quality of the master playwright's language. Samuel Beckett (1906-1989) was a playwright, poet and novelist whose work has had a formative influence on 20th century culture. Born in Foxrock, Ireland, he moved to Paris after an abortive attempt at being an academic. Years of penury and obscurity followed, during which time he consorted with artists such as James Joyce, Alberto Giacometti, and Marcel Duchamp. During World War II, he was an active member of the French Resistance, and after the war he was honored with the Croix de Guerre and the Médaille de la Résistance. In 1954, Beckett's play "Waiting for Godot" was introduced to an unsuspecting America by Barney Rosset at Grove Press; Beckett became a signature author of the fledgling company. Although he was highly regarded by a small circle of literary aficionados, it was not until Beckett won the Nobel Prize for Literature in 1969 (he famously gave away the prize money that accompanied it) that his work began to reach a wider audience. His writing is characterized by meticulousness and a ceaseless fascination with the puzzle of fitting words to actions, and with the simultaneous impossibility and necessity of doing so that marks the human condition.

Chansons Madecasses Évariste Parny.2023-07-18 This book of poetry is a celebration of the beauty of Madagascar, as seen through the eyes of Évariste Parny. *Chansons Madecasses* is a collection of love songs, ballads, and odes that capture the essence of the Malagasy culture and landscape. Parny's lyrical voice is as enchanting as his subject, and readers will be transported to another world as they read his words. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.
