

Reckless Pride Of The Marines

The Breath Between Waves Charlotte Anne Hamilton.2021-08-09 Penelope Fletcher gave up everything to board the RMS Titanic. Forced to travel to America for her father's new job, Penelope left her home in Scotland, her beloved grandmother, and even her girlfriend, who promptly got engaged to someone else. Heartbroken, Penelope isn't looking forward to the weeklong journey. Or that her parents want her to find a husband in America. To make matters worse, she also has to share a cabin with a complete stranger. Ruby Cole, her spunky Irish roommate, is unlike anyone Penelope ever met. They become fast friends as they bond over crushing family expectations and sneaking into lush parties together. That Ruby likes women, too, comes as a surprise to Penelope, but she knows their affair can only be temporary. Because as soon as the Titanic arrives in New York, Penelope will have to marry someone of her father's choosing. Before long, though, they'll both have to decide what—and who—is really worth fighting for.

[The Chinese Navy](#) .

[To Risk It All](#) Admiral James Stavridis, USN.2022-05-24 From one of the great naval leaders of our time, a master class in decision-making under pressure through the stories of nine famous acts of leadership in battle, drawn from the history of the United States Navy, with outcomes both glorious and notorious At the heart of Admiral James Stavridis's training as a naval officer was the preparation to lead sailors in combat, to face the decisive moment in battle whenever it might arise. In *To Risk it All*, he offers up nine of the most useful and enthralling stories from the US Navy's nearly 250-year history, and draws from them a set of insights that we can all put to use when confronted with fateful choices. Conflict. Crisis. Risk. These words have a distinct meaning in a military context that we hope will never apply identically in our own lives. But at the same time, as Admiral Stavridis shows with great clarity, many lessons are universal. *To Risk it All* is filled with thrilling and heroic exploits, but it is anything but a shallow exercise in myth burnishing. Every leader in this book has real flaws, as all humans do, and the stories of failure, or at least the decisions that have been defined as such, are as crucial as the stories of success. In the end, when this master class is concluded, we will be better armed for hard decisions both expected and not.

War Crimes Robert "Buzz" Patterson.2007-06-26 In *War Crimes*, Lieutenant Colonel Robert "Buzz" Patterson (USAF, Ret.) lays bare the Left's campaign against their own nation's armed forces—in the media, on campuses, in popular culture, in Washington, and elsewhere, revealing: ·The roots of liberal enmity toward our military ·The five liberal lies about the war on terror ·How the mainstream media, Hollywood, and academia perpetuate these myths ·How liberal politicians engage in seditious acts for political gain, and what the costs of these acts are ·How America can and must defeat the liberal assault on America's ability to defend itself against its enemies Interviews with hundreds of soldiers, sailors, and airmen—including many on the ground in Iraq—reveal the alarming degree to which their burden is increased by second-guessing, pessimism, and outright revulsion for their mission on the part of the people they are fighting for. Studded with shocking quotations and astonishing actions from members of the Left, *War Crimes* is an eye-opening indictment of the true motivations and agenda of the American Left. From the Hardcover edition.

Leading Marines (McWp 6-10) (Formerly McWp 6-11) Us Marine Corps.2018-09-02 Marine Corps Warfighting Publication MCWP 6-10 (Formerly MCWP 6-11) *Leading Marines 2* May 2016 The act of leading Marines is a sacred responsibility and a rewarding experience. This publication describes a leadership philosophy that speaks to who we are as Marines. It is about the relationship between the leader and the led. It is also about the bond between all Marines that is formed in the common forge of selfless service and shared hardships. It's in this forge where Marines are hardened like steel, and the undefinable spirit that forms the character of our Corps is born. It draws from shared experiences, hardships, and challenges in training and combat. *Leading Marines* is not meant to be read passively; as you read this publication, think about the material. You should reflect on, discuss, and apply the concepts presented in this publication. Furthermore, it is the responsibility of leaders at all levels to mentor and develop the next generation of Marine leaders.

They Called Her Reckless Janet Barrett.2013-10-23 When the U.S. Marine 5th Regiment's Recoilless Rifle Platoon acquired a small Korean pony to haul ammunition up the steep hills to the front lines, what they got was a real-life hero, Reckless, the courageous and indomitable warhorse who stood with her fellow Marines for two years during the Korean War, saving many lives, raising spirits, and winning the love and respect of all who knew her.

