Magic Squares and Tree of Life Nineveh Shadrach.2009-05-01 Within the pages of this book lies one of the most powerful mandalas of the Western Mystery Tradition. For the first time in English, Nineveh Shadrach has lifted the veil on a magic square whose properties astonished Magi of an age long past. They hid this square from the uninitiated with arcane terms such as the red sulfur and great elixir. They attributed its power to the rise of figures such as Alexander the Great. For hundreds of years advanced adepts of Western Occultism had no inkling of the existence of such a powerful magical artifact. Now you do. You'll expand your knowledge of authentic ancient sacred magic when you get: a) A partial translation of an ancient manuscript, revealing some of its secrets b) The blueprint for constructing this mandala of power to awaken its energy in your life c) Advanced teachings of esoteric numerology that shed light on its mysteries d) Ten additional variations, each designed to fully manifest the spiritual power of the emanations of the Tree of Life. This book is not for beginners or for those looking for quick fix spells. Anyone who has dug in hidden places in

search of secret knowledge that can change lives will find a master key inside. All that is left is for you to use that key and unleash the ancient power of kings.
