The Essence of Vedanta Brian Hodgkinson.2006-06-05 All students of philosophy will relate to the concepts of selfhood, nature, karma and liberation. Here are views and answers to the most important questions. How is self identified? What are the causes and effects in nature? Are our actions determined? What is freedom for a human being? What happens after death? The Essence of Vedanta examines issues of existential philosophy from the viewpoint of the Veda, the most ancient and sacred of Indian scriptures, and also outlines the work of Sankara, the early medieval master of Vedanta's dominant form, Advaita. The foundation of all Vedic teaching lies in the universal truth that human nature reflects God (Brahman), who exists in every living thing. An individual needs no salvation therefore, because he or she is never lost, but merely living in ignorance of his or her true nature. Brian Hodgkinson offers readers insight into, and discussion of, the fundamental questions of the Vedic system concerning self-realization, such as knowledge versus ignorance, the self, consciousness, free will, nature, time, the mind, language, law and society. His fascinating appraisal reveals the profound nature of the Veda and its practices. With its tolerance of other faiths, and ultimately uplifting spiritual message, it is a discipline that chimes with our 21st century needs and preoccupations.

I, the Supreme Truth, Absolute and Ultimate B. Sridhara Bhat.2018-06-28 I, the Supreme Truth, Absolute and Ultimate expounds perfectly, and in simple, direct language, the philosophy of Advaita or non-duality. It gives more importance to practice than theory to help common man cross the boundaries of birth and death, the vicious cycle of samsara.

The Ancient Reality-teachings Adi Da Samraj.2006 When Adi Da looked at The Heart of the Ribhu Gita he was moved to make his own rendering or interpretive translation of the text, in order to elucidate, and thereby honor, its full meaning. He was not intending to re-write the text from his point of view, but, rather, to draw out the real intention of Ribhu, as only another Realizer can. He also reviewed other great dharma from the tradition of Advaita Vedanta and from the Buddhist tradition. He was bringing the essence of the instruction to the fore with great clarity. The texts whose meanings were only partially (or cryptically) expressed even in the original(let alone in translation)were suddenly shining forth, like rough gems cut by an expert hand. Adi Da chose to read these texts to his devotees. In each case, he was bringing the essence of the instruction, with an elegance and illumined understanding that left his devotees speechless in amazement.

The Final Truth Ramesh S. Balsekar.1989 Truth Cannot Be Described Or Explained. Truth Is What-Is And The Acceptance Of It. Every Word That Is Uttered Concerning Truth Can Only Be A Pointer Towards It. The Understanding Of Truth Cannot Be Achieved. It Can Only Happen& And When It Comes, It Cannot Be Accepted Unless The Mind Is Empty Of The Me And The Heart Is Full Of Love.

Reality Is All The God There Is Avatar Adi Da Samraj.2008-09-02 Contemporary renderings of the dharma of the great sages of Advaita Vedanta and Buddhism from the Realized Spiritual Master Avatar Adi Da Samraj • Includes transmissions of wisdom teachings of the great sages Gotama Sakyamuni, Nagarjuna, Shankara, and Ribhu • Presents classic texts of spiritual realization from the perspective of a Realized Teacher • Provides insight into the ultimate realization possible when dualistic consciousness has been transcended In this book Avatar Adi Da Samraj offers his unique renderings of the dharma of the great sages of Advaita Vedanta and Buddhism, including Gotama Sakyamuni, Nagarjuna, Shankara, and Ribhu. Rather than simply translate their teachings from available source texts, Avatar Adi Da, himself a Realized Master, speaks them as one who has personally realized their truth, revealing that the Buddhist “Nirvana” and the Advaitic “Brahman” point to the same transcendental condition. Avatar Adi Da’s transmissions restore to these texts the profound communication intended by the spiritual masters who created them. The ego nurtures the illusion of separation, an illusion that cannot be removed by the ego’s own efforts. It is only the spiritual master who makes possible the realization of egoless consciousness. The great sages proclaimed a state of spiritual realization that exceeded both worldly dualism and mystical seeking. They had awakened to a reality that spoke of abiding in a state of consciousness only. Avatar Adi Da brings these remarkable declarations back to life and then concludes with his own unique description of a realization that transcends even these extraordinary utterances--the realization of Reality As It Is, free of all forms of the ego’s search.

