Trouble is a Friend of Mine Stephanie Tromly. 2015-08-04 Sherlock meets Veronica Mars meets Ferris Bueller's Day Off in this story of a wisecracking girl who meets a weird but brilliant boy and their roller-coaster of a semester that's one part awkward, three parts thrilling, and five parts awesome. When Philip Digby first shows up on her doorstep, Zoe Webster is not impressed. He's rude and he treats her like a book he's already read and knows the ending to. But before she knows it, Digby—annoying, brilliant and somehow...attractive? Digby—has dragged her into a series of hilarious and dangerous situations all related to an investigation into the kidnapping of a local teenage girl. A kidnapping that may be connected to the tragic disappearance of his own sister eight years ago. When it comes to Digby, Zoe just can't say no. Digby gets her, even though she barely gets herself. But is Digby a hero, or is his manic quest an indication of a desperate attempt to repair his broken family and exercise his own obsessive compulsive tendencies? A romance where the leading man is decidedly unromantic, a crime novel where catching the crook isn't the only hook, a friendship story where they aren't even sure they like each other—this is a contemporary debut with razor-sharp dialogue, ridiculously funny action, and the most charismatic dynamic duo you've ever met.

The Real Werewives of Colorado Box Set Vol. 2 Books 4-6 Kristen Strassel. Join *The Real Werewives* for this fun and STEAMY season on Colorado Ranch and follow each couple as they find true love after forty. Meet the contestants: Instant Mate Hi, I'm Blaire. I've never shied away from a challenge, so when my sister suggests I apply for *The Real Werewives*, I send in an audition video. What are my chances of getting picked? I'm forty and a former racecar driver with a taste for controversy. But a wolf on Colorado Ranch actually chose me as his forever mate. Austin's got a competitive streak that gets my motor running. We dare each other to see who can come up with the best date, but soon I learn this sexy cowboy had his former life ripped away from him. I'm determined to help him heal his wounds because our over-the-top dates might be the only thing that can save Colorado Ranch. This is one challenge I absolutely can't refuse. Rebel Mate Hi, I'm Roxy. Everyone assumes I applied to *The Real Werewives* to find the love of my life, but I came to tell my side of the story--it's time my voice is heard. At one time, I was America's Sweetheart. I starred in movie after movie and won major awards all before the age of ten. Everyone thought my life was perfect. That was until I emancipated from my parents and woke up in Vegas married to the world's most notorious rock star wolf. We weren't in love, and it didn't last. It was a cry for help. The scandal got attention—the wrong kind. Directors refused to return my phone calls, and the press went from Princess Roxy to Poor Roxy overnight. It's been almost twenty-five years since my fall from grace, and I want to set the record straight. Turns out, there's been a sweet cowboy wolf waiting for me on Colorado Ranch all this time. He says he's always known I was his mate, and he wants to give me the home and family that's become my dream. Hollywood? I don't need them anymore. But that rock star from my past? He just might get the last word. Surprise Mate Hi, I'm Tina. I came to *The Real Werewives* to help the wolf get the girl. But I never planned to be that girl. Taking this job was risky. From the start, it was more than another gig. I had something to prove as much as the wolves on Colorado Ranch—that a pack could take human mates and make it last forever. My plan was to produce the shows, and never let any of them know why this meant so much to me before I went onto the next job. Now we're on the last episode. Sterling is one confused wolf. He's brought many *Werewives* to the ranch, and now he's decided I'm his mate. There's no way I can be. Or can I? This wild wolf wants to break down the walls I've built around my heart and teach me a thing or two about myself. But there's a reason I've been running, and I can't fall for him. If history repeats itself, I could be the downfall of this pack.
