**On the Way to Jesus Christ** Joseph Ratzinger. 2010-10-21 Jesus Christ is as popular as ever. Films, books, and news articles ask, Who was Jesus Christ? Even outside of Christianity he continues to appeal to people. And yet for so many, the popular Jesus is not the Jesus of Christianity. The popular Jesus makes no demands and never challenges people. He accepts everyone and everything under all circumstances. On the Way to Jesus Christ is a series of meditations that Pope Benedict XVI wrote while he was Prefect for the Congregation of the Doctrine of the Faith. The true Jesus he writes, is the Jesus of the Gospels who is quite different, demanding and bold. The Jesus who makes everything okay for everyone is a phantom, a dream, not a real figure. The Jesus of the Gospels is certainly not convenient for us. But it is precisely in this way that he answers the deepest question of our existence, which--whether we want to or not--keeps us on the lookout for God, for a gratification that is limitless, for the infinite. We must again set out on the way to this real Jesus. This book also examines whether Jesus Christ is the only savior, and the Church's responsibility to evangelize. It concludes with reflections on Jesus' Presence in the Holy Eucharist, and the Catechism of the Catholic Church's presentation of the Christian mystery as seen through the Catechism's dynamic view of Sacred Scripture. On the Way to Jesus Christ is for anyone--believer or nonbeliever--who wants better to understand the true Jesus, the Jesus of the Gospels, the Christ of Christianity.

**A Child of Jarrow** Janet MacLeod Trotter.2002 To escape the malign interest of her possessive and drunken step-father, Kate Fawcett is sent away from teeming Tyneside and finds work at Ravensworth Castle. She soon attracts the attention of charming, headstrong Alexander Pringle Davies, a distant cousin of the Earl, who risks incurring the wrath of his family by courting lowly Kate. Kate finally succumbs and allows herself to be seduced, but Alexander is forced abroad by his father and into an unwanted betrothal. Discovering she is carrying Alexander's child, Kate goes home to face the wrath of her step-father and the censure of their neighbours and resigns herself to a lonely life of drudgery. But it is her daughter Catherine who gives her life meaning and keeps Kate from giving up - that and the thought that Alexander might one day return to claim her and their angel child.

The Tea-Planter's Daughter Sara Banerji.2012-03-30 Today is Julia Clockhouse's twenty-fifth birthday. Her long-suffering Hindu servants are frantically trying to organise a party for her, but it's hard to do so amid the havoc wreaked by her wild spirit. They think she is possessed. Daughters of colonial tea-planters shouldn't have souls that escape their bodies, move objects with their minds, hear tongueless yogis speak. Julia Clockhouse does. As the day passes and the chaos mounts in the kitchen, Julia listens desperately for the return of her husband. Ben may have married her on the orders of her domineering father, but he had come to love her; together they had found the happiness they missed in childhood. But by the time the party guests are tumbling in from the rising fury of the monsoon Ben has still not come. Sara Banerji narrates the events of an extraordinary birthday with deft humour and haunting eloquence, weaving into Julia's story a picture of an isolated tea-plantation and all those who live there. The Tea-Planter's Daughter is a captivating flight of the imagination firmly rooted in the reality of the South Indian hills.

*My Struggle for Freedom* Hans Küng.2005-01-01 Hans Küng is undoubtedly one of the most important theologians of our time, but he has always been a controversial figure, and as the result of a much-publicized clash over papal infallibility had his permission to teach revoked by the Vatican. Yet at seventy-five he is also something like a senior statesman, one of the 'Group of Eminent Persons' convened by the UN Secretary-General Kofi Annan, and a friend of heads of government like Tony Blair and President Mubarak of Egypt. In this fascinating autobiography he gives a frank and outspoken account of the first four decades of his life. He tells of his youth in Switzerland and his decision to become a priest; his doubts and struggles as he studied in Rome and Paris, and his experiences as a professor in Tübingen, where he received a chair at the amazingly early age of thirty-one. Most importantly, as one of the last surviving eye-witnesses he gives an authentic account of the struggles behind the scenes at the Second Vatican Council, in which he took part as a theological expert. Here it becomes clear just how major an influence he was, to the point of shaping

the Council's agenda and drafting speeches for bishops to deliver in plenary sessions. With its rich thought and vivid narrative, Küng's book paints a moving picture of his personal convictions, and his struggle for a Christianity characterized not by the domination of an official church but by Jesus.

**My Wounded Heart** Martin Doerry.2009-09-07 My Wounded Heart tells the heart-breaking story of a gifted Jewish doctor, the mother of five children, who, after being divorced by her Aryan husband, is arrested on an absurd charge and sent to a corrective labour camp in 1942. Lilli was a prolific letter writer and miraculously almost all her letters to her children and friends, together with a huge number of their letters to her (smuggled out of the camp at Breitenau before she was sent to Auschwitz), survived the Second World War and only came to light on the death of her son in 1998. In the letters and in Martin Doerry's superb commentary, we see the deterioration of a whole country through the eyes of an ordinary family driven asunder by pressure from the Nazi regime. We see Lilli's initial optimism and love of her husband begin to crack. We see her trying to support and run the family home from Breitenau camp, but relying totally on her twelve-year-old daughter, Ilse. And we see the difficulties for the children of living with their father's mistress, now his wife, after a bombing raid destroys the family home. And perhaps most moving of all, we see Ilse's heroic attempts to meet her mother, even though it means going into the labour camp itself, and Lilli's courage in the face of her inevitable end.

**The Field Trotter** Kevin Cathy.2000-08 Three senior high school students dare their friend Chris to trot through a “cursed” field. But when he never comes out – the three run away. Scared. Now, six months later, a young man that sounds like their long lost friend has been calling them. Killing them. And casting spells on them... Where did he get this power? From the field? **Women in Christianity** Hans Küng.2010-07-15 For two years Küng guided a research project on Women and Christianity, funded by the Volkswagen Foundation. For most of the religions of the world, women are a problem. From time immemorial they have been subordinate to men, second class in the family, politics and business with limited rights and even limited participation in worship. It is not only in Christianity that equal rights for women has been a scandalously neglected issue. By an examination of the history of women in Christianity, Kung points to the scandals of the past. The prohibition of women servers at Mass and of the ordination of women to the diaconate and the priesthood are symptomatic of a male dominated Church, which takes a consistently 'negative' attitude towards contraception, abortion and divorce. Roman Catholic Canon Law is androcentric and male dominated. From his position of intellectual freedom, as an independent Professor at the University of Tübingen, Küng is free to analyse the mistakes of the past and to sketch out a new theology of Women in the Church. This is not stridently feminist but sees the role of women as being vital for the development of the Church as an institution and for preaching the Christian Gospel.
