Established in 1978, O'Reilly Media is a world renowned platform to download books, magazines and tutorials for free. Even though they started with print publications, they are now famous for digital books. The website features a massive collection of eBooks in categories like, IT industry, computers, technology, etc. You can download the books in PDF format, however, to get an access to the free downloads you need to sign up with your name and email address. Although this program is free, you'll need to be an Amazon Prime member to take advantage of it. If you're not a member you can sign up for a free trial of Amazon Prime or wait until they offer free subscriptions, which they do from time to time for special groups of people like moms or students. As archive means, you can retrieve books from the Internet Archive that are no longer available elsewhere. This is a not for profit online library that allows you to download free eBooks from its online library. It is basically a search engine for that lets you search from more than 466 billion pages on the internet for the obsolete books for free, especially for historical and academic books. GetFreeBooks: Download original ebooks here that authors give away for free. Obooko: Obooko offers thousands of ebooks for free that the original authors have

submitted. You can also borrow and lend Kindle books to your friends and family. Here's a guide on how to share Kindle ebooks. LEanPUB is definitely out of the league as it over here you can either choose to download a book for free or buy the same book at your own designated price. The eBooks can be downloaded in different formats like, EPub, Mobi and PDF. The minimum price for the books is fixed at \$0 by the author and you can thereafter decide the value of the book. The site mostly features eBooks on programming languages such as, JavaScript, C#, PHP or Ruby, guidebooks and more, and hence is known among developers or tech geeks and is especially useful for those preparing for engineering. The free Kindle books here can be borrowed for 14 days and then will be automatically returned to the owner at that time. Finding the Free eBooks. Another easy way to get Free Google eBooks is to just go to the Google Play store and browse. Top Free in Books is a browsing category that lists this week's most popular free downloads. This includes public domain books and promotional books that legal copyright holders wanted to give away for free. It's easy to search Wikibooks by topic, and there are separate sections for recipes and childrens' textbooks. You can download any page as a PDF using a link provided in the left-hand menu, but unfortunately there's no support for other formats. There's also Collection Creator - a handy tool that lets you collate several pages, organize them, and export them together (again, in PDF format). It's a nice feature that enables you to customize your reading material, but it's a bit of a hassle, and is really designed for readers who want printouts. The easiest way to read Wikibooks is simply to open them in your web browser. Since Centsless Books tracks free ebooks available on Amazon, there may be times when there is nothing listed. If that happens, try again in a few days.
