## Find Lost In Time

GOBI Library Solutions from EBSCO provides print books, e-books and collection development services to academic and research libraries worldwide. Baen is an online platform for you to read your favorite eBooks with a section consisting of limited amount of free books to download. Even though small the free section features an impressive range of fiction and non-fiction. So, to download eBooks you simply need to browse through the list of books, select the

one of your choice and convert them into MOBI, RTF, EPUB and other reading formats. However, since it gets downloaded in a zip file you need a special app or use your computer to unzip the zip folder. Once you've found a book you're interested in, click Read Online and the book will open within your web browser. You also have the option to Launch Reading Mode if you're not fond of the website interface. Reading Mode looks like an open book, however, all the free books on the Read Print site are divided by chapter so you'll have to go back and open it every time you start a new chapter. When you click on My Google eBooks, you'll see all the books in your virtual library, both purchased and free. You can also get this information by using the My library link from the Google Books homepage. The simplified My Google eBooks view is also what you'll see when using the Google Books app on Android. The split between "free public domain ebooks" and "free original ebooks" is surprisingly even. A big chunk of the

public domain titles are short stories and a lot of the original titles are fanfiction. Still, if you do a bit of digging around, you'll find some interesting stories. At eReaderIQ all the free Kindle books are updated hourly, meaning you won't have to miss out on any of the limited-time offers. In fact, you can even get notified when new books from Amazon are added. LibGen is a unique concept in the category of eBooks, as this Russia based website is actually a search engine that helps you download books and articles related to science. It allows you to download paywalled content for free including PDF downloads for the stuff on Elsevier's Science Direct website. Even though the site continues to face legal issues due to the pirated access provided to books and articles, the site is still functional through various domains. In addition to the sites referenced above, there are also the following resources for free books: WorldeBookFair: for a limited time, you can have access to over a million free ebooks.

WorldLibrary: More than 330,000+ unabridged original single file PDF eBooks by the original authors. FreeTechBooks: just like the name of the site, you can get free technology-related books here. FullBooks.com: organized alphabetically; there are a TON of books here. Bartleby eBooks: a huge array of classic literature, all available for free download. So, look no further as here we have a selection of best websites to download free eBooks for all those book avid readers.
