One Night on the Island Josie Silver.2022-02-15 From the #1 New York Times bestselling author of *One Day in December* . . . When a double-booking at a remote one-room cabin accidentally throws two solace seekers together, it feels like a cruel twist of fate. But what if it's fate of a different kind? "A perfectly executed and quintessential romantic comedy."—Christina Lauren, author of *The Unhoneymooners* Spending her thirtieth birthday alone is not what dating columnist Cleo Wilder wanted, but she plans a solo retreat—at the insistence of her boss—in the name of re-energizing herself and adding a new perspective to her column. The remote Irish island she's booked is a far

cry from London, but at least it's a chance to hunker down in a luxury cabin and indulge in some self-care while she figures out the next steps in her love life and her career. Mack Sullivan is also looking forward to some time to himself. With his life in Boston deteriorating in ways he can't bring himself to acknowledge, his soul-searching has brought him to the same Irish island to explore his roots and find some clarity. Unfortunately, a mix-up with the bookings means both have reserved the same one-room hideaway on exactly the same dates. Instantly at odds, Cleo and Mack don't know how they're going to manage until the next weekly ferry arrives. But as the days go by, they no longer seem to mind each other's company quite as much as they thought they would. Written with Josie Silver's signature charm, *One Night on the Island* explores the meaning of home, the joys of escape, and how the things we think we want are never the things we really need.

How to Survive a Holiday Fling Isabel Jolie.2022-12-06 A heart-warming, steamy holiday vacation romance that will leave your heart full. Ten Reasons to Have a Holiday Fling... That's either the title of a holiday listicle I'll be submitting in the hopes of strumming up extra cash...or it's the mental game I'm playing during après ski. Take a guess. (Hint: You can't get it wrong.) My first impression of the snowboarder balking at the top of the ski run wasn't the greatest. But a couple of drinks in, with his ruffled hair, whiskey eyes and southern twang, Oliver transforms from just another vacationer to sizzling dreamy Texan. This is the year I'm supposed to turn my life around. This is the year I'm supposed to live my life for me. What better way to kickstart my new life than with a holiday

fling? Plus, it's my first Christmas without my family. And Oliver's alone at Christmas too. No one should be alone at Christmas, right? That's my logic. Those hot jingly nights keep us warm and toasty through my most unforgettable holiday ever. And then it's goodbye. A sane, healthy, mature parting of ways and the kick off to the Year of Me. But when an impulsive text rekindles the holiday spirit, it's clear the fireworks didn't end at New Year's... Christmas magic abounds in this love story that begins as a carefree holiday fling and transforms in the New Year, through all the seasons, and winds up right up back on Christmas Tree Lane. How to Survive a Holiday Fling is a steamy, standalone holiday romance novel written in dual first-person POV. CLICK 'BUY NOW' TO START YOUR HOLIDAY FLING TODAY! See what reviewers are saying: Oooh, Isabel Jolie stole my heart with Oliver and Kate! Another absolutely wonderful Holiday Novel and this one gave me a lot of yearning and angst for both main characters...The side characters, especially the Duke family, Sandra, and Noah, are WONDERFUL!! The ranch and the Tetons seem to be their own characters, and really they should be - they're so vast and they take up so much space and love in the book, Ms. Jolie knows how to give them their true meaning in life, the land really can have that kind of impact on people.... Five out of five stars for a book filled to the brim with love, angst, and so much emotion, it left my heart full. -Bex Book Review Hot without being dirty. Ridiculously sweet without being cliché. Trust me, whatever you think you know about romance, Isabel Jolie is at least 10 steps above that, and she surprised me at every turn. Oliver is rugged, in control, and ultra-masculine, but he's also man enough to let Kate make her own decisions and support her while she makes them. And Kate is a delightful mix between fierce and vulnerable, but those vulnerabilities never stop her from fighting for what she wants, and never backing down from anything. How To Survive A Holiday Fling is a must read, written by an author who truly has an instinctual and impressive grasp on both the

The Holiday Plan Emma Lynden.2022-01-03 From one of the freshest new voices in clean and wholesome romantic fiction, The Holiday Plan is the perfect escape for fans of Debbie Macomber, Annie Rains, and Debbie Mason. Native New Yorker and author Verona Scott is battling heartbreak, both personally and professionally. Coming off a disastrous split with her ex, she's struggling for inspiration to write her next book. And she's lost without her favorite Aunt Theoni's wisdom and guidance. Hoping for a fresh start and to avoid the holiday completely, she's planned a Valentine's detox: a luxurious trip alone to the historic Courtington Castle hotel, near the adorably quaint town of Camelot Creek, tucked into a picturesque valley in the Adirondacks. But escaping the heart-shaped balloons and red roses isn't as easy as she thought. This won't be the restful retreat she'd imagined. Instead, she's just walked into one of the biggest matchmaking events of the year. Not to mention, the incredibly attractive single dad and dating coach Troy Turner is heading the whole thing up, and he's on a mission to include Verona in the festivities. Troy is in the midst of a professional crisis of his own. After a bit of unfounded bad press, the very last thing he needs is a guest to cast doubt in the minds of his attendees. Will Troy change Verona's mind about the most romantic day of the year? Just when sparks begin to fly, an unexpected visitor checks into the castle, stirring up the past. No matter what, for Verona, Valentine's Day is the day where everything changes.
