Another Husband Sissy Story Mistress Jessica. 2012-06-19 Well where do you start, I mean I never started out with evil intentions in mind, though I have to admit that was exactly where I ended up. My name is Sally and I am a Dominant Wife, I know a few people would consider me an abusive wife, and I am fine with that except the only difference is that my husband actually enjoys me abusing him. It wasn't always like that, when I married Bob we were the typical married couple, we went on vacations together and built our nest egg together and all that normal stuff. We were married for about ten years before things started to change, and I never once thought that I would be in the position I am in today. Let us just say that I wear the pants in the family now, and there is no way I am going to give up that power or control, it became like a drug for me, I never realized just how enjoyable it would be to be the power in the house, but when I finally realized it I was addicted to it and I threw that power around with a heavy hand. The simple fact that my husband submitted to me just made me even more power hungry, it was like I could do no wrong, no matter how much I pushed the boundaries of the new relationship that was developing between my husband and myself I always found him to be accepting of my authority. In fact the more my husband capitulated to my wants, desires, and demands just made me want to do more and more. I don't want to get to far ahead of myself because that will simply ruin the story for you, and we don't want to do that now do we. I guess I should start at

the beginning though.

Forced Feminization Barbara Deloto,Thomas

Newgen.2016-08-02 Ten men want to build a hunting cabin. Their hot wives come up with an idea to help them raise money-put on a show and sell tickets. Little do the men know, they will be the show-entered into a competition to be voted the best of five bride-and-groom couples. Half of them will be feminized and the other half grooms. The story is told from the perspective of one of the hunting buddies, now a feminized husband, who realizes that feminization has given him unexpected power. His epiphany completes his transformation into someone with power and desires he'd never dreamt of. As more and more people buy tickets to the event, the rewards of winning become greater-especially with all the new cravings and longings brought on by enforced chastity, feminization, and manipulative conditioning in their female-led relationships. Besides building the hunting cabin, the money from winning could totally transform one of them into an enticing, she-male slut-something they are learning to long for more and more every day. The grooms busily and eagerly learn to take care of their hunting buddies as brides. The brides devotedly learn the pleasures of pleasing their grooms. The hot wives all passionately interview boyfriends to indulge themselves while the ten husbands in chastity watch. Will the hunting cabin ever be built, or will it become entirely another type of vacation resort? Will the new brides ever want to be men again? How many boyfriends can the wives manage to choose? Experience this x-rated tale of forced feminization where males in chastity are cuckolded and manipulated to become a bride or become a groom to their previous hunting buddies, while their wives have the time of their lives with other men. Forced crossdressing, and denial through male chastity, drive the feminized husbands to hunger for longer and harder things than they ever had wanted. Yearn for their rewards along with them and cheer them on as they all pursue newly found intense indulgences. Look inside and start

Feminizing Men - a Guide for Males to Achieve Maximum Feminization Barbara Deloto, Thomas Newgen. 2014-10-29 Do you want to feminize a male, or you as a male want, or have been told to, become feminized? Feminization: 1) To give a feminine appearance or character to. 2) To cause (a male) to assume feminine characteristics. This is not for those who wish to

permanently change their gender, but rather for those who wish to feminize temporarily, though sometimes repeatedly and regularly, in order to proficiently crossdress as a woman. This feminization guide is for a male by gender who, may, or may not be, a real man by some opinions, but nonetheless a male, who has chosen, or has been told to, or is being coerced into, becoming feminine in appearance and character. This guide is to be given to those who have been tasked with becoming a feminized male as part of a process to feminize them, or purchased for use by males who wish to feminize themselves. It doesn't have any magic potions or formulas, special makeup or fancy tools, use any drugs or surgery. It does cover all the aspects of eliminating the 'man markers' that set males aside from women, and make a male less feminine than they could ultimately be. It will demasculinize anything that may have had a masculine overtone with the male. It will also aid the feminized male to feel more sensual and sexy in a feminine role. The guide is short - about 15.000 words and around sixty pages, but covers eliminating the things that keep a male from becoming as fully feminized as much as their male body and characteristics allow. After the male has read this, acted upon this information fully, and practiced, he will be the best feminized male he can be. He will reach crossdressing perfection as a male to female (MTF) cross dresser. He will have the routines of maintenance and upkeep of the feminized male body, which will keep him ready, and most likely anxious, to fairly quickly, crossdress at the request of their wife, mistress, or whim of his own. Whether the reason be from femdom, a wife led relationship, female led relationship, cuckolding, cuckoldry, a hot wife, male chastity, forced crossdressing, forced chastity, female domination, submissive training, sissy training, or purely their own desire to become feminine, a diligent male student who incorporates the information in this guide with passion and drive will become the perfect crossdressing male, as fully feminized as possible.