[One of Ours](#) Willa Cather.2015-08-16 *An American Farm Boy In Search Of Meaning* "Life was so short that it meant nothing at all unless it were continually reinforced by something that endured; unless the shadows of individual existence came and went against a background that held together." - Willa Cather, *One of Ours* Claude tries to escapes from his family firm grasp who want him pious and working at their family farm in Nebraska. He marries in his attempt to escape only to realize that his wife is not interested at all in him. That's when another opportunity arises: going overseas and fight for the American army in World War One. This Xist Classics edition has been professionally formatted for e-readers with a linked table of contents. This eBook also contains a bonus book club leadership guide and discussion questions. We hope you'll share this book with your friends, neighbors and colleagues and can't wait to hear what you have to say about it. Xist Publishing is a digital-first publisher. Xist Publishing creates books for the touchscreen generation and is dedicated to helping everyone develop a lifetime love of reading, no matter what form it takes

[Ordinary Girls](#) Jaquira Daz.2020-06-16 One of the Must-Read Books of 2019 According to O: The Oprah Magazine * Time * Bustle * Electric Literature * Publishers Weekly * The Millions * The Week * Good Housekeeping "There is more life packed on each page of *Ordinary Girls* than some lives hold in a lifetime." —Julia Alvarez In this searing memoir, Jaquira Díaz writes fiercely and eloquently of her challenging girlhood and triumphant coming of age. While growing up in housing projects in Puerto Rico and Miami Beach, Díaz found herself caught between extremes. As her family split apart and her mother battled schizophrenia, she was supported by the love of her friends. As she longed for a family and home, her life was upended by violence. As she celebrated her Puerto Rican culture, she couldn't find support for her burgeoning sexual identity. From her own struggles with depression and sexual assault to Puerto Rico's history of colonialism, every page of *Ordinary Girls* vibrates with music and lyricism. Díaz writes with raw and refreshing honesty, triumphantly mapping a way out of despair toward love and hope to become her version of the girl she always wanted to be. Reminiscent of Tara Westover's *Educated*, Kiese Laymon's *Heavy*, Mary Karr's *The Liars' Club*, and Terese Marie Mailhot's *Heart Berries*, Jaquira Díaz's memoir provides a vivid portrait of a life lived in (and beyond) the borders of Puerto Rico and its complicated history—and reads as electrically as a novel.

They Called Her Reckless Janet Barrett.2013-10-23 When the U.S. Marine Fifth Regiment's Recoilless Rifle Platoon acquired a small Korean pony to haul ammunition up the steep hills to the front lines, they got a real-life warhorse, the courageous and indomitable Reckless, who stood with her buddies for two years during the Korean War, saving lives, raising spirits, and winning the love and respect of all who knew her.

Battle Cry .2016

The Mirror Test J. Kael Weston.2017-04-04 A New York Times Editors' Choice A Military Times Best Book of the Year J. Kael Weston spent seven years on the ground in Iraq and Afghanistan working for the U.S. State Department. Upon returning home, traveling throughout the United States to pay his respects to the dead and wounded, he wondered what lessons, if any, could be learned from these wars. In this essential book, Weston questions, interprets, and explains our wars in the Middle East through a tapestry of voices—Iraqi, Afghan, and American—taking readers across California and Fallujah, Khost and Colorado. Along the way we meet generals, corporals, and captains, former Taliban fighters, Afghan schoolteachers, SEAL teams, imams, and many Marines. When will these wars end? How will they be remembered? Perhaps no one is better suited to tackle these important questions than Weston. *The Mirror Test* is an unflinching look at warfare and diplomacy, and a necessary reckoning with America's actions abroad.

The New Breed Andrew Geer.2017-07-31 As a Marine combat veteran and a successful writer of fiction and non-fiction, Andrew Geer was ideally suited to tell this story of the U.S. Marines in Korea. In preparing this book, which was first published in 1952, Geer had access to the complete file of

Marine combat reports and was able to gather material at first hand as an active Marine field officer during the dreadful winter, spring and summer of 1950-51 in Korea. He interviewed 697 Marines individually in preparing this history. "Military history generally deals with campaigns; with the factors affecting the situation; with the decisions of higher commanders; and with an analysis of the results accomplished. The human reactions of the thousands of lesser actors are as a rule painted with a broad brush only. The details are usually left to the historical novel or quasi-historical novel. Yet the actual story is far more convincing than any fictional account. What Andrew Geer has done in *The New Breed* is to picture vividly the real-life, not fictional, Marine, as he fought the bitter battles of the Naktong, struggled with the mud flats and sea walls of Inchon, crushed the enemy barricades in Seoul, and cut his way through a Chinese army from the Chosin Reservoir to the sea. In telling this detailed story, however, Major Geer has not neglected the broad picture. *The New Breed* is a definite contribution to the history of the Korean War."—OLIVER P. SMITH, Major-General, U.S. Marine Corps

Fiasco Thomas E. Ricks.2006-07-25 Finalist for the Pulitzer Prize • One of the Washington Post Book World's 10 Best Books of the Year • Time's 10 Best Books of the Year • USA Today's Nonfiction Book of the Year • A New York Times Notable Book Staggeringly vivid and persuasive . . . absolutely essential reading. —Michiko Kakutani, *The New York Times* The best account yet of the entire war. —Vanity Fair The definitive account of the American military's tragic experience in Iraq *Fiasco* is a masterful reckoning with the planning and execution of the American military invasion and occupation of Iraq through mid-2006, now with a postscript on recent developments. Ricks draws on the exclusive cooperation of an extraordinary number of American personnel, including more than one hundred senior officers, and access to more than 30,000 pages of official documents, many of them never before made public. Tragically, it is an undeniable account—explosive, shocking, and authoritative—of unsurpassed tactical success combined with unsurpassed strategic failure that indicts some of America's most powerful and honored civilian and military leaders.

