Cultural Memory Anne Fuchs.2003 Twenty-two essays from academics working primarily in Ireland examine the construction of cultural memory in examples of European discourse from the 17th century to the present. The volume is structured around five main themes: memory as counter-history; narrative and remembering; locating memory; remembering and renewal; and remembering as trauma.

The Acharnians Aristophanes.2021-04-25 Acharnians is the earliest of the existent comedies of Aristophanes, produced in 425 BCE. It is a direct attack on the folly of war. The story deals with an Athenian farmer, Dikaiopolis, who surprisingly obtains a private peace treaty with the Spartans and enjoys the benefits of peace despite resistance from some of his fellow Athenians. This drama is celebrated for its absurd humor and its innovative appeal for an end to the Peloponnesian War.

Fiddling for Norway Chris Goertzen.2007-12-01 Fiddling for Norway is an engrossing portrait of a fiddle-based folk revival in Norway, one that in many ways parallels contemporary folk institutions and festivals throughout the world, including American fiddling. It is a detailed case study in the politics of culture, the causes and purposes of folk revivals, and the cultivation of music to define identity. The book begins with an investigation of the people and events important to Norwegian folk fiddling, tracing the history of Norwegian folk music and the growth and diversification of the folk music revival. The narrative takes us to fiddle clubs, concerts and competitions on the local, regional, and national levels, and shows how conflicting emphases—local vs. national identity, tradition vs. aesthetic qualities—continue to transform Norwegian folk music. Goertzen utilizes a large anthology of meticulously transcribed tunes to illustrate personal and regional repertoires, aspects of performance practice, melodic gesture and form, and tune relationships.

Ethnomusicologists and readers who fiddle will enjoy both the music and the stories it tells.

Musical Meaning Lawrence Kramer.2021-06-22 Ranging widely over classical music, jazz, popular music, and film and television music, *Musical Meaning* uncovers the historical importance of asking about meaning in the lived experience of musical works, styles, and performances. Lawrence Kramer has been a pivotal figure in the development of new resources for understanding music. In this accessible and eloquently written book, he argues boldly that humanistic, not just technical, meaning is a basic force in music history and an indispensable factor in how, where, and when music is heard. He demonstrates that thinking about music can become a vital means of thinking about general questions of meaning, subjectivity, and value. First published in 2001, *Musical Meaning* anticipates many of the musicological topics of today, including race, performance, embodiment, and media. In addition, Kramer explores music itself as a source of understanding via his composition *Revenants* for piano, revised for this edition and available on the UC Press website.

Research Methodologies in Translation Studies Gabriela Saldanha,Sharon O'Brien.2014-04-08 As an interdisciplinary area of research, translation studies attracts students and scholars with a wide range of backgrounds, who then need to face the challenge of accounting for a complex object of enquiry that does not adapt itself well to traditional methods in other fields of investigation. This

book addresses the needs of such scholars - whether they are students doing research at postgraduate level or more experienced researchers who want to familiarize themselves with methods outside their current field of expertise. The book promotes a discerning and critical approach to scholarly investigation by providing the reader not only with the know-how but also with insights into how new questions can be fruitfully explored through the coherent integration of different methods of research. Understanding core principles of reliability, validity and ethics is essential for any researcher no matter what methodology they adopt, and a whole chapter is therefore devoted to these issues. Research Methodologies in Translation Studies is divided into four different chapters, according to whether the research focuses on the translation product, the process of translation, the participants involved or the context in which translation takes place. An introductory chapter discusses issues of reliability, credibility, validity and ethics. The impact of our research depends not only on its quality but also on successful dissemination, and the final chapter therefore deals with what is also generally the final stage of the research process: producing a research report.

The Well of Loneliness Radclyffe Hall. 2015-04-23 This early work by Radclyffe Hall was originally published in 1928 and we are now republishing it with a brand new introductory biography. 'The Well of Loneliness' is a novel that follows an upper-class Englishwoman who falls in love with another woman while serving as an ambulance driver in World War I. Marguerite Radclyffe Hall was born on 12th August 1880, in Bournemouth, England. Hall's first novel The Unlit Lamp (1924) was a lengthy and grim tale that proved hard to sell. It was only published following the success of the much lighter social comedy The Forge (1924), which made the best-seller list of John O'London's Weekly. Hall is a key figure in lesbian literature for her novel The Well of Loneliness (1928). This is

her only work with overt lesbian themes and tells the story of the life of a masculine lesbian named Stephen Gordon.

That Winter Pamela Gillilan.1986 Pamela Gillilan was born in London in 1918, married in 1948 and moved to Cornwall in 1951. When she sat down to write her poem *Come Away* after the death of her husband David, she had written no poems for a quarter of a century. Then came a sequence of incredibly moving elegies. Other poems followed, and two years after starting to write again, she won the Cheltenham Festival poetry competition. Her first collection *That Winter* (Bloodaxe, 1986) was shortlisted for the Commonwealth Poetry Prize.