The Ultimate Understanding Ramesh S. Balsekar.2017-08-07 The Ultimate Understanding, is, according to Ramesh himself, a book containing the full essentials of the philosophy of Advaita, or Non-duality (Unicity). It is perhaps the most explicitly expressed book on this complex subject. What is the ultimate understanding? That there is no one to understand anything. Recognized as one of the foremost contemporary sages, married and father of three, and a banker who retired from the top of his profession, Ramesh could be considered a householder Guru. In his latest book, Ramesh shares openly, poignantly, and with stunning humility, how a sage lives his life. Backed by the total conviction of the final understanding of a true Master, and at the same time presented from the perspective of life as we know it, this treasure of Advaita is unrivalled in its unique conceptual expression of the highest Truth, delivered with fundamental wisdom, simplicity, and clarity - and with Ramesh's widely-loved gaiety and humor. Ramesh elaborates his own concepts with those of his Guru, Nisargadatta Maharaj, the Buddha, Ramana Maharshi, selected Hindu scriptures, several Taoist Masters and Wei Wu Wei, all serving as pointers to the Truth, to the ultimate understanding. While the book is a compilation of such classic themes as the nature of the phenomenal manifestation including the human being, the concept of space-time, temporality and Intemporality, the Guru, free will and non-volitional living, enlightenment and Self-realization, the Impersonal Energy - the Source, Noumenon or God, and conclusively, 'Consciousness is all there is', Ramesh explicitly summarizes that ultimately what he is talking about is the most important thing in your life: peace and harmony in your life. A rare gift to anyone and everyone seeking insight into how life happens, The Ultimate Understanding is perhaps the pinnacle of Ramesh's writing. The Ultimate Understanding, heralds the total message he has to convey. What else remains can only be the final understanding, the final Truth, the silence of Unicity.

Truth Paramhansa Soham Swami.2021 TRUTH is a poem on the philosophy of non-dualism or monism. It is the first-ever philosophical English work in the form of poetry. Though it was a common practice among the ancient and medieval Indian authors to compose every work including philosophies, dramas, and even treatises on medicines in verses, in the English literary tradition, a versification of academic works is unheard of. Truth is presented in verses to eliminate the complexities inherent in the theory, as seen in the popular books on Advaita, and make it easy for the reader to understand the Ultimate Truth of Existence. Furthermore, to make the criticisms of irrational religious practices, superstitions, and prohibitions seem less harsh, it was necessary to give the work a tinge of rhythm.--