Reckless Andrew Clare Geer.1955

Sgt. Reckless, the War Horse Melissa Higgins.2014-07-01 Simple text and full-color illustrations describe the true story of Staff Sergeant Reckless, the Korean War horse--

On Full Automatic William V Taylor, Jr.2021-07-09 Vietnam 1967-68 Eighteen-year-old Marine recruit William V. Taylor Jr. and his brother Marines are assembled into a new reactionary force that is immediately tested in the fire of a bloody conflict known as Operation Beaver Cage. After a traumatic first fight, they push through back-to-back operations with little time to rest or reflect. Those who survive will return home ensnared by everlasting memories of a real, but entirely surreal nightmare. Now after more than fifty years of holding everything in, Taylor shares his experience in explicit and often horrific detail and with a reverent honor for those Marines who did not live to tell the tale. Taylor reveals what it truly means to walk the path of a warrior, to sacrifice, and to live a lifetime with the memories of a war-seeking answers to the question, Was it worth it?

Sergeant Reckless: Hero War Horse Loren Spiotta-DiMare.2021-12 True story of a heroic horse who served with the Marines during the Korean War.

Japan 1941 Eri Hotta.2013-10-29 A groundbreaking history that considers the attack on Pearl Harbor from the Japanese perspective and is certain to revolutionize how we think of the war in the Pacific. When Japan launched hostilities against the United States in 1941, argues Eri Hotta, its leaders, in large part, understood they were entering a war they were almost certain to lose. Drawing on material little known to Western readers, and barely explored in depth in Japan itself, Hotta poses an essential question: Why did these men—military men, civilian politicians, diplomats, the emperor—put their country and its citizens so unnecessarily in harm's way? Introducing us to the doubters, schemers, and would-be patriots who led their nation into this conflagration, Hotta brilliantly shows us a Japan rarely glimpsed—eager to avoid war but fraught with tensions with the West, blinded by reckless militarism couched in traditional notions of pride and honor, tempted by the gambler's dream of scoring the biggest win against impossible odds and nearly escaping disaster before it finally proved inevitable. In an intimate account of the increasingly heated debates and doomed diplomatic overtures preceding Pearl Harbor, Hotta reveals just how divided Japan's leaders were, right up to (and, in fact, beyond) their eleventh-hour decision to attack. We see a ruling cadre rich in regional ambition and hubris: many of the same leaders seeking to avoid war with the United States continued to adamantly advocate Asian expansionism, hoping to advance, or at least maintain, the occupation of China that began in 1931, unable to end the second Sino-Japanese War and unwilling to acknowledge Washington's hardening disapproval of their continental incursions. Even as Japanese diplomats continued to negotiate with the Roosevelt administration, Matsuoka Yosuke, the egomaniacal foreign minister who relished paying court to both Stalin and Hitler, and his facile supporters cemented Japan's place in the fascist alliance with Germany and Italy—unaware (or unconcerned) that in so doing they destroyed the nation's bona fides with the West. We see a dysfunctional political system in which military leaders reported to both the civilian government and the emperor, creating a structure that facilitated intrigues and stoked a jingoistic rivalry between Japan's army and navy. Roles are recast and blame reexamined as Hotta analyzes the actions and motivations of the hawks and skeptics among Japan's elite. Emperor Hirohito and General Hideki Tojo are newly appraised as we discover how the two men fumbled for a way to avoid war before finally acceding to it. Hotta peels back seventy years of historical mythologizing—both Japanese and Western—to expose all-too-human Japanese leaders torn by doubt in the months preceding the attack, more concerned with saving face than saving lives, finally drawn into war as much by incompetence and lack of political will as by bellicosity. An essential book for any student of the Second World War, this compelling reassessment will forever change the way we remember those days of infamy.

The Marine Corps Way: Using Maneuver Warfare to Lead a Winning Organization Jason A. Santamaria,Vicent Martino,Eric K.

Clemons.2005-06-24 Here are leadership strategies designed for the battlefield, adapted to the boardroom, using maneuver warfare to lead a winning organization.

War Horse Michael Morpurgo.2012-02-01 An e-book edition of *War Horse* with movie stills, behind-the-scenes photos, storyboards, and more! In 1914, Joey, a beautiful bay-red foal with a distinctive cross on his nose, is sold to the army and thrust into the midst of the war on the Western Front. With his officer, he charges toward the enemy, witnessing the horror of the battles in France. But even in the desolation of the trenches, Joey's courage touches the soldiers around him and he is able to find warmth and hope. But his heart aches for Albert, the farmer's son he left behind. Will he ever see his true master again?

