Sourires pincés Jules Renard.1892

Le rire et la souris dans le roman courtois en France au Moyen âge 1150-1250 Philippe Ménard.1969

Isadora Moon rencontre la petite souris Harriet

Muncaster.2021-08-25 Isadora Moon est spéciale parce qu'elle est différente. Aujourd'hui Isadora a une dent qui bouge, et cela semble réjouir ses parents bien plus qu'elle ! Son père rêve de l'emmener chez le dentiste des vampires, tandis que sa mère a hâte que, comme toutes les fées, elle dépose sa dent sous l'oreiller pour la petite souris. Mais comment Isadora est-elle censée choisir entre les deux ? Heureusement, elle fait la connaissance de Mignonette, une souris aussi spéciale que magique, qui va l'aider à inventer une nouvelle tradition unique... comme elle !

Guide to the Study of Ancient Magic David

Frankfurter.2019-03-19 This volume seeks to advance the study of ancient magic through separate discussions of ancient terms for ambiguous or illicit ritual, the ancient texts commonly designated magical, and contexts in which the term magic may be used descriptively.

Routledge Library Editions: Translation Various

Authors.2021-02-25 The volumes in this set, originally published between 1991 and 1993, draw together research by leading academics in the area of translation, and provide a rigorous examination of related key issues. The volume examines the concepts of translation as social action, socio-cultural translation, translation theory, gender and psychology in translation. This set will be of particular interest to students and practitioners of linguistics and literature, and those working as translators.

Redefining Translation Lance Hewson,Jacky Martin.2018-10-17

Originally published in 1991 Redefining Translation looks at the practical results and theory of translation as a key area for all those investigating language and culture. The book addresses the need to consolidate advances in the field of translation and

critically evaluate the variety of conflicting approaches. The book proposes a comprehensive approach to the study of translation, looking at the topic from a theoretical point of view, and provides an applicable approach to the everyday practice of translation.

Dictionary Catalog of the Research Libraries of the New York Public Library, 1911-1971 New York Public Library. Research Libraries.1979

Le harcèlement moral à l'hôpital Alain Raoult.2021-05-12 La harcèlement moral au travail n'est pas réservé aux entreprises privées. Cela frappe aussi le personnel de la fonction publique en France. On ne le dit pas assez. L'auteur raconte ici son histoire et nous livre le détail de sa descente aux enfers à cause de la violence humaine et institutionnelle après 32 années de carrière dans le monde hospitalier, d'abord à cause d'un directeur d'Institut de Formation en Soins Infirmiers qui avait peur qu'il prenne sa place, et ensuite pour avoir osé dénoncer des agissements condamnables de la directrice par intérim qui remplacera ce dernier. Soucieux de vérité, il nous fait vivre pas à pas son chemin de croix en fin de carrière, suivi de la découverte étonnante d'une justice qui va le décevoir. Une de ses anciennes étudiantes lui écrira : Soyez vraiment fier de votre parcours. Que les personnes qui ont cherché à faire douter de votre droiture se cachent. Je suis heureuse et fière de vous connaître et de vous avoir connu en tant que formateur puis en tant que personne humaine. Soyez fier de ce que vous avez accompli. Je vous tire ma révérence pour ce que vous avez pu endurer et malgré tout aller jusqu'au bout.

Cœuvres complètes de Théodore Agrippa d'Aubigné: Table des nomes de personnes. Glossaire. 1892 Agrippa d'Aubigné.1892

108 sourires Matthieu Ricard.2011 La joie est l'émotion de base du bonheur, elle se manifeste par un fort sentiment de satisfaction d'ordre spirituel. Les sourires qui illuminent nos visages trahissent ce sentiment profond de bonheur intense. C'est cette joie simple du quotidien du peuple tibétain que Matthieu Ricard partage avec nous aujourd'hui... Sourires d'enfants, de nonnes, d'ermites, de jeunes ou de moins jeunes, 108 sourires est un véritable rayon de soleil. Sourires et spiritualité bouddhiste s'unissent autour du nombre 108, chiffre sacré par excellence dans tout le monde indo-bouddhiste. Dans son texte d'introduction, Matthieu Ricard décrit la typologie des sourires établie par son ami Paul Ekman, éminent spécialiste des expressions faciales, et donne une résonance scientifique à ce panorama de sourires.