Enlightenment Blues Andre van der Braak.2016-12-18 Enlightenment Blues is Andre van der Braak's compelling first hand account of his relationship with a prominent spiritual teacher. It chronicles both the author's spiritual journey and disenchantment as well the development of a missionary and controversial community around the teacher. It powerfully exposes the problems and necessities of disentanglement from a spiritual path. "Enlightenment Blues is the account of a young man's sincere and protracted struggle to transform his life according to the teachings of the American guru Andrew Cohen. Ruthlessly honest and unsettling, Andre van der Braak gives a vivid first-hand account of an uncompromising experiment in establishing Indian spirituality in a modern Western setting. This story is essential reading for anyone seeking to understand the allure and pitfalls of surrendering one's authority in the hope of spiritually transforming the world" Stephen Batchelor, Author Buddhism without Beliefs "Narrated with the psychological subtlety and drama of a good novel, Enlightenment Blues is a precise, profound dissection of the guru-devotee relationship. It should be required reading for all who are currently engaged in or considering studying under a spiritual teacher." John Horgan, author of Rational Mysticism A profound contribution. The maturity and balance of this book place it at the front rank of works on contemporary spirituality. All the major themes of the spiritual quest are here - reason versus emotion, the problem of the ego, the guru, self-doubt, the place of altered states. Andre van der Braak has the creative gift of being able to hold opposing ideas in his mind without moving towards premature closure. Hence this heartfelt account of his eleven years in the Cohen movement is a beautiful testament to one man's quest to discover his own reality. Enlightenment Blues deserves the widest readership. Len Oakes, Prophetic Charisma "Enlightenment Blues is the personal story of one man's eleven year journey into and out of a group of seekers of enlightenment with a charismatic leader who claims to be an exemplar of perfection. What distinguishes this book are the writer's insights and honesty in portraying the workings of an authoritarian belief system that operates under the guise of spiritual revelations. Anyone who has ever belonged to such a group, or knows anyone who has, or who wants to understand what the appeals and dangers of surrendering to a guru consist of, would benefit from reading this book." Joel Kramer, author, The Guru Papers Andre van der Braak's story is our own story. We walked the 'yellow brick road' whether it was Zen or Yoga or Advaita. We desperately wished for or found a Guru who could help us find our way home and we wholly gave ourselves. Andre's talk of it is fresh and innocent. He takes us by the hand through a hazardous trail. Neither bitter nor estranged, nor having lost his passion for the way, he remembers with us what really happened, and why." Orit Sen-Gupta, Author, Dancing the Body of Light - The Future of Yoga Andre van der Braak lived in Andrew Cohen's spiritual community for 11 years, an involvement initiated shortly after Cohen had begun teaching. He was one of the original editors for "What is Enlightenment Magazine". He was also an editor for Cohen's first teaching text, Enlightenment is a Secret, which entailed reading over 4,000 pages of transcribed talks, and editing them into book form. Today, he lives in Amsterdam where he teaches philosophy at the University of Amsterdam and at Luzac College in Alkmaar.

Advaita Vedanta Prabhujii David Ben Yosef Har-Zion.2021-04-28 Advaita Vedanta is the most refined philosophical pearl of Hinduism. It is reserved for seekers of Truth who want to know their own essence and aspire to liberation, or moksha. It suggests following the path of knowledge, called jñāna-yoga, which is more an existential view than a theory, philosophy, doctrine, or deductive logical knowledge. It teaches self-inquiry: Who am I? This question is an expression of the highest and noblest rebellion. It restores our dignity and accepts us as the only authority on who we are. Jñāna is knowing ourselves as Brahman and realizing our reality as the transcendental Self, beyond time and space. In this book, Prabhujii presents the principles of Vedanta that will help seekers take their first steps on this path. Rather than offering information, explanations, and answers, he inspires us to inquire, doubt, and investigate our own essence. He tells us that every effort to achieve enlightenment is superfluous because we already are what we aspire to be. We simply need to turn our attention to consciousness itself and be the Self.

Not Two: The Essence of Non Duality Yellamraju Srinivasa Rao, Padma Neppalli.2021-03-26 "This royal path (Advaita), revealed by the sages of yore, is now in danger of being closed. The by-lanes are being taken for the royal path. Our effort now is to make people realize that these diversions from the royal road will lead them nowhere. Life's real problem is not solved with these shortcuts to spirituality. These shortcuts will only result in endangering the seeker... This is a movement for the propagation of the true Vedantic wisdom, the legacy left behind by Shankara Bhagavathpada, the timeless knowledge that is eminently adaptable to the modern times." ---Shri Yellamraju Srinivasa Rao What is the Absolute Truth? What is my essential nature? How can I grasp the truth and make it my every-day experience? In this book, Shri Yellamraju Srinivasa Rao, with great insight and clarity, answers questions that intrigue seekers of the truth. Srinivasa Rao's clear and lucid explanations of the Absolute Truth resonate deeply, and awaken the seeker to a direct experience of the Self as Pure Consciousness. "This book is a very useful addition to the Vedanta texts in English. It is an excellent summarization of Advaita." --- Dr. Aravinda Rao Karanam, Retired DGP, now teaching at www.advaita-academy.org "Shri Yellamraju Srinivasa Rao imparts a no-frills Advaita that has a high fidelity to Shankara's core teaching. His unique style of explicating the Knowledge Path captures analytical minds and makes one marvel at the rigor of logic and precision of the ancient Indian Sages. His metaphors are often enthralling and highly instructive. Here is a truly rewarding Advaita text that challenges everyone's intellect." --- Dr. Ramesam Vemuri, Author of Religion Demystified, and writer at www.advaita-vision.org.