Reckless Pride of the Marines - Scholar's Choice Edition Andrew Geer.2015-02-15 This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. The Dichotomy of Leadership Jocko Willink,Leif Babin.2018-09-25 THE INSTANT #1 NATIONAL BESTSELLER From the #1 New York Times bestselling authors of *Extreme Ownership* comes a new and revolutionary approach to help leaders recognize and attain the leadership balance

crucial to victory. With their first book, *Extreme Ownership* (published in October 2015), Jocko Willink and Leif Babin set a new standard for leadership, challenging readers to become better leaders, better followers, and better people, in both their professional and personal lives. Now, in *THE DICHOTOMY OF LEADERSHIP*, Jocko and Leif dive even deeper into the uncharted and complex waters of a concept first introduced in *Extreme Ownership*: finding balance between the opposing forces that pull every leader in different directions. Here, Willink and Babin get granular into the nuances that every successful leader must navigate. Mastering the Dichotomy of Leadership requires understanding when to lead and when to follow; when to aggressively maneuver and when to pause and let things develop; when to detach and let the team run and when to dive into the details and micromanage. In addition, every leader must:

- Take *Extreme Ownership* of everything that impacts their mission, yet utilize Decentralize Command by giving ownership to their team.
- Care deeply about their people and their individual success and livelihoods, yet look out for the good of the overall team and above all accomplish the strategic mission.
- Exhibit the most important quality in a leader—humility, but also be willing to speak up and push back against questionable decisions that could hurt the team and the mission.

With examples from the authors' combat and training experiences in the SEAL teams, and then a demonstration of how each lesson applies to the business world, Willink and Babin clearly explain *THE DICHOTOMY OF LEADERSHIP*—skills that are mission-critical for any leader and any team to achieve their ultimate goal: VICTORY.

Code Talker Joseph Bruchac.2006-07-06 Readers who choose the book for the attraction of Navajo code talking and the heat of battle will come away with more than they ever expected to find.—Booklist, starred review Throughout World War II, in the conflict fought against Japan, Navajo code talkers were a crucial part of the U.S. effort, sending messages back and forth in an unbreakable code that used their native language. They braved some of the heaviest fighting of the war, and with their code, they saved countless American lives. Yet their story remained classified for more than twenty years. But now Joseph Bruchac brings their stories to life for young adults through the riveting fictional tale of Ned Begay, a sixteen-year-old Navajo boy who becomes a code talker. His grueling journey is eye-opening and inspiring. This deeply affecting novel honors all of those young men, like Ned, who dared to serve, and it honors the culture and language of the Navajo Indians. An ALA Best Book for Young Adults Nonsensational and accurate, Bruchac's tale is quietly inspiring...—School Library Journal

War Animals Robin Hutton.2018-09-18 This book will delight both animal lovers and military buffs! — Elizabeth Letts, bestselling author of *The Eighty Dollar Champion* Millions rallied to the cause of freedom against Nazism and the menace of Imperial Japan. But did you know that some of those heroes had fur, or feathers? War animals guarded American coasts against submarine attack, dug out Londoners trapped in bomb wreckage, and carried vital messages under heavy fire on Pacific islands. They kept up morale, rushed machine gun nests, and even sacrificed themselves picking up live grenades. Now Robin Hutton, the bestselling author of *Sgt. Reckless: America's War Horse*, tells the heart-warming stories of the dogs, horses, mules, pigeons—and even one cat—who did their bit for the war effort. American and British families volunteered beloved family pets and farm dogs to aid in the war effort; Americans, including President Roosevelt, bought honorary commissions in the reserves for lapdogs and other pets not suitable for military duties to “exempt” them from war service and raise money to defeat Hitler and Tojo. Many of these gallant animals are recipients of the prestigious PDSA Dickin Medal, the “Animals' Victoria Cross.” In *War Animals: The Unsung Heroes of World War II* you'll meet: - Judy, the POW dog who helped her beloved human survive brutal Japanese prison camps -Cher Ami, the pigeon who nearly died delivering a message that saved American troops from death by friendly fire -Beauty, the “digging dog” who sniffed out Londoners buried in the wreckage of the Blitz—along with pets, including one goldfish still in its bowl! -Olga, the horse who braved shattering glass to do her duty in London bombings - Smoky, the Yorkshire terrier who did parachute jumps, laid communications wire through a pipe so small only she could navigate it, became the first therapy dog—and starred on a weekly TV show after the War -Simon, the war cat whose campaign against the “Mao Tse Tung” of the rat world saved food supplies and his ship's crew -Chips, who guarded Roosevelt and Churchill during the Casablanca Conference, and the only dog to earn a Silver Star for his heroics The shining loyalty and courage of these heroes is a testimony to the enduring bond between us and the animals we love.

