updated version of the \$domain website which many of our East European book trade customers have been using for some time now, more or less regularly. We have just introduced certain upgrades and changes which should be interesting for you. Please remember that our website does not replace publisher websites, there would be no point in duplicating the information. Our idea is to present you with tools that might be useful in your work with individual, institutional and corporate customers. Many of the features have been introduced at specific requests from some of you. Others are still at preparatory stage and will be implemented soon. If you are a book buff and are looking for legal material to read, GetFreeEBooks is the right destination for you. It gives you access to its large database of free eBooks that range from education & learning, computers & internet, business and fiction to novels and much more. That's not all as you can read a lot of related

articles on the website as well. Most free books on Google Play are new titles that the author has self-published via the platform, and some classics are conspicuous by their absence; there's no free edition of Shakespeare's complete works, for example. There are thousands of ebooks available to download legally - either because their copyright has expired, or because their authors have chosen to release them without charge. The difficulty is tracking down exactly what you want in the correct format, and avoiding anything poorly written or formatted. We've searched through the masses of sites to bring you the very best places to download free, high-quality ebooks with the minimum of hassle. How to Download Your Free eBooks. If there's more than one file type download available for the free ebook you want to read, select a file type from the list above that's compatible with your device or app. ManyBooks is another free eBook website that scours the Internet to find the greatest

and latest in free Kindle books. Currently, there are over 50,000 free eBooks here. Free-Ebooks.net is a platform for independent authors who want to avoid the traditional publishing route. You won't find Dickens and Wilde in its archives; instead, there's a huge array of new fiction, non-fiction, and even audiobooks at your fingertips, in every genre you could wish for. There are many similar sites around, but Free-Ebooks.net is our favorite, with new books added every day.
