Children's Literature in Translation Jan Van Coillie, Jack McMartin. 2020-10-30 For many of us, our earliest and most meaningful experiences with literature occur through the medium of a translated children's book. This volume focuses on the complex interplay that happens between text and context when works of children's literature are translated: what contexts of production and reception account for how translated children's books come to be made and read as they are? How are translated children's books adapted to suit the context of a new culture? Spanning the disciplines of Children's Literature Studies and Translation Studies, this book brings together established and emerging voices to provide an overview of the analytical, empirical and geographic richness of current research in this field and to identify and reflect on common insights, analytical perspectives and trajectories for future interdisciplinary research. This volume will appeal to an interdisciplinary audience of scholars and students in Translation Studies and Children's Literature Studies and related disciplines. It has a broad geographic and cultural scope, with contributions dealing with translated children's literature in the United Kingdom, the United States, Ireland, Spain, France, Brazil, Poland, Slovenia, Hungary, China, the former Yugoslavia, Sweden, Germany, and Belgium.

The Dragon Next Door Holly Day. 2021-09-25 Adrian Green's new next-door neighbor isn't really a dragon, but he does snarl an awful lot. The first time Adrian saw Lorcan Walsh, he knew he needed Adrian's help. Lorcan has a fractured leg and an empty apartment. Luckily, Adrian doesn't mind helping him fill his lair with gems, and Doris's second-hand shop has everything a dragon could possibly want. The problem is, Lorcan doesn't seem to want his apartment decorated, and sneaking presents past a grumpy

dragon isn't easy. All Adrian wants is to cheer Lorcan up, but when Lorcan's ex appears at the door, Adrian fears not even vintage coffee cups will get them their fairy-tale ending. What if the way to a dragon's heart isn't lined with treasures?

Body and Soul Food Abby Collette.2021-11-09 In this page-turning new mystery series, fraternal twins Keaton and Koby will pull double duty when they take down a killer while preparing to open their new bookstore and soul-food café, Books & Biscuits. When Koby Hill and Keaton Rutledge were orphaned at age two, they were separated, but their unbreakable connection lingered. Years later, they reunite and decide to make up for lost time and capitalize on their shared interests by opening up a well-stocked bookstore and cozy soul-food café in the quaint Pacific Northwest town of Timber Lake. But this new chapter of their lives could end on a cliffhanger after Koby's foster brother is found murdered. The murder, which occurred in public between light-rail stops, seems impossible for the police to solve. But as Keaton and Koby know, two heads are always better than one, especially when it comes to mysteries. With just a week to go before the grand opening of their new café, the twins will use their revitalized connection with each other to make sure this is the killer's final page.

The Concubine, the Princess, and the Teacher .2010-01-01 In the Western imagination, the Middle Eastern harem was a place of sex, debauchery, slavery, miscegenation, power, riches, and sheer abandon. But for the women and children who actually inhabited this realm of the imperial palace, the reality was vastly different. In this collection of translated memoirs, three women who lived in the Ottoman imperial harem in Istanbul between 1876 and 1924 offer a fascinating glimpse behind the veil into the lives of Muslim palace women of the late nineteenth and early twentieth centuries. The memoirists are Filizten, concubine to Sultan Murad V; Princess Ayse, daughter of Sultan Abdulhamid II; and Safiye, a schoolteacher who instructed the grandchildren and

harem ladies of Sultan Mehmed V. Their recollections of the Ottoman harem reveal the rigid protocol and hierarchy that governed the lives of the imperial family and concubines, as well as the hundreds of slave women and black eunuchs in service to them. The memoirists show that, far from being a place of debauchery, the harem was a family home in which polite and refined behavior prevailed. Douglas Brookes explains the social structure of the nineteenth-century Ottoman palace harem in his introduction. These three memoirs, written across a half century and by women of differing social classes, offer a fuller and richer portrait of the Ottoman imperial harem than has ever before been available in English.