Gooch's Marines Lou Giaffo.2013-05-15 GOOCH'S MARINES is a complete history of the United States Marine Corps, starting some forty years before the American Revolution, with a special regimental unit commissioned by colonial Governor William Gooch, under orders of King George II, to serve with the British Royal Marines, under the command of Lawrence Washington (elder half-brother of George Washington), in a campaign against the Spanish in the West Indies. Although they were formed in 1775, a year before the Declaration of Independence in 1776, they were not officially designated as U.S. Marines until commissioned by the Continental Congress and served as Continental U.S. Marines during the American Revolutionary War. The rest is history, as they established their military tradition, warriors generally conceded by military historians as second to none. It can also be said of U.S. Marine Corps that they were essentially the first U.S. Special Forces, selected originally for special assignments. They have prevailed in all of their military campaigns, despite the cost they've had to pay in blood. The Marines proudly attribute this tradition to their superior command structure, starting with raw recruits in boot camp, along with its officer corps coming out of the U.S. Naval Academy, and ROTC college campuses. Some are selected from its enlisted ranks for U.S. Marine Corps Officer Training School, while others, who display leadership and courage under fire, are given battlefield commissions. About the Author: Born in Boston, Massachusetts and raised in Hartford, Connecticut, Lou Giaffo's life can be summed up in three words: art, teaching and writing. After serving in the U.S. Marine Corps for three years, Lou attended art school for three years. He then headed to New York City to pursue his career as a commercial artist. Lou enrolled in the local community college, Queensborough Community College for his associate's degree. He then went on to Queen's College, for his bachelor's degree, and then his master's degree in education at Austin Peay State University in Clarksville, Tennessee, while working full-time as an art specialist. Lou considers his greatest accomplishment to be his son, Jason Lou Giaffo.

Marine Corps Values United States Marine Corps.2005 The User's Guide to Marine Corps Values is to be used as a tool to help ensure that the values of the Corps continue to be reinforced and sustained in all Marines after being formally instilled in entry level training. This document is a compendium of discussion guides developed and used by Marine Corps formal schools. The guides are part of the formal inculcation of values in young Marines, enlisted and officer, during the entry level training process. This guide is designed to be used as a departure point for discussing the topics as a continuation of the process of sustaining values within the Marine Corps. The User's Guide also serves as a resource for leaders to understand the talk and the walk expected of them as leaders. New graduates of the Recruit Depots and The Basic School have been exposed to these lessons and expect to arrive at their first duty assignments and MOS schools to find these principles and standards exhibited in the Marines they encounter. Leaders must remember that as long as there is but one Marine junior to them, they are honor bound to uphold the customs and traditions of the Corps and to always walk the walk and talk the talk. We are the parents and older siblings of the future leaders of the Marine Corps. America is depending on us to ensure the Marines of tomorrow are ready and worthy of the challenges of this obligation. Teaching, reinforcement, and sustainment of these lessons can take place in the field, garrison, or formal school setting. Instructional methodology and media may vary depending on the environment and location of the instruction. However, environment should not be considered an obstacle to the conduct or quality of the instruction. This guide has been developed as a generic, universal training tool that is applicable to all Marines regardless of grade. Discussion leaders should include personal experiences that contribute to the development of the particular value or leadership lesson being di

Lee Marvin Dwayne Epstein.2013-01-01 The first full-length, authoritative, and detailed story of the iconic actor's life to go beyond the Hollywood scandal-sheet reporting of earlier books, this account offers an appreciation for the man and his acting career and the classic films he starred in, painting a portrait of an individual who took great risks in his acting and career. Although Lee Marvin is best known for his icy tough guy roles—such as his chilling titular villain in *The Man Who Shot Liberty Valance* or the paternal yet brutally realistic platoon leader in *The Big Red One*—very little is known of his personal life; his family background; his experiences in WWII; his relationship with his father, family, friends, wives; and his ongoing battles with alcoholism, rage, and depression, occasioned by his postwar PTSD. Now, after years of researching and compiling interviews with family members, friends, and colleagues; rare photographs; and illustrative material, Hollywood writer Dwayne Epstein provides a full understanding and appreciation of this acting titan's place in the Hollywood pantheon in spite of his very real and human struggles.

Cobra II Michael R. Gordon, Bernard E. Trainor.2006-03-14 Written by the chief military correspondent of the New York Times and a prominent

retired Marine general, this is the definitive account of the invasion of Iraq. A stunning work of investigative journalism, *Cobra II* describes in riveting detail how the American rush to Baghdad provided the opportunity for the virulent insurgency that followed. As Gordon and Trainor show, the brutal aftermath was not inevitable and was a surprise to the generals on both sides. Based on access to unseen documents and exclusive interviews with the men and women at the heart of the war, *Cobra II* provides firsthand accounts of the fighting on the ground and the high-level planning behind the scenes. Now with a new afterword that addresses what transpired after the fateful events of the summer of 2003, this is a peerless re-creation and analysis of the central event of our times.

Reckless Pride of the Marines - Primary Source Edition Andrew Geer.2014-03-13 This is a reproduction of a book published before 1923. This book may have occasional imperfections such as missing or blurred pages, poor pictures, errant marks, etc. that were either part of the original artifact, or were introduced by the scanning process. We believe this work is culturally important, and despite the imperfections, have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide. We appreciate your understanding of the imperfections in the preservation process, and hope you enjoy this valuable book.