Twelve Years a Slave Solomon Northup.2014-03-08 Now a major motion picture nominated for nine Academy Awards. Narrative of Solomon Northup, a Citizen of New-York, Kidnapped in Washington City in 1841, and Rescued in 1853. *Twelve Years a Slave* by Solomon Northup is a memoir of a black man who was born free in New York state but kidnapped, sold into slavery and kept in bondage for 12 years in Louisiana before the American Civil War. He provided details of slave markets in Washington, DC, as well as describing at length cotton cultivation on major plantations in Louisiana.

Sakura's Cherry Blossoms Robert Paul Weston.2018-02-20 A warm, gorgeous exploration of a little girl's experience immigrating to a new country and missing her home and her grandmother, who still lives far away. Sakura's dad gets a new job in America, so she and her parents make the move from their home in Japan. When she arrives in the States, most of all she misses her grandmother and the cherry blossom trees, under which she and her grandmother used to play and picnic. She wonders how she'll ever feel at home in this new place, with its unfamiliar language and landscape. One day, she meets her neighbor, a boy named Luke, and begins to feel a little more settled. When her grandmother becomes ill, though, her family takes a trip back to Japan. Sakura is sad when she returns to the States and once again reflects on all she misses. Luke does his best to cheer her up -- and tells her about a surprise he knows she'll love, but she'll have to wait till spring. In the meantime, Sakura and Luke's friendship blooms and finally, when spring comes, Luke takes her to see the cherry blossom trees flowering right there in her new neighborhood. *Sakura's Cherry Blossoms* captures the beauty of the healing power of friendship through Weston's Japanese poetry-inspired text and Saburi's breathtaking illustrations.

Poetics and Politics Toni Bernhart,Jaša Drnovsek,Sven Thorsten Kilian,Joachim Küpper,Jan Mosch.2018-08-21 Far from teleological historiography, the pan-European perspective on Early Modern drama offered in this volume provides answers to why, how, where and when the given phenomena of theatre appear in history. Using theories of circulation and other concepts of exchange, transfer and movement, the authors analyze the development and differentiation of European secular and religious drama, within the disciplinary framework of comparative literature and the history of literature and concepts. Within this frame, aspects of major interest are the

relationship between tradition and innovation, the status of genre, the proportion of autonomous and heteronomous creational dispositions within the artefacts or genres they belong to, as well as strategies of functionalization in the context of a given part of the cultural net. Contributions cover a broad range of topics, including poetics of Early Modern Drama; political, institutional and social practices; history of themes and motifs (Stoffgeschichte); history of genres/cross-fertilization between genres; textual traditions and distribution of texts; questions of originality and authorship; theories of circulation and net structures in Drama Studies.

A Feminist Reader in Early Cinema Jennifer M. Bean, Diane Negra. 2002-11-21 A Feminist Reader in Early Cinema marks a new era of feminist film scholarship. The twenty essays collected here demonstrate how feminist historiographies at once alter and enrich ongoing debates over visibility and identification, authorship, stardom, and nationalist ideologies in cinema and media studies. Drawing extensively on archival research, the collection yields startling accounts of women's multiple roles as early producers, directors, writers, stars, and viewers. It also engages urgent questions about cinema's capacity for presenting a stable visual field, often at the expense of racially, sexually, or class-marked bodies. While fostering new ways of thinking about film history, *A Feminist Reader in Early Cinema* illuminates the many questions that the concept of early cinema itself raises about the relation of gender to modernism, representation, and technologies of the body. The contributors bring a number of disciplinary frameworks to bear, including not only film studies but also postcolonial studies, dance scholarship, literary analysis, philosophies of the body, and theories regarding modernism and postmodernism. Reflecting the stimulating diversity of early cinematic styles, technologies, and narrative forms, essays address a range of topics—from the dangerous sexuality of the urban flâneuse to the childlike femininity exemplified by Mary Pickford, from the Shanghai film industry to Italian diva films—looking along the way at birth-control sensation films, French crime serials, war actualities, and the stylistic influence of art deco. Recurring throughout the volume is the protean figure of the New Woman, alternately garbed as childish tomboy, athletic star, enigmatic vamp, languid diva, working girl, kinetic flapper, and primitive exotic. Contributors. Constance Balides, Jennifer M. Bean, Kristine Butler, Mary Ann Doane, Lucy Fischer, Jane Gaines, Amelie Hastie, Sumiko Higashi, Lori Landay, Anne Morey, Diane Negra, Catherine Russell, Siobhan B. An Outlaw and a Lady Jessi Colter, David Ritz. 2017-04-11 Renowned songwriter, singer, and wife of Waylon Jennings writes an intimate, enormously entertaining memoir of American music, of life with Waylon and the Outlaws, and of faith lost and found. The daughter of a Pentecostal evangelist and a race-car driver, Jessi Colter played piano and sang in church before leaving Arizona to tour with rock-n-roll pioneer Duane Eddy, whom she married. Colter became a successful recording artist, appearing on *American Bandstand* and befriending stars such as the Everly Brothers and Chet Atkins, while her songs were recorded by Nancy Sinatra, Dottie West, and others. Her marriage to Eddy didn't last, however, and in 1969 she married the electrifying Waylon Jennings. Together, they made their home in Nashville which, in the 1970s, was ground zero for roots music, drawing Bob Dylan, Johnny Cash, Willie Nelson, Kris Kristofferson, Shel Silverstein, and others to the Nashville Sound. And Jessi was at the center of it all, the only woman on the landmark *Wanted: The Outlaws* album, the record that launched the Outlaw Country genre and was the first country album to go platinum. She also tasted personal commercial success with the #1-single "I'm Not Lisa." But offstage, life was a challenge, as Waylon pursued his addictions and battled his demons. Having drifted from the church as a young woman, Jessi returned to her faith and found in it a source of strength in the turmoil of living with Waylon. In the 1980s, Waylon helped launch the super group The Highwaymen with Willie Nelson, Johnny Cash, and Kris Kristofferson, and the hits kept rolling,

