Automobile Wheel Alignment and Wheel Balancing Mananathan R.2021-12-22 With over thirty years of experience in the design, development, and patenting of some products in the field of wheel alignment, the author shares his knowledge on the importance of wheel maintenance to the overall performance of a vehicle. From the ancient bullock carts to chariots to automobiles, wheels have undergone many changes to serve the purpose of mankind's mobility. Mobility is inevitable in today's life. A world without wheels is unimaginable. Every vehicle owner expects his tires to last longer and perform better. But improper wheel alignment and wheel balancing can drastically impact the wear and tear on a tire. This book walks the readers through the basics to techniques for wheel alignment on light vehicles, commercial vehicles, and trailers. In addition, illustrations present various types of tire wear and the cause of each. Finally, the author delves into tire safety from understanding how air pressure effects a tire to the importance of tire rotation.

The Accidental Gangster Ori Spado,Dennis N. Griffin.2019-11-12 The true story of a Hollywood fixer who wound up in the sights of the FBI. In this memoir, Orlando (Ori) Spado honestly recounts his humble beginnings from the small town of Rome in upstate New York, and his journey to becoming known as “The Mob Boss of Hollywood.” It is a candid account documenting his fall from a well-known Hollywood fixer mixing with A-list celebrities to serving 62 months in Federal prison, and ultimately making a determined comeback. “For nearly forty years Orlando ‘Ori’ Spado was a friend and associate of John ‘Sonny’ Franzese, underboss of the Colombo organized crime family. His relationship with Sonny brought him to the attention of the FBI, and eventually led to his being indicted with Sonny on federal RICO charges, and imprisoned. In The Accidental Gangster Ori provides the details of his time in ‘the life’ and his long battle with the FBI—whose overwhelming resources made it a fight that was impossible to win.”—Nick Pileggi, author of Wiseguy “Orlando ‘Ori’ Spado had been a thorn in the side of the Los Angeles field office of the FBI for almost two decades before they finally took him down. Accidentally or not, Ori was a quintessential Mob character, complete with a pinkie ring and a slow, steady deliberate voice whether speaking with friends or foes. But like so many other ‘Good Fellas,’ he was set up by a friend’s son. You will have to read the book to find out who set him up. Enjoy!”—John Connolly, New York Times-bestselling author of Filthy Rich