Microshelters Derek “Deek” Diedricksen.2015-08-25 If you dream of living in a tiny house, or creating a getaway in the backwoods or your backyard, you’ll love this gorgeous collection of creative and inspiring ideas for tiny houses, cabins, forts, studios, and other microshelters. Created by a wide array of builders and designers around the United States and beyond, these 59 unique and innovative structures show you the limits of what is possible. Each is displayed in full-color photographs accompanied by commentary by the author. In addition, Diedricksen includes six sets of building plans by leading designers to help you get started on a microshelter of your own. You’ll also find guidelines on building with recycled and salvaged materials, plus techniques for making your small space comfortable and easy to inhabit.

Translating for Children Ritta Oittinen.2002-06 Translating for Children is not a book on translations of children's literature, but

a book on translating for children. It concentrates on human action in translation and focuses on the translator, the translation process, and translating for children, in particular. Translators bring to the translation their cultural heritage, their reading experience, and in the case of children's books, their image of childhood and their own child image. In so doing, they enter into a dialogic relationship that ultimately involves readers, the author, the illustrator, the translator, and the publisher. What makes *Translating for Children* unique is the special attention it pays to issues like the illustrations of stories, the performance (like reading aloud) of the books in translation, and the problem of adaptation. It demonstrates how translation and its context takes precedence can take over efforts to discover and reproduce the original author's intentions. Rather than the authority of the author, the book concentrates on the intentions of the readers of a book in translation, both the translator and the target-language readers.

Children's Literature in Translation Jan Van Coillie, Walter P. Verschueren. 2014-07-16 Children's classics from Alice in Wonderland to the works of Astrid Lindgren, Roald Dahl, J.K. Rowling and Philip Pullman are now generally recognized as literary achievements that from a translator's point of view are no less demanding than 'serious' (adult) literature. This volume attempts to explore the various challenges posed by the translation of children's literature and at the same time highlight some of the strategies that translators can and do follow when facing these challenges. A variety of translation theories and concepts are put to critical use, including Even-Zohar's polysystem theory, Toury's concept of norms, Venuti's views on foreignizing and domesticating translations and on the translator's (in)visibility, and Chesterman's prototypical approach. Topics include the ethics of translating for children, the importance of child(hood) images, the 'revelation' of the translator in prefaces, the role of translated children's books in

the establishment of literary canons, the status of translations in the former East Germany; questions of taboo and censorship in the translation of adolescent novels, the collision of norms in different translations of a Swedish children's classic, the handling of 'cultural intertextuality' in the Spanish translations of contemporary British fantasy books, strategies for translating cultural markers such as juvenile expressions, functional shifts caused by different translation strategies dealing with character names, and complex translation strategies used in dealing with the dual audience in Hans Christian Andersen's fairy tales and in Salman Rushdie's *Haroun and the Sea of Stories*.

The Hunger Gap Holly Day. 2021-05-15 After years of the government taking everything he grows, homesteader George Vega has had enough. Food is scarce and people are starving. To provide for himself, he'll need to break the law. Together with his next-door neighbor June, he sets up a system to hide food from the controller during his weekly collecting visits. Axel Rowe won't survive much longer. Every scrap of food he can get his hands on, he gives to his six-year-old daughter, but it isn't nearly enough. Luck is on his side when he secures a job as a controller. He realizes taking the job will make people dislike him, but he has to eat. George understands the danger he's in when his old, lazy controller is replaced with a new, more observant one. Axel suspects there is something George is withholding, but when George takes care of him after nearly collapsing from hunger, Axel is more curious about how he's able to keep food for himself than he's interested in reporting him. George knows the risk, but after having looked into Axel's desperate eyes, he's compelled to take care of him. But can an outlaw homesteader have a relationship with the man who's supposed to make sure he follows the law?