as did Waylon's reckless living. Amid it all, Jessi faithfully prayed for her husband until finally, at Thanksgiving 2001, Waylon found Jesus, just months before he died. *An Outlaw and a Lady* is a powerful story of American music, of love in the midst of heartache, and of faith that sustains.

Lois Weber Martin F. Norden.2019-01-25 Lois Weber (1879-1939) was one of early Hollywood's most successful screenwriter-directors. A one-time Church Army worker who preached from street corners, Weber began working in the American film industry as an actress around 1908 but quickly ascended to the positions of screenwriter and director. She wrote, directed, starred in, edited, and titled hundreds of movies during her career and is believed to be the first woman to direct a feature film. At the height of her influence, Weber used her medium to address pressing social issues such as birth control, abortion, capital punishment, poverty, and drug abuse. She gained international fame in 1915 with her controversial *Hypocrites*, a complex film that featured full female nudity as part of its important moral lesson. Her most famous film, *Where Are My Children?*, was the Universal studio's biggest box-office hit the following year and played to enthusiastic audiences around the globe. These productions and many others contributed to her standing as a truly world-class filmmaker. Despite her many successes, Weber was pushed out of the business in the 1930s as a result of Hollywood's institutionalized sexism. Shoved into the corners of film history, she remained a largely forgotten figure for decades. *Lois Weber: Interviews* restores her long-muted voice by reprinting more than sixty items in which she expressed her views on a range of filmic subjects. The volume includes interviews, articles that Weber wrote, the text of a speech she gave, and reconstructed conversations with her Hollywood coworkers. *Lois Weber: Interviews* provides key insights into one of our first great writer-directors, her many films, and the changing business in which she worked.

Classics in Spectroscopy Stefan Berger,Dieter Sicker.2009-04-13 The first book of its kind to describe the art of NMR using everyday examples. This textbook will not only fascinate students wanting to learn about the topic, but also those experienced analytical chemists who are still inspired by their profession. The contents provide for easy reading by using natural products that everyone knows, such as caffeine, backed by an attractive layout with many pictures to visualize the topics. In addition, an in-depth analytical part makes the book a valuable teaching tool, or for self-learning using the questions and answers at the end of each chapter.

Silent Stars Jeanine Basinger.2012-10-17 From one of America's most renowned film scholars: a revelatory, perceptive, and highly readable look at the greatest silent film stars -- not those few who are fully appreciated and understood, like Chaplin, Keaton, Gish, and Garbo, but those who have been misperceived, unfairly dismissed, or forgotten. Here is Valentino, the Sheik, who was hardly the effeminate lounge lizard he's been branded as; Mary Pickford, who couldn't have been further from the adorable little creature with golden ringlets that was her film persona; Marion Davies, unfairly pilloried in *Citizen Kane*; the original Phantom and Hunchback, Lon Chaney; the beautiful Talmadge sisters, Norma and Constance. Here are the great divas, Pola Negri and Gloria Swanson; the great flappers, Colleen Moore and Clara Bow; the great cowboys, William S. Hart and Tom Mix; and the great lover, John Gilbert. Here, too, is the quintessential slapstick comedienne, Mabel Normand, with her Keystone Kops; the quintessential all-American hero, Douglas Fairbanks; and, of course, the quintessential all-American dog, Rin-Tin-Tin. This is the first book to anatomize the major silent players, reconstruct their careers, and give us a sense of what those films, those stars, and that Hollywood were all about. An absolutely essential text for anyone seriously interested in movies,

and, with more than three hundred photographs, as much a treat to look at as it is to read.
