A Brief History of the Roman Empire (Large Print 16pt) Stephen Kershaw.2013-10 In this lively and very readable history of the Roman Empire from its establishment in 27 BC to the barbarian incursions and the fall of Rome in AD 476, Kershaw draws on a range of evidence, from Juvenal's ""Satires"" to recent archaeological finds. He examines extraordinary personalities such as Caligula and Nero and seismic events such as the conquest of Britain and the establishment of a 'New Rome' at Constantinople and the split into eastern and western empires. Along the way we encounter gladiators and charioteers, senators and slaves, fascinating women, bizarre sexual practices and grotesque acts of brutality, often seen through eyes of some of the world's greatest writers. He concludes with a brief look at how Rome lives on in the contemporary world, in politics, architecture, art and literature.

Tantric Visions of the Divine Feminine David Kinsley.2023-07-28 The Hindu pantheon is rich in images of the divine feminine—deities representing a wide range of symbolic, social, and meditative meanings. David Kinsley's new book documents a highly unusual group of ten Hindu tantric goddesses, the Mahavidyas, many of whom are strongly associated with sexuality and violence. What is one to make of a goddess who cuts her own head off, or one who prefers sex with a corpse? The Mahavidyas embody habits, attributes, or identities usually considered repulsive or socially subversive and can be viewed as antimodels for women. Yet it is within the context of tantric worship that devotees seek to identify themselves with these forbidding goddesses. The Mahavidyas seem to function as awakeners—symbols which help to project one's consciousness beyond the socially acceptable or predictable. Drawing on a broad range of Sanskrit and vernacular texts as well as extensive research in India, including written and oral interpretations of contemporary Hindu practitioners, Kinsley describes the unusual qualities of each of the Mahavidyas and traces the parallels between their underlying themes. Especially valuable are the many rare and fascinating images he presents—each important to grasping the significance of the goddesses. Written in an accessible, engaging style, Kinsley's book provides a comprehensive understanding of the Mahavidyas and is also an overview of Hindu tantric practice.

Inner Engineering Sadhguru.2016-09-20 NEW YORK TIMES BESTSELLER • Thought leader, visionary, philanthropist, mystic, and yogi Sadhguru presents Western readers with a time-tested path to achieving absolute well-being: the classical science of yoga. "A loving invitation to live our best lives and a profound reassurance of why and how we can."—Sir Ken Robinson, author of *The Element*, *Finding Your Element*, and *Out of Our Minds: Learning to Be Creative* NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY SPIRITUALITY & HEALTH The practice of hatha yoga, as we commonly know it, is but one of eight branches of the body of knowledge that is yoga. In fact, yoga is a sophisticated system of self-empowerment that is capable of harnessing and activating inner energies in such a way that your body and mind function at their optimal capacity. It is a means to create inner situations exactly the way you want them, turning you into the architect of your own joy. A yogi lives life in this expansive state, and in this transformative book Sadhguru tells the story of his own awakening, from a boy with an unusual affinity for the natural world to a young daredevil who crossed the Indian continent on his motorcycle. He relates the moment of his enlightenment on a mountaintop in southern India, where time stood still and he emerged radically changed. Today, as the founder of Isha, an organization devoted to humanitarian causes, he lights the path for millions. The term guru, he notes, means "dispeller of darkness, someone who opens the door for you. . . . As a guru, I have no doctrine to teach, no philosophy to impart, no belief to propagate. And that is because the only solution for all the ills that plague humanity is self-transformation. Self-transformation means that nothing of the old remains. It is a dimensional shift in the way you perceive and experience life." The wisdom distilled in this accessible, profound, and engaging book offers readers time-tested tools that are fresh, alive, and radiantly new. Inner Engineering presents a revolutionary way of thinking about our agency and our humanity and the opportunity to achieve nothing less than a life of joy.

Durga Mantra Magick Baal Kadmon.2017-08-31 Durga is a very special goddess. When I first encountered her, I was a little hesitant, but I knew deep down I needed to work with her. From 2014-2015, she has guided me. Ever so often, I am guided to work with one specific deity for a prolong period of time. It was Durga's turn then. She is by far one of the most beloved of the Hindu Goddess. She is fiercely loyal and will pull out all the stops when she is protecting her own. She is, in many ways, a gentler version of Kali, but not quite as gentle as Parvati or Lakshmi. Durga's name means Impassable and invincible. The name is derived from the Sanskrit word for fortress, Durg. She has several forms. In this book, we will deal with her nine forms, also known as Navadurga or literally 'Nine Forms of Goddess Durga Each one has a purpose and we will perform nine rituals, one for each form. Her essence is very much immanent in the world. She has a transcendent and limitless quality, yet she is very present and accessible. Although milder than Kali, Durga will still challenge you in ways that are just right for you to get the lesson and learn. When I worked with her, there were time when I was stubborn, she was able to push me to get me back on track. Seldom will she push you too hard, but it can be uncomfortable. Kali on the other hand will shove you right into the fire. Her mantras are often recited when people need protection and security. In this book we will tap into her nine names for the following purposes:Durga Form 1 - In this form, she is associated with the Root Chakra and therefore, we will use her to attain more grounding in this world. This will impact you finances and other related issue. Durga Form 2 - In this form, we will use her to attain occult and spiritual knowledge. Durga form 3 - Devi Chandraghanta - In this form, we will call upon her for protection. Durga form 4 - In this form we will call upon her to bestow upon us supernatural and occult powers. Durga Form 5 - In this form, we will use her to conquer our enemies. Durga Form 6 - In this form, we will use her to get rid of negative spiritual entities that may be haunting you. Durga Form 7 - This is similar to Katyayani, but much more fierce in her energy. We will use her to eradicate demonic energies in your abode. Durga Form 8 - We will use her to attain good health and renewed vigor. You can also use her for love as well. The ritual for her can be used for either of those. I will get into that when we discuss her more in-depth. Durga Form 9 - We will use her to enhance our magickal practice, no matter what tradition. Reciting her mantra in this form, is of immense value to your entire magickal practice. Each of these rituals will have special mantras associated with them. I will transliterate them as we go. We have a lot to cover, now let us proceed.