Athenian Black-Figure Cups from the Campana Collection in the National Archaeological Museum of Florence Pieter

Heesen,Mario Iozzo.2019 The volume presents 304 Athenian black-figure cups and fragments, predominantly Little-Master cups, once part of one of the largest private collections in 19th century, compiled by Giovanni Pietro Campana.For the first time, the entire group was systematically studied, resulting in new attributions, the discovery of unique scenes, as well as new joins, both within the Florence cluster of fragments as well as outside: illustrated in photo-reconstructions are the 49 connections and joins (so-called disiecta membra) that were found with fragments in other European collections, thus illustrating the unfortunate effects of the eventual dispersion of the Campana collection. The publication of this group of cups and fragments aims to further

The Invisible Choir Tessa Lynne.2017-09-04 *A Spiritual Journey - A Love Story - A Search for Truth* An extraordinary spiritual encounter has left psychotherapist Tessa Lynne in a quandary. Her intuition tells her to believe--her logical mind wants proof. A series of surreal events unfolds, forcing her to question her judgment and to examine her beliefs. Each time she thinks she knows the truth of her experience, she is tested again. Tessa is told of our life purpose, about life after death, and of a long-lost destiny, named Michael. Then she learns that he is dying. She reaches out to him spiritually and he sees her in a dream. They have visions of past lives, are surrounded by The Light. Is it possible that Michael might survive? Could their destinies be restored? Who holds that power? Events predicted to Tessa in 1995 have since come to pass. What she was told then resonates more strongly now, more than twenty years later. Discover why she was approached, learn more about the Invisible Choir, and use her story to reflect on the course of your own life journey.

Hop Hop, Carrot Top Holly Day.2021-01-09 Flynn Thomas is back in Hartley. His plan is to be out of there before anyone notices he's back. He left twenty years ago and promised himself he'd never have to face his childhood bullies or set foot in his bigoted hometown ever again. But it's been six months since his mother passed away, and someone has to clear out the house. Caspian Cook is out on a walk with his three dogs when he sees Flynn Thomas, at least he thinks it's Flynn Thomas. He never forgot the red-haired boy his brother used to harass, and he never forgot how he used to wonder if there were freckles underneath his clothes as well as on his face. Flynn mistakes Caspian for his childhood tormenter and flees. Caspian can guess why he's in such a hurry to get away, but he hasn't seen Flynn in twenty years, and if he allows him to run off, he fears he'll never see him again. Will spending time with Flynn be enough for him to forget who Caspian's brother is? Flynn needs help. He underestimated how much work it would be to move his mother's things. Caspian offers to give him a hand, but can he trust someone who looks like his worst nightmare?

Abortion and Contraception in Modern Greece, 1830-1967

Violetta Hionidou.2020-05-15 The book examines the history of abortion and contraception in Modern Greece from the time of its creation in the 1830s to 1967, soon after the Pill became available. It situates the history of abortion and contraception

Downloaded from

within the historiography of the fertility decline and the question of whether the decline was due to adjustment to changing social conditions or innovation of contraceptive methods. The study reveals that all methods had been in use for other purposes before they were employed as contraceptives. For example, Greek women were employing emmenagogues well before fertility was controlled; they did so in order to 'put themselves right' and to enhance their fertility. When they needed to control their fertility, they employed abortifacients, some of which were also emmenagogues, while others had been used as expellants in earlier times. Curettage was also employed since the late nineteenth century as a cure for sterility; once couples desired to control their fertility curettage was employed to procure abortion. Thus couples did not need to innovate but rather had to repurpose old methods and materials to new birth control methods. Furthermore, the role of physicians was found to have been central in advising and encouraging the use of birth control for 'health' reasons, thus facilitating and speeding fertility decline in Greece. All this occurred against the backdrop of a state and a church that were at times neutral and at other times disapproving of fertility control.