L'Advaita Vedānta Dennis Waite.2011 Voici le livre de référence sur l'advaita vedānta. Il s'agit de la traduction du livre publié en 2007 en anglais par Dennis Waite : Back to the Truth : 5000 years of Advaita. L'advaita vedānta est le courant de philosophie non-dualiste le plus important de l'Inde et aussi le plus ancien. Basé sur les Upanishads, l'advaita vedānta propose un chemin logique et scientifique vers la vérité de ce que nous sommes. L'ouvrage de Dennis Waite présente à la fois la théorie de ce courant plusieurs fois millénaires mais il nous décrit aussi également de manière concrète les méthodes et pratiques vers l'éveil. Par l'analyse méticuleuse des textes de philosophie et de spiritualité les plus profonds qu'on puisse trouver au monde ainsi que par les échanges qu'il entretient personnellement avec nombre de maîtres contemporains de l'advaita, Dennis Waite a compilé un ouvrage essentiel sur l'advaita vedānta, à la fois érudit et simple. En s'appuyant sur des textes classiques de cette tradition (upanishads, Brahma-Sutras) et sur les plus grands maîtres anciens (Shankara) comme modernes , Dennis Waite compare également l'advaita vedānta avec de nouvelles approches contemporaines de la non-dualité comme le Neo-advaita (Tony Parsons). Il permet ainsi de dissiper la perplexité qui règne de nos jours pour nous permettre de finalement nous confronter une bonne fois pour toutes et de façon définitive à l'enseignement advaitin authentique. Ce livre encyclopédique va devenir un classique du genre, utile à la fois au débutant qui cherche à s'informer sur la philosophie et la spiritualité indiennes qu'au chercheur plus confirmé qui trouvera là un guide complet et détaillé de l'advaita vedānta. L'ouvrage contient aussi d'importantes et précieuses annexes : les lignées des différents maîtres de l'advaita et des maîtres de la non-dualité contemporaine, la liste de tous les enseignants modernes de la non-dualité, la liste des principaux sites internet de non-dualité, un important glossaire des termes sanskrits...

*Advaita V. Subrahmanya Iyer.*2009 'The nature of truth is to be free from contradictions. We approach nearer and nearer truth as we find less and less contradictions. The only thing which is so free is non-duality'...'This may be achieved at first, as the Upanishads say, in lightning flashes, in fleeting momentary glimpses, but later this must be established into permanency. You should stabilize them through self-recollection to be done throughout the day, and through the constant reminder that the world is not separate from yourself. It is not enough to grasp the intellectual truth of non-duality'...'As the man of realisation knows the world to be an idea, a mental construct, the sense of unification and love to all mankind is simultaneously its materialization, for he knows no difference between idea and matter. Hence too he wishes all beings to be happy, loves even his enemy, wishes him no harm, for he knows the truth of universal self-identification. Thus to the extent a man realises the truth, he can do good and no more'...'Any kind of difference means contradiction. Nothing whatsoever other than the Atman exists. If you think there is another entity, whether man or God, there is no truth. This is the teaching since time immemorial of those who have inquired into truth.' - V. SUBRAHMANYA IYER