FM 21-11 First Aid for Soldiers United States. War Department.2018-10-20 FM 21-11 1943: Basic field manual, first aid for soldiers.(OBSOLETE) The purpose of this manual is to teach the soldier what he can do for himself or a fellow soldier if injury or sickness occurs when no medical officer or Medical Department soldier is nearby. Information is also given concerning the use of certain supplies which are for the purpose of helping to keep well. This field manual addresses wounds, fractures/dislocations/ sprains, common emergencies and health measures, effects of severe cold and heat, measures for use in the jungle/tropics and in aircraft and tank injuries, transportation of sick and injured, war gases, and description and uses of first-aid kits and packets.

Sgt. Reckless Robin Hutton.2014-10-20 Amid an inferno of explosives on a deadly minefield in the Korean War, a four-legged Marine proved to be a heroic force of nature. She moved headstrong up and down steep, smoky terrain that no man could travail confidently. In a single day, this small Mongolian mare made fifty-one round-trips carrying nearly five tons of explosives to various gun sites. Sergeant Reckless was her name, and she was the horse renowned for carrying wounded soldiers on and off the battlefield and making solo trips across combat zones to deliver supplies. A widely celebrated national hero, Reckless was first featured in 1954 in the *Saturday Evening Post* and more recently in 1997 when *LIFE* magazine published an edition lauding history's one hundred all-time heroes. Equine enthusiast Robin Hutton learned about Sergeant Reckless and spearheaded the effort to commission a monument at the National Museum of the Marine Corps in Triangle (Quantico), VA. In July of 2013, the statue was unveiled. A second monument is planned for Camp Pendleton, where Reckless lived out her days and is buried. Hutton has now written the first-ever full biography of Sergeant Reckless, who earned two Purple Hearts for her heroic efforts (among other military decorations). Hutton has spoken with the Marines who fought alongside Reckless and tells the complete and captivating tale of how a would-be Korean racehorse became one of the greatest Marine wartime heroes. Sgt. Reckless brings the legend back to life more than half a century later.

Extreme Ownership Jocko Willink,Leif Babin.2017-11-21 An updated edition of the blockbuster bestselling leadership book that took America and the world by storm, two U.S. Navy SEAL officers who led the most highly decorated special operations unit of the Iraq War demonstrate how to apply powerful leadership principles from the battlefield to business and life. Sent to the most violent battlefield in Iraq, Jocko Willink and Leif Babin's SEAL task unit faced a seemingly impossible mission: help U.S. forces secure Ramadi, a city deemed "all but lost." In gripping firsthand accounts of heroism, tragic loss, and hard-won victories in SEAL Team Three's Task Unit Bruiser, they learned that leadership—at every level—is the most important factor in whether a team succeeds or fails. Willink and Babin returned home from deployment and instituted SEAL leadership training that helped forge the next generation of SEAL leaders. After departing the SEAL Teams, they launched Echelon Front, a company that teaches these same leadership principles to businesses and organizations. From promising startups to Fortune 500 companies, Babin and Willink have helped scores of clients across a broad range of industries build their own high-performance teams and dominate their battlefields. Now, detailing the mind-set and principles that enable SEAL units to accomplish the most difficult missions in combat, *Extreme Ownership* shows how to apply them to any team, family or organization. Each chapter focuses on a specific topic such as Cover and Move, Decentralized Command, and Leading Up the Chain, explaining what they are, why they are important, and how to implement them in any leadership environment. A compelling narrative with powerful instruction and direct application, *Extreme Ownership* revolutionizes business management and challenges leaders everywhere to fulfill their ultimate purpose: lead and win.

The Way of the Knife Mark Mazzetti.2013-04-09 "The new American way of war is here, but the debate about it has only just begun. In *The Way of the Knife*, Mr Mazzetti has made a valuable contribution to it." —The Economist A Pulitzer Prize-winning reporter's riveting account of the transformation of the CIA and America's special operations forces into man-hunting and killing machines in the world's dark spaces: the new American way of war The most momentous change in American warfare over the past decade has taken place away from the battlefields of Afghanistan and Iraq, in the corners of the world where large armies can't go. *The Way of the Knife* is the untold story of that shadow war: a campaign that has blurred the lines between soldiers and spies and lowered the bar for waging war across the globe. America has pursued its enemies with killer drones and special operations troops; trained privateers for assassination missions and used them to set up clandestine spying networks; and relied on mercurial dictators, untrustworthy foreign intelligence services, and proxy armies. This new approach to war has been embraced by Washington as a lower risk, lower cost alternative to the messy wars of occupation and has been championed as a clean and surgical way of conflict. But the knife has created enemies just as it has killed them. It has fomented resentments among allies, fueled instability, and created new weapons unbound by the normal rules of accountability during wartime. Mark Mazzetti tracks an astonishing cast of characters on the ground in the shadow war, from a CIA officer dropped into the tribal areas to learn the hard way how the spy games in Pakistan are played to the chain-smoking Pentagon official running an off-the-books spy operation, from a Virginia socialite whom the Pentagon hired to gather intelligence about militants in Somalia to a CIA contractor imprisoned in Lahore after going off the leash. At the heart of the book is the story of two proud and rival entities, the CIA and the American military, elbowing each other for supremacy. Sometimes, as with the raid that killed Osama bin Laden, their efforts have been perfectly coordinated. Other times, including the failed operations disclosed here for the first time, they have not. For better or worse, their struggles will define American national security in the years to come.