Sex, God, and the Conservative Church Tina Schermer Sellers. 2017-04-21 Sex, God, and the Conservative Church guides psychotherapy and sexology clinicians on how to treat clients who grew up in a conservative faith—mired in sexual shame and dysfunction—and who desire to both heal and hold on to their faith orientation. The author first walks clinicians and readers through a critique of Western culture and the conservative Christian Church, and their effects on intimate partnerships and sexual lives. The book provides clinicians a way to understand the faulty sexual ethic of the early church, while revealing the hidden mystical sex and body positive understanding of sexuality of the Hebrew people. The book also includes chapters on strategies for a new sexual ethic, on clinical steps to heal religious sexual

Narrative of Solomon Northup, a Citizen of New-York, Kidnapped in Washington City in 1841, and Rescued in 1853. Twelve Years a Slave by Solomon Northup is a memoir of a black man who was born free in New York state but kidnapped, sold into slavery and kept in bondage for 12 years in Louisiana before the American Civil War. He provided details of slave markets in Washington, DC, as well as describing at length cotton cultivation on major plantations in Louisiana.

Be Still, My Heart Holly Day.2021-02-13 Four years ago, Dimitri Petrov had his leg blown off by a landmine while in military service. Suffering from PTSD, he doesn't do crowds, and he doesn't do people. If he had his way, he'd never leave his house at all. Dimitri's sister, Irina, runs a dating agency, and despite that it would be better for business if they had a pretty woman working the front desk, Irina insists Dimitri's the man for the job. In a whirlwind of pink shirts, flapping hands, and outrageous flirting enters Elian Hubert. Elian needs a date. Invited to speak on love through time in fiction at a Valentine dinner, there is no way he's showing up alone. When Dimitri tells him The Single Pursuit is unable to help on such short notice, Elian suggests Dimitri be his date. Dimitri doesn't do dates, and he doesn't do dinners, but Elian's made him happier in the last few minutes than anyone's been able to do in years. He might not do Valentine's, and he might not do gatherings, but maybe he can do Elian ... a favor and accompany him to his presentation? If things go too badly, he can always hide behind a curtain and pretend he's somewhere else.

Africans in Exile Nathan Riley Carpenter, Benjamin N.

Lawrance.2018-09-10 "This rich volume will interest scholars and students of Africa, the African diaspora, world history, legal history, and international affairs." —Lorelle Semley, author of *To Be Free and French: Citizenship in France's Atlantic Empire* The enforced removal of individuals has long been a political tool used by African states to create generations of asylum seekers, refugees, and fugitives. Historians often present such political exile as a potentially transformative experience for resilient individuals, but this reading singles the exile out as having an exceptional experience. This collection seeks to broaden that understanding within the global political landscape by considering the complexity of the experience of exile and the lasting effects it has had on African peoples. The works collected in this volume seek to recover the diversity of exile experiences across the continent. This corpus of testimonials and documents is presented as an "archive" that provides evidence of a larger, shared experience of persecution and violence. This consideration reads exiles from African colonies and nations as active participants within, rather than simply as victims of, the larger global diaspora. In this way, exile is understood as a way of asserting political dissidence and anti-imperial strategies. Broken into three distinct parts, the volume considers legal issues, geography as a strategy of anticolonial resistance, and memory and performative understandings of exile. The experiences of political exile are presented as fundamental to an understanding of colonial and postcolonial oppression and the history of state power in Africa.

Queer Domesticities M. Cook.2014-04-29 Sissy home boys or domestic outlaws? Oral Literature in Africa Ruth Finnegan.2012-09 Ruth Finnegan's Oral Literature in Africa was first published in 1970, and since then has been widely praised as one of the most important books in its field. Based on years of fieldwork, the study traces the history of storytelling across the continent of Africa. This revised edition makes Finnegan's ground-breaking research available to the next generation of scholars. It includes a new introduction, additional images and an updated bibliography, as well as its original chapters on poetry, prose, drum language and drama, and an overview of the social, linguistic and historical background of oral literature in Africa. This book is the first volume in the World Oral Literature Series, an ongoing collaboration between OBP and World Oral Literature Project. A free online archive of recordings and photographs that Finnegan made during her fieldwork in the late 1960s is hosted by the World Oral Literature Project (<http://www.oralliterature.org/collections/rfinnegan001.html>) and can also be accessed from publisher's website.