A-U-M Dennis Waite.2015-09-25 Gaudapada was one of the world's greatest philosophers in seventh-century India. He invokes the mystical symbol 'AUM' (pronounced as 'ohm') pointing to the three states of consciousness (waking, dreaming and deep sleep) and the nature of reality itself. In the text on which this book is based, he writes that the waker, dreamer and deep-sleeper are like the roles that an actor plays at various times. All three states are the result of ignorance and error. Who we really are is the fourth aspect - the actor himself. If you see or feel a 'thing', then that 'thing' is not 'real.' So the waking world is no more real than the dream. 'You' have never been born. Nothing has ever been created. Causality is a myth. Discover your true nature to be Existence-Consciousness, without limitations, undivided and infinite, prior to time and space. Incredible? Read...and be convinced by the irrefutable logic of Gaudapada.

The Ego Tunnel Thomas Metzinger.2010-05-21 We're used to thinking about the self as an independent entity, something that we either have or are. In The Ego Tunnel, philosopher Thomas Metzinger claims otherwise: No such thing as a self exists. The conscious self is the content of a model created by our brain - an internal image, but one we cannot experience as an image. Everything we experience is "a virtual self in a virtual reality." But if the self is not "real," why and how did it evolve? How does the brain construct it? Do we still have souls, free will, personal autonomy, or moral accountability? In a time when the science of cognition is becoming as controversial as evolution, The Ego Tunnel provides a stunningly original take on the mystery of the mind.

Lamp of Non-dual Knowledge Swami Hariharānandasarasvatī.2003 The spiritual tradition of India known as Advaita Vedanta is one of the most profound visions of the Absolute known to man. Its message speaks to the heart of freedom; it teaches that liberation is found only in the realization of God and that the deepest happiness is the knowledge of the essential identity between the soul and God. Advaita Bodha Deepika (Lamp of Non-Dual Knowledge) and Kaivalya Navaneeta (Cream of Liberation) are two gems taken from the crown of that great tradition. The content of both represents a distillation of the soul of Hinduism. Opening their pages, the reader is transported back in time to a grassy spot under a shady tree outside a temple in south India to overhear conversations between master and disciple concerning the most important questions of human existence. Many people have found that Lamp of Non-Dual Knowledge is the clearest, easiest to understand summary of Advaita Vedanta. It is in the form of a dialogue between a seeker and his spiritual master, with the seeker posing many probing questions about the nature of existence, the universe, and humankind. Cream of Liberation is a widely known Advaita classic and outlines the basic philosophical principles in a very clear way, again in the form of a dialogue between master and devotee. Among all of the explicitly formulated metaphysical doctrines found in the religions of the world, Advaita Vedanta is one of the most complete and clearly articulated. These two short classics (largely unknown in the West), presented in a single volume, provide an excellent introduction for the reader who wishes to drink from the stream of that transforming wisdom which Hindus call sanatana dharma (eternal religion). This is the underlying religion which has guided and illuminated countless souls since the Vedic period began some twelve hundred years before the birth of Christ.

Advaita Vedanta David Prabhuji.2020-03 Advaita Vedanta is one of the most refined philosophical pearls of Hinduism. It is reserved for seekers of Truth that want to know their own essence and aspire to liberation, or mokṣa. He proposes to us the path of knowledge called Jñāna-yoga, which much more than a theory or a doctrine, it is an existential view. Jñāna is knowing oneself as Brahman and realizing one's reality as the transcendental Self, beyond time and space. Its main teaching is self-inquiry: Who am I? This question is an expression of the highest and noblest rebellion. Vedanta restores our dignity and accepts us as the only authority about who we are. Prabhuji presents the main principles for taking the first steps on this path. Rather than offering information, explanations, or answers, he inspires us to inquire, to doubt, and to investigate our own essence. He tells us that every effort to achieve enlightenment is superfluous because we already are what we aspire to be and we will realize it by turning our attention to consciousness and simply Being the Self...
