Seduction and Snacks Tara Sivec.2012 Warning #1: This book is not to be taken seriously. Do not read this if you don't have the sense of humor of a 15 year old boy. Do not read this if you ARE a fifteen year old boy. This book is totally crude and inappropriate and uses the word vagina a lot. No, I mean A LOT. If you don't think people who are drunk are hilarious, you shouldn't read this book. You probably shouldn't read this book if you aren't drunk yourself. You should probably just put this book down and get drunk. You may think that no one in the world talks like the people in this book, but they do. They are called people who are funny and inappropriate. This book is completely unrealistic; the author is aware of that fact and did it on purpose. 2012 Goodreads Choice Award Nominee - Best Romance Claire is a twenty-something, single mom that grudgingly helps her best friend sell sex toys while she attempts to make enough money to start her own business to give her foul-mouthed, but extremely loveable (when he's asleep) toddler a better life. When Carter, the one-night-stand from her past that changed her life forever, shows up in her hometown bar without any recollection of her besides her unique chocolate scent, Claire will make it a point that he remembers her this time. With Carter's undisguised shock at suddenly finding out he has a four-year-old son and Claire's panic that her stretch marks and slim to none bedroom experience will send the man of her dreams heading for the hills, the pair will do whatever they can to get their happily ever after. Warning #2: contains explicit sex, profanity and enough sarcasm to choke a horse. The Last Time I Saw Mother Arlene J. Chai.2010-12-29 My mother never writes. So when the mail arrived that day, I was not expecting to find a letter from her. There was no warning. Between generations of women, there are always secrets--relationships kept hidden, past events obscured, true feelings not spoken. But sometimes the truth is so primal it must be told. Now, with haunting

lyricism and emotional clarity, Arlene Chai has written an exquisite novel about a family of women who break their silence. At the center of *The Last Time I Saw Mother* is the singular story of a woman who suddenly learns she is not who she thinks she is. Caridad is a wife and mother, a native of the Philippines living in Sydney, Australia. Out of the blue Caridad's mother summons her home. Although she is not ill, Thelma needs to talk to her daughter -- to reveal a secret that has been weighing heavily on her for years. It is a tale that Caridad in no way suspects. She stopped asking questions about the past long ago; her mother's constant reluctance to answer finally subdued her curiosity. Now, it is through the words of Thelma, her aunt Emma, and her cousin Ligaya, that Caridad will learn the startling truth and attempt to recapture what has been lost to her. Arlene Chai tells their versions of the story in their own voices, each one distinct, moving, and magical. As each woman tells her part of their family's hidden history, Caridad hears at last the unspoken stories--the joys and sorrows that her parents kept to themselves, and the never forgotten tragedy of the war years, when Japan's brutal occupation and civilian deprivations helped destroy a country and its history. *The Last Time I Saw Mother* is about mothers and daughters. It is about a cultural identity born of Spanish, Chinese, and Filipino influence. And it is about the healing power of truth. Arlene Chai is one of the most stunning new novelists in years. She takes us to a place we have never been before.

Count Lev Nikolayevich Tolstoy was born on September 9, 1828 in Russia. He is usually referred to as Leo Tolstoy. He was a Russian author who is regarded as one of the greatest authors of all time. Leo Tolstoy is best known for his novels *War and Peace* (1869) and *Anna Karenina* (1877). Tolstoy's fiction includes dozens of short stories and several novellas such as *The Death of Ivan Ilyich*, *Family Happiness*, and *Hadji Murad*. He also wrote plays and numerous philosophical essays. Tolstoy had a profound moral crisis and spiritual awakening in the 1870's which he outlined in his work, *A Confession*. His literal interpretation of the ethical teachings of Jesus, centering on the Sermon on the Mount, caused him to become a fervent Christian anarchist and pacifist. His ideas of nonviolent resistance which he shared in his works *The Kingdom of God is Within You*, had a profound impact on figures such as Mohandas Gandhi and Martin Luther King, Jr. On September 23, 1862 Tolstoy married Sophia Andreevna Behrs. She was the daughter of a court physician. They had 13 children, eight of whom survived childhood. Their early married life allowed Tolstoy much freedom to compose *War and Peace* and *Anna Karenina* with his wife acting as his secretary and proofreader. The Tolstoy family