Lost Soldiers James Webb.2002-08-27 Once in a great while there comes a novel of such emotional impact and acute insight that it forever changes the way a reader sees a nation or an era. Writing with an unerring sense of suspense and of history experienced firsthand, James Webb takes us on a myth-shattering cultural odyssey deep into the heart of contemporary Vietnam, with a riveting thriller that tells a love story — love for those who perished, for family and friends, and between a soldier and the land where he had always been ready to die. Brandon Condley survived five years of combat as a U.S. Marine only to lose the woman he loved to an enemy assassin. Now he is back in Vietnam, working to recover the remains of unknown American soldiers. On a routine mission, Condley finds a body that doesn't match its dog tags — a body that propels him into a vortex of violence and intrigue where past and present become one. As the mystery of the dead man unravels, a link is revealed to two well-known killers: "Salt and Pepper," a pair of treasonous Americans who led a deadly Viet Cong ambush against Condley's own men. Galvanized by a fresh trail to these long-lost deserters, Condley has finally found a purpose: Under the auspices of his government job, he is going to hunt down the traitors. On his own, he is going to kill them. Condley's hunt cannot be kept secret from his former enemies, or his friends. And in the shadows that linger from Vietnam's long season of darkness and terror, he has no way of knowing which side is more dangerous. Surrounding him is an unforgettable cast of characters: Dzung, Condley's closest friend, a South Vietnamese war hero who might have led his country if his side had won the war, now reduced to driving a cyclo as his family starves in Saigon's District Four. Colonel Pham, a battle-hardened Viet Cong soldier who lost three children to American bombs. Manh, a cutthroat Interior Ministry official who blackmails Dzung into a mission of murder. The Russian soldier Anatolie Petrushinsky, who left his soul in Vietnam as his empire collapsed around him. And the beautiful Van, Colonel Pham's daughter, who spurns the scars of war as she pursues her dreams of freedom. As Condley stalks his elusive prey across old battlefields and throughout Eurasia, returning always to the brooding streets of

Saigon, his mission — and the odds of his surviving it — grow more precarious with each step he takes toward the truth. *Lost Soldiers* captures the Vietnam of past and present — its beauty and squalor, its politics and people. Propelled by a page-turning mystery, shot through with adventure and intrigue, it irrevocably transforms our view of that haunted land and brings us as complete an understanding as we will ever have of what happened after the war — and why. No writer today is more qualified to take us into that world than James Webb.

The Frozen Chosen Thomas McKelvey Cleaver.2016-07-28 In November 1950 The US 1st Marine Division was trapped in the Chosin Reservoir following the intervention of Red China in the Korean War. Fought during the worst blizzard in a century, the ensuing battle is considered by the United States Marine Corps to be 'the Corps' Finest Hour.' The soldiers who fought there would later become known as the 'Frozen Chosen'. Published now in paperback, this incredible story is based on first hand interviews from surviving veterans, telling of heroism and bravery in the face of overwhelming odds, as a handful of Marines fought desperately against wave after wave of Chinese forces. Sometimes forced into desperate hand to hand combat, the fighting retreat from Chosin marked one of the darkest moments for Western forces in Korea, but would go on to resonate with generations of Marines as a symbol of the Marine Corps' dogged determination, fighting skill, and never-say-die attitude on the battlefield.

Sergeant Reckless Patricia McCormick.2020-09-15 The inspiring true story of Reckless, the brave little horse who became a Marine. This nonfiction picture book is an excellent choice to share during homeschooling, in particular for children ages 4 to 6. It's a fun way to learn to read and as a supplement for activity books for children. When a group of US Marines fighting in the Korean War found a bedraggled mare, they wondered if she could be trained to as a packhorse. They had no idea that the skinny, underfed horse had one of the biggest and bravest hearts they'd ever known. And one of the biggest appetites! Soon Reckless showed herself more than willing to carry ammunition too heavy for the soldiers to haul. As cannons thundered and shells flew through the air, she marched into battle--again and again--becoming the only animal ever to officially hold military rank--becoming Sgt. Reckless--and receive two Purple Hearts. This is the first picture book from award-winning novelist Patricia McCormick, sumptuously illustrated by acclaimed artist Iacopo Bruno.