Sourire aux anges Christy Saubesty.2010-09 Frédéric Caplans, auteur à succès, décide enfin de refaire sa vie après le tragique décès de sa femme un an plus tôt. Il part s'installer à la campagne avec sa fille Candice, sept ans, où il espère pouvoir écrire sereinement. Tout semble aller pour le mieux, surtout après sa rencontre avec Mac... le mécanicien qui se révèle être une ravissante jeune femme prénommée Léanne. Il est immédiatement séduit par son charme et son accent envolé. Mais un lugubre colis jette un froid sur l'heureux tournant que semble prendre la vie de Frédéric et lors d'un après-midi passée dans un parc de loisirs pour fêter l'anniversaire de Candice, la fillette disparaît mystérieusement.

Office, United States Army (Army Medical Library) Army Medical Library (U.S.).1945

Hélène Smith Claudie Massicotte.2023-06-20 In 1896, a young Genevan medium named Hélène Smith perceived in trance the following words from a Martian inhabitant: michma nichtmon mimini thouainem mimatchineg. Those attending her séance dutifully transcribed these words and the event marked the beginning of a series of occult experiences that transported her to the red planet. In her state of trance, Smith came to produce foreign conversations, a new alphabet, and paintings of the Martian surroundings that captured the popular and scientific imagination of Geneva. Alongside her Martian travels, she also retrieved memories of her past lives as a fifteenth-century Hindoo princess and as Queen Marie Antoinette. Today, Smith's séances may appear to be nothing more than eccentric practices at the margins of modernity. As author Claudie Massicotte argues, however, the medium came to embody the extreme possibilities of a new form of subjectivity, with her séances becoming important loci for pioneering authors' discoveries in psychology, linguistics, and the arts. Through analyses of archival documents, correspondences, and publications on the medium, Massicotte sheds light on the role of women in the construction of turn-of-the-century psychological discourses, showing how Smith challenged traditional representations of female patients as powerless victims and passive objects of powerful doctors. She shows how the medium became the site of conflicting theories about subjectivity--specifically one's relationship to embodiment, desire, language, art, and madness--while unleashing a radical form of creativity that troubled existing paradigms of modern sciences. Massicotte skillfully retraces the story of this prolific figure and the authors, scientists, and artists she inspired in order to bring to light a forgotten chapter in modern intellectual history.

La force du sourire Isabelle Crouzet.2019-01-02 « Un sourire est

plus qu'une manifestation de joie. C'est une sorte de velcro qui nous accroche les uns aux autres et un remède contre bien des maux. En France, nous avons besoin d'en découvrir les bienfaits. » Dans *La Force de sourire*, l'auteur a mené une véritable enquête sur le sourire, dont on a tendance à oublier les nombreux bienfaits, pour soi, pour autrui, pour nous tous collectivement. À travers des découvertes en psychologie, neurosciences et sociologie, mais aussi de nombreuses anecdotes personnelles, elle démontre que le sourire est au cœur de nos relations sociales et de notre bien-être. Elle nous entraîne à la découverte des secrets du sourire : - Un seul sourire suffit à ralentir le rythme cardiaque, baisser la pression artérielle et diminuer le niveau de cortisol, l'hormone du stress. - Plus on sourit, plus on est heureux. Le sourire provoque la joie autant qu'il l'exprime. - Sourire désamorce les conflits, pilote et régule les émotions et les interactions sociales. Il installe la connivence dans un monde de plus en plus dématérialisé. En France, nous sommes avares de sourire. Et si le sourire n'était que la partie émergée de la sérénité, de la confiance en soi et de la bienveillance ? Après la lecture de ce livre, vous aurez envie de sourire partout, même dans le métro. Car sourire, c'est le premier pas vers une vie épanouie.

Anglican/Episcopalian and neo-monastic communities in Britain and North America, engaging closely with communities of practice to provide a penetrating insight into the role of music in self-care and as a vector for identity construction on both individual and community levels. The author explores the essential role of music in community dynamics, the rationale for using instruments, the implications of both chant-based and freestyle composition, gender-related differences in musical activity, the role of dance ('music made visible') in community life, the commodification of monastic music, the 'Singing Nun' phenomenon and the role of music in established and emerging neo-monastic communities. The result is a comprehensive and compelling study of the agency of music in the construction and expression of personal and community identity.

