**Midnight in the Garden of Good and Evil** John Berendt.1994-01-13 NATIONAL BESTSELLER • A modern classic of true crime, set in a most beguiling Southern city—now in a 30th anniversary edition with a new afterword by the author “Elegant and wicked . . . might be the first true-crime book that makes the reader want to book a bed and breakfast for an extended weekend at the scene of the crime.”—The New York Times Book Review Shots rang out in Savannah’s grandest mansion in the misty, early morning hours of May 2, 1981. Was it murder or self-defense? For nearly a decade, the shooting and its aftermath reverberated throughout this hauntingly beautiful city of moss-hung oaks and shaded squares. In this sharply observed, suspenseful, and witty narrative, John Berendt skillfully interweaves a hugely entertaining first-person account of life in this isolated remnant of the Old South with the unpredictable twists and turns of a landmark murder case. It is a spellbinding story peopled by a gallery of remarkable characters: the well-bred society ladies of the Married Woman’s Card Club; the turbulent young gigolo; the hapless recluse who owns a bottle of poison so powerful it could kill every man, woman, and child in Savannah; the aging and profane Southern belle who is the “soul of pampered self-absorption”; the uproariously funny drag queen; the acerbic and arrogant antiques dealer; the sweet-talking, piano-playing con artist; young people dancing the minuet at the black debutante ball; and Minerva, the voodoo priestess who works her magic in the graveyard at midnight. These and other Savannahians act as a Greek chorus, with Berendt revealing the alliances, hostilities, and intrigues that thrive in a town where everyone knows everyone else. Brilliantly conceived and masterfully written, *Midnight in the Garden of Good and Evil* is a sublime and seductive reading experience.

*The Spell Book of a Wicked Witch* Thalia Thorne.2021-02-07 Sometimes the only way to get justice is to make it for yourself. Many modern witches believe that you should only use magic to bring positive energy into the world, and most spell books teach you those types of spells. This spell book is different. This spell book is wicked. There are times when you will be hurt by someone you loved, betrayed by someone you trusted, maligned by someone you thought was your friend. Times when the magic of light and love just will not do. Thalia Thorne is an experienced witch and falls firmly into the camp that knows that there is no such thing as white magic or black magic. Magic is what you turn to when mundane methods have failed or just won't work. If you're not pushing back against those who would walk all over you, then you're just going to end up being a doormat. This spell book will teach you how to make your own justice and stand up for yourself. For example, you'll find: Agony of Acne Curse - to give someone a pimple Sour Break Up Spell - to end a relationship Banish Your Ex Hex - to drive them away forever Business Butcher Curse - to destroy a business Liar's Lamentation - to find out who has been spreading lies And over 50 other spells that use simple ingredients and provide step-by-step directions that a beginner can follow. The next time someone wrongs you, will you turn the other cheek? Or will you be wicked?

*Spell Jars for Beginners* Anita Gonzalez.2023-06-18 The use of spell jars can be traced all the way back to ancient times, and evidence of rituals that are very similar can be discovered in a wide variety of cultures and traditions. One of the earliest examples comes from Ancient Egypt, where magic spells were written on papyrus or pieces of pottery and buried in tombs. These items were then discovered centuries later. Citizens in ancient Greece and Rome were known to protect themselves by carrying amulets and talismans with them at all times. It was also usual practice for them to employ little containers that were stuffed with various herbs and other components. During the Middle Ages in Europe, spell jars were known as witch bottles and were used to ward off evil spirits or to curse an enemy. These bottles were typically used to hold urine, hair, and fingernails before being buried on the property of the individual who had performed the spell. In some cases, the bodies were even found buried within the walls of the dwellings or beneath the floors.