The Fleet at Flood Tide James D. Hornfischer.2017-11-14 NEW YORK TIMES BESTSELLER • The extraordinary story of the World War II air, land, and sea campaign that brought the U.S. Navy to the apex of its strength and marked the rise of the United States as a global superpower Winner, Commodore John Barry Book Award, Navy League of the United States • Winner, John Lehman Distinguished Naval Historian Award, Naval Order of the United States With its thunderous assault on the Mariana Islands in June 1944, the United States crossed the threshold of total war. In this tour de force of dramatic storytelling, distilled from extensive research in newly discovered primary sources, James D. Hornfischer brings to life the campaign that was the fulcrum of the drive to compel Tokyo to surrender—and that forever changed the art of modern war. With a close focus on high commanders, front-line combatants, and ordinary people, American and Japanese alike, Hornfischer tells the story of the climactic end of the Pacific War as has never been done before. Here are the epic seaborne invasions of Saipan, Tinian, and Guam, the stunning aerial battles of the Great Marianas Turkey Shoot, the first large-scale use of Navy underwater demolition teams, the largest banzai attack of the war, and the daring combat operations large and small that made possible the strategic bombing offensive culminating in the atomic strikes on Hiroshima and Nagasaki. From the seas of the Central Pacific to the shores of Japan itself, *The Fleet at Flood Tide* is a stirring, authoritative, and cinematic portrayal of World War II's world-changing finale. Illustrated with original maps and more than 120 dramatic photographs “Quite simply, popular and scholarly military history at its best.”—Victor Davis Hanson, author of *Carnage and Culture* “The dean of World War II naval history . . . In his capable hands, the story races along like an intense thriller. . . . Narrative nonfiction at its finest—a book simply not to be missed.”—James M. Scott, *Charleston Post and Courier* “An impressively lucid account . . . admirable, fascinating.”—*The Wall Street Journal* “An extraordinary memorial to the courageous—and a cautionary note to a world that remains unstable and turbulent today.”—Admiral James Stavridis, former Supreme Allied Commander, NATO, author of *Sea Power* “A masterful, fresh account . . . ably expands on the prior offerings of such classic naval historians as Samuel Eliot Morison.”—*The Dallas Morning News*

Strategy Strikes Back Max Brooks,John Amble,M. L. Cavanaugh,Jaym Gates.2018-05 The most successful film franchise of all time, Star Wars thrillingly depicts an epic multigenerational conflict fought a long time ago in a galaxy far, far away. But the Star Wars saga has as much to say about successful strategies and real-life warfare waged in our own time and place. *Strategy Strikes Back* brings together over thirty of today's top military and strategic experts, including generals, policy advisors, seasoned diplomats, counterinsurgency strategists, science fiction writers, war journalists, and ground-level military officers, to explain the strategy and the art of war by way of the Star Wars films. Each chapter of *Strategy Strikes Back* provides a relatable, outside-the-box way to simplify and clarify the complexities of modern military conflict. A chapter on the case for planet building on the forest moon of Endor by World War Z author Max Brooks offers a unique way to understand our own sustained engagement in war-ravaged societies such as Afghanistan. Another chapter on the counterinsurgency waged by Darth Vader against the Rebellion sheds light on the logic behind past military incursions in Iraq. Whether using the destruction of Alderaan as a means to explore the political implications of targeting civilians, examining the pivotal decisions made by Yoda and the Jedi Council to differentiate strategic leadership in theory and in practice, or considering the ruthlessness of Imperial leaders to explain the toxicity of top-down leadership in times of war and battle, *Strategy Strikes Back* gives fans of Star Wars and aspiring military minds alike an inspiring and entertaining means of understanding many facets of modern warfare. It is a book as captivating and enthralling as Star Wars itself.

Sgt. Reckless Robin Hutton.2014-07-28 New York Times Bestseller! She wasn't a horse—she was a Marine. She might not have been much to look at—a small Mongolian mare, they called her—but she came from racing stock, and had the blood of a champion. Much more than that, Reckless became a war hero—in fact, she became a combat Marine, earning staff sergeant's stripes before her retirement to Camp Pendleton. This once famous horse, recognized as late as 1997 by *Life Magazine* as one of America's greatest heroes—the greatest war horse in American history, in fact—has unfortunately now been largely forgotten. But author Robin Hutton is set to change all that. Not only has she been the force behind recognizing Reckless with a monument at the National Museum of the Marine Corps and at Camp Pendleton, but she has now recorded the full story of this four-legged war hero who hauled ammunition to embattled Marines and inspired them with her relentless, and reckless, courage.

This is likewise one of the factors by obtaining the soft documents of this **Reckless Pride Of The Marines** by online. You might not require more period to spend to go to the books start as capably as search for them. Reckless Pride Of The Marines Introduction

In today's digital age, the availability of Reckless Pride Of The Marines books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Reckless Pride Of The Marines books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Reckless Pride Of The Marines books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Reckless Pride Of The Marines versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Reckless Pride Of The Marines books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any

subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Reckless Pride Of The Marines books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Reckless Pride Of The Marines books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Reckless Pride Of The Marines books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Reckless Pride Of The Marines books and manuals for download and embark on your journey of knowledge?