Cuckolded By Black Men Bundle Anfisa Lovelace,Isabella Tropez,Dominique Paige.2019-10-26 This bundle is all about white wives deciding to upgrade to the next size up, and trade in their little husbands for a lot of BBC. Cucked By The Convict A chance meeting with her ex-boyfriend, Sam, sets in motion a chain of events for a loving wife that she can't halt. The fact that he just got out of prison doesn't stop the passion they once shared coming to life again. She knows that giving in to it will hurt the man she loves, but can't deny Sam what he wants when he comes to her home and she lets him take her in front of her husband. One Shy White Wife, Four Big Black Men When her husband asks her to watch a salacious cuckold video, Helen realizes that the fantasy she had always held as her deepest secret was a possibility. They hesitantly decide to go to their local bar and see how they feel about their fantasies becoming reality, and the normally reserved and quiet Helen is ready and willing to flirt

with anyone, as she is gripped with a brand new feeling. The group of black men at the bar are more than willing to give the young, innocent white girl all the attention she needs, and then some. What starts as a tentative trial run turns into an extreme introduction when they head back to their house, and the husband can only watch as his wife is manhandled right in front of him in his own home - and that's just the beginning. Violated By The Builders It's Mark and Kelsey's 10th anniversary, and they decide to get their house renovated to celebrate. However when an unavoidable expense comes up and they can't pay their two builders Joe and Bobby, they need to think up something fast. Joe's an older Italian man, and Bobby is a muscular and massive African American. Kelsey is a white, petite, seemingly innocent housewife. Mark will find out just how innocent Kelsey isn't when she offers herself up for payment and makes him watch as she's stretched out and degraded with no protection for everyone to see!

Bring Him Back, Jack Holly Day.2021-07-10 Once every century, a shadow walker is born. Ivan Charna is that shadow walker, and he and his sister Raina are on the run from wizards who want to sacrifice their blood in some crazy rite. They never stay long in one place, and they do their best not to stand out. When Raina loses a bet, Ivan is forced to work off her debt, and they have to stay put. As long as no wizard figures out what they are, Ivan doesn't mind all that much since he gets to work with his favorite vampire. Malik lives in a cell in a basement. He's never allowed to go anywhere without chains around his wrists and ankles, and there is a stake hovering over his heart at all times. Master can trigger the stake with a push of a button. He doesn't even have to be in the same room to do it. Malik dreams of a different life, a life with Ivan, but he's a vampire, and vampires have to do what their masters tell them. Ivan only has to steal one last diamond, then the debt is paid, and he and Raina can leave town. It should be easy, but when Remington Redwood,

the man Raina owes money, insists on having Malik shadow his every step, it complicates things. Malik might dream about making Ivan his, but getting him away from Master alive has to be enough. Ivan knows it's a stupid risk to take, but if he's stealing a diamond, what's to say he can't steal a giant vampire too?

Call Me Charles Holly Day.2021-10-09 Charles Bowman was having a bad day even before his friends showed up to kidnap him for his birthday. He lost his nametag, missed the bus, and was late for his shift in the sandwich shop, but that isn't the worst. The worst is he's accidentally been poisoning Hubert, the owner of the candy shop across from the sandwich shop, with gluten despite Hubert ordering gluten-free sandwiches. When Charles finds himself soaking wet on a deserted road in the chilling October night, the worst gets an entirely new meaning. But right as he's about to give up, Hubert comes driving on his motorcycle. Being responsible for gluten poisoning aside, Charles has never been as glad to see his knight in black leather, but is going home with Hubert a good idea? Or will the worst get even worse?
