Fundamentals of DSL Technology Philip Golden,Hervé Dedieu,Krista S. Jacobsen.2005-09-29 The DSL arena is expanding rapidly, making it highly unlikely that any single author can adequately address the breadth and depth of the subject. Responding to the demand of designers worldwide, Fundamentals of DSL Technology combines the strengths of the field's most renowned DSL experts, providing a foundation of all aspects of DSL system design. The volume begins with an introductory three-chapter examination of DSL copper transmission channels, reviewing the basic telephone environment, the physical-layer twisted pair, and the noise environment in the twisted pair channel. The book then explores line codes - laying the foundation for later chapters about other aspects of DSL design - and discusses the basic objectives of DSL service, comparing DSL to other broadband delivery methods. The book concludes with a description of other basic aspects of DSL transmission, covering topics such as trellis codes, Reed-Solomon codes and interleaving, turbo and LDPC codes, basic equalization theory, synchronization, and more.

Rose River Margareta Osborn.2015-03-02 Adapted from Margareta Osborn's bestselling ebook novella A Bush Christmas, Rose River is a gloriously funny romantic comedy set in the beautiful Australian outback. Take one city girl - and drop her into the back of beyond... Housesitting in rural Burdekin's Gap, high up in the East Gippsland Mountains, is not an obvious career move for a PR executive like Jaime Hanrahan. But, hey, retrenchment is a kicker. Plus she's determined not to spend Christmas in Melbourne with her friends, who still have company cars and six-figure salaries, or with her mother, Blanche, who has remarried too soon after her father's death. However, it turns out that Burdekin's Gap is a little more remote than Jaime had anticipated, the house is in the middle of a cattle station, and the handsome manager, Stirling McEvoy, doesn't appreciate a new farmhand in Jimmy Choos and Sass & Bide cut-offs. Soon Jaime is fending off stampeding cows, town ladies wielding clipboards, sheep that think they are goats, nude sportsmen and one very neurotic cat. So why does she feel like she's falling in love . . . with the life, with the breathtaking landscape, and with one infuriating cowboy ...?