left Russia in the aftermath of the Russian Revolution and the subsequent establishment of the Soviet Union. Leo Tolstoy's relatives and descendants moved to Sweden, Germany, the United Kingdom, France and the United States. Tolstoy died of pneumonia at Astapovo train station, after a day's rail journey south on November 20, 1910 at the age of 82. ABOUT THE AUTHOR: Lev Nikolayevich Tolstoy (Russian: Лев Николаевич Толстой; most appropriately used Liev Tolstoy; commonly Leo Tolstoy in Anglophone countries) was a Russian writer who primarily wrote novels and short stories. Later in life, he also wrote plays and essays. His two most famous works, the novels War and Peace and Anna Karenina, are acknowledged as two of the greatest novels of all time and a pinnacle of realist fiction. Many consider Tolstoy to have been one of the world's greatest novelists. Tolstoy is equally known for his complicated and paradoxical persona and for his extreme moralistic and ascetic views, which he adopted after a moral crisis and spiritual awakening in the 1870s, after which he also became noted as a moral thinker and social reformer. Eating Fire and Drinking Water Arlene J. Chai.2011-01-26 I was someone hungry for stories; more specifically, I was someone who craved after facts. I was, you see, a person with no history. Lacking this, I developed a curiosity about other's people's stories. . . . Clara Perez is a reporter on a small South Seas island. An orphan raised by nuns, she is a young woman with origins shrouded in mystery. Full of idealistic ambition, she grows tired of the trivial assignments she's given at the daily paper, yearning to write articles of substance. So when the tiny street of Calle de Leon bursts into flames after a student demonstration--and a soldier kills an unarmed man--Clara seizes the chance to cover the explosive story. Yet after Clara rushes to the burning street to investigate the tragedy, she discovers another, more personal one involving some remarkable truths about her unknown past--ghosts, she realizes, which have been silently pursuing her all her life. And as family secrets begin to unfold, Clara's missing history slowly spreads itself out on the tumultuous backdrop of a country wracked by revolution. . . . An evocative and multilayered tale, at once political and personal, Eating Fire and Drinking Water is an extraordinary work, a powerful and pulsing novel of politics and commitment, loyalty and love, and the poignant search for truth.

Incognegro Frank B. Wilderson III.2015-08-07 In 1995, a South African journalist informed Frank Wilderson, one of only two American members of the African National Congress (ANC), that President Nelson Mandela considered him a threat to national security. Wilderson was asked to comment. Incognegro is that comment. It is also his response to a question posed five years later in a California university classroom: How come you came back? Although Wilderson recollects his turbulent life as an expatriate during the furious last gasps of apartheid, Incognegro is at heart a quintessentially American story. During South Africa's transition, Wilderson taught at universities in Johannesburg and Soweto by day. By night, he helped the ANC coordinate clandestine propaganda, launch psychological warfare, and more. In this mesmerizing political memoir, Wilderson's lyrical prose flows from unspeakable dilemmas in the red dust and ruin of South Africa to his return to

political battles raging quietly on US campuses and in his intimate life. Readers will find themselves suddenly overtaken by the subtle but resolute force of Wilderson's biting wit, rare vulnerability, and insistence on bearing witness to history no matter the cost.

Peter Pan James Matthew Barrie.2020-09-26 All children, except one, grow up. They soon know that they will grow up, and the way Wendy knew was this. One day when she was two years old she was playing in a garden, and she plucked another flower and ran with it to her mother. I suppose she must have looked rather delightful, for Mrs. Darling put her hand to her heart and cried, Oh, why can't you remain like this for ever! This was all that passed between them on the subject, but henceforth Wendy knew that she must grow up. You always know after you are two. Two is the beginning of the end.Of course they lived at 14 [their house number on their street], and until Wendy came her mother was the chief one. She was a lovely lady, with a romantic mind and such a sweet mocking mouth. Her romantic mind was like the tiny boxes, one within the other, that come from the puzzling East, however many you discover there is always one more; and her sweet mocking mouth had one kiss on it that Wendy could never get, though there it was, perfectly conspicuous in the right-hand corner.