Savage Tales Linda Goddard. 2019-09-03 An original study of Gauguin's writings, unfolding their central role in his artistic practice and negotiation of colonial identity. As a French artist who lived in Polynesia, Paul Gauguin (1848-1903) occupies a crucial position in histories of European primitivism. This is the first book devoted to his wide-ranging literary output, which included journalism, travel writing, art criticism, and essays on aesthetics, religion, and politics. It analyzes his original manuscripts, some of which are richly illustrated, reinstating them as an integral component of his art. The seemingly haphazard, collage-like structure of Gauguin's manuscripts enabled him to evoke the primitive culture that he celebrated, while rejecting the style of establishment critics. Gauguin's writing was also a strategy for articulating a position on the margins of both the colonial and the indigenous communities in Polynesia; he sought to protect Polynesian society from civilization but remained implicated in the imperialist culture that he denounced. This critical analysis of his writings significantly enriches our understanding of the complexities of artistic encounters in the French colonial context.--Publisher's

description.

Messiaen's Final Works Christopher Dingle.2017-07-05 When Olivier Messiaen (1908-1992) completed the vast opera Saint Frans dAssise in 1983, he was mentally and physically exhausted, and believed that this monumental work would be his final compositional statement. In fact, he completed seven further works, and these form the focus of the present study. Christopher Dingle suggests that, following the crisis provoked by the opera, Messiaen's music underwent a discernible change in style. He examines these seven works to identify characteristics of the composer's music, in particular an often overlooked aspect of his technique: harmony. Part I of the book begins with a brief historical survey before discussing Saint Frans dAssise as the work which defines everything that follows. Part II examines the series of miniatures that came after the opera and their links with lairs sur lAu-Del., his final masterpiece. lairs forms the subject of Part III of the book. Each movement is analysed in turn, before the work is considered as a whole and its hidden structure and motivic cohesion is revealed. Finally, Part IV considers the incomplete Concert and key stylistic features of the works of Messiaens final years.

Conseils, exercices ludiques, clés et astuces vous permettront d'aborder votre vie de manière optimiste, positive et plus efficace ! Christophe Tricart, après un parcours professionnel d'éditeur, d'auteur spécialisé dans l'humour et de scénariste de BD, a décidé à 50 ans de partager ses savoirs pour accompagner ses contemporains. Il est le fondateur de la société Les mots se réveillent et anime des formations pour les particuliers et les entreprises : « L'humour au cœur de vos performances ».

Split Screen Philip Mosley.2001-01-01 Explores the historical evolution of Belgian cinema as well as its contemporary situation within the evolving contexts of global media and European unity.
Writing in the Feminine Karen Gould.1990 Gould (women's studies and French, Bowling Green State U.) analyzes four feminist rebels, all major Quebec women writers. These women--Nicole Brossard, Madeline Gagnon, Louky Bersianik, and France Theoret--are attempting to explode male-dominated language and to construct a new language and literature of women. Gould studies their work and also provides historical, political, and theoretical background. Annotation copyrighted by Book News, Inc., Portland, OR

Oeuvres complètes de Théodore Agrippa d'Aubigné: Table des noms de personnes. Glossaire. 1892 Agrippa d'Aubigné.1892

Le sourire intérieur Alain Héril.2013-05-23 Un itinéraire vers le meilleur de soi Tout le monde cherche le meilleur pour soi sans songer que le meilleur est en soi. Nous pouvons nous ouvrir à l'instant présent, faire de notre corps un allié, rencontrer l'autre, vaincre notre peur, être davantage nous-mêmes... à condition d'apprendre à reconnaître et cultiver la joie. Le bonheur est un concept, une illusion. La joie, au contraire, est inscrite dans le corps, elle s'éprouve, elle est tangible et reproductible. Contagieuse comme un sourire, elle crée le lien et appelle au partage. Cet essai réhabilite la joie comme moteur de vie et principe de rencontre avec soi-même et les autres. Il invite