Living Hinduism Samarpan.2017-09-12 Hinduism is neither an organized religion nor a proselytising one. It is often described as a way of life, which gently nudges its followers—through its scriptures, mythologies, rituals and practices—to question deeply, live fully and grow wholesomely in compassion and universal acceptance. Hinduism believes whatever inspires one to stay truly unselfish, be it a vocation, an ideology or a faith, can lead one towards greater self-realization and ultimate freedom. *Living Hinduism* by Samarpan encapsulates this essence of Hinduism in a language that can be understood and appreciated by all, especially the younger generation, who need to know and understand what it means to be a Hindu, in an age of strident opinions and changing values.

Kularnava Tantra M. P. Pandit.2007 The Kularnava is perhaps the foremost Tantra of the Kaula School and is constantly cited as an authority in Tantric literature. It is worthy of close study by those who would understand the tenets and practice of the tradition of which it is a Sastra. The Introduction by Arthur Avalon gives a concise outline of the work. Sri M.P. Pandit who is a keen student of the Tantras and Vedas has rendered the work in English in eleven chapters. The readings are free translations, with annotations where necessary, omitting technical details but preserving the spirit and essential import of the original in his characteristically lucid style. The Kularnava prescribes the modes of preparation for the high quest; it draws upon ethics, religion, philosophy, yoga to elevate human life gradually to the level of godly life. It comprehends the multiple personality of man and provides for the healthy growth of his mental faculties, purification of his physical faculties through ritual, japa, mantra and upasana. Who is fit for the path of Tantra? Who is competent to guide the novice on the double - edged razor path? What is the responsibility of a Guru to a disciple? These and other relevant questions are raised and answered in a satisfying manner.

Padavali Prayers Vivekananda Kendra.2016-05-31 For the various camps that are conducted by Vivekananda Kendra, participants come from different parts of the country. During the camps there are morning and evening prayers and also songs before and at the end of various sessions. All these prayers are given in "Padavali" - the booklet of songs and prayers brought out by Vivekananda Kendra. Participants ask for the meanings of these prayers. Sometimes it is possible to explain the meanings of the prayers during the shibirs but some time it is not possible. Therefore it was felt that a booklet which gives word to word meaning as well as short explanation should be brought out. Thus this book "Padavali Prayers with meanings" is being brought out. Our prayers from Padavali which are mainly taken from the Vedic literature are not just for asking something from Ishwara but are for moulding oneself on the vision of Oneness. The Sadhak sings these prayers for developing the right mind and attitude so as to be able to see everything as Ishwara and contribute in Ishwara's work. Thus if the chanting of prayers is accompanied with deep contemplation on the meaning then it could be very elevating. We hope this small booklet would be useful not only for the participants coming for the various camps of Vivekananda Kendra but also for other aspirants too.

Autobiography of a Sadhu Rampuri.2010-02-22 The first insider account of an ancient and secretive tradition • By the first foreigner to become a member, and later an elder, of the Juna Akhara, the oldest and largest grouping of Naga Babas • Filled with true accounts of magic, miracles, ghosts, and austerities • With lessons on Hindu gods, ayurveda, and Indian culture woven throughout After traveling at age 18 from his native California to India in 1969, Rampuri was drawn to the Naga Babas, an ancient and wild order of naked yogis whom he calls the "Hell's Angels of Indian Spirituality." Organized into a sect by Adi Shankara in the 5th century BC, the Naga Babas see themselves as the ultimate protectors of the Sanatan Dharma, or what we call the Hindu religion. Rampuri became a disciple of a Naga Baba--a master shaman sadhu--from Rajasthan and, as foretold by astrological prophecy, soon found himself the first foreigner to become an initiate of the Juna Akhara, the oldest and largest grouping of Naga Babas with more than 50,000 sadhu members. From drinking the "Nectar of Immortality" at the source of the Ganges River to allegations of tantric murder, this autobiography is filled with true accounts of magic, miracles, ghosts, and austerities, with lessons on Hindu gods, ayurveda, mantra, and Indian culture woven throughout. Through his journey of extremes, Rampuri takes us into the mystic heart of India.

Astro Remedies: a Vedic Approach Raj Kumar. A native suffers or enjoys (with the former having a dominant part) in life as per his prarbdha/destiny. Astrology does indicate what one has to endure and what one can overcome. Whereas great strides have been taken and wonderful results obtained regarding influence of planets, both benefic & malefic, on human beings, the same can not be said about finding out the remedies for their malefic results. Each remedy is basically a prayer to the Almighty to bail the native out of a difficult situation. It is our Kartvyā Karma as part of Prarbdha/Kiryaman Karma to observe remedial actions to keep our body and mind healthy. In a horoscope, destiny/luck is indicated by 9th house and 3rd house represents Purshartha, the free will or Kiryaman Karma, done with a strong will & belief to smoothen the path of destiny. The life or the path of human development is a story of constant struggle between the destiny and Purshartha/remedies, with dices heavily decked against the later. The success of the remedies rests upon the strong will, belief & faith one has in the remedy and one's total unconditional surrender before the relevant deity. There are various modes of remedies, one can chose from depending on his faith/belief, like colour therapy & Gems, Mantra, Yantra, Tantra & Rudraksh, bath, fast & charity, propitiation of curses and age old folk treatments of Lal Kitab.All these have been covered in this book as an aide-memoire to a native in his fight against misfortune.
