An American Childhood Annie Dillard.2009-10-13 An American Childhood more than takes the reader's breath away. It consumes you as you consume it, so that, when you have put down this book, you're a different person, one who has virtually experienced another childhood. — Chicago Tribune A book that instantly captured the hearts of readers across the country, An American Childhood is Pulitzer Prize-winning author Annie Dillard's poignant, vivid memoir of growing up in Pittsburgh in the 1950s and 60s. Dedicated to her parents—from whom she learned a love of language and the importance of following your deepest passions—Dillard's brilliant memoir will resonate with anyone who has ever recalled with longing playing baseball on an endless summer afternoon, caring for a pristine rock collection, or knowing in your heart that a book was written just for you.

The Birthmark Nathaniel Hawthorne.2023-12-28 The Birthmark deals with the husband's deeply negative obsession of his wife's outer appearances and what does that entail for these two young couples. The birthmark represents various things throughout the story. Two of the main representations are imperfection and mortality. American novelist and short story writer Nathaniel Hawthorne's (1804–1864) writing centers on New England, many works featuring moral allegories with a Puritan inspiration. Hawthorne has also written a few poems which many people are not aware of. His works are considered to be part of the Romantic movement and, more specifically, Dark romanticism. His themes often centre on the inherent evil and sin of humanity, and his works often have moral messages and deep psychological complexity.

Hunger of Memory Richard Rodriguez.2004-02-03 Hunger of Memory is the story of Mexican-American Richard Rodriguez, who begins his schooling in Sacramento, California, knowing just 50 words of English, and concludes his university studies in the stately quiet of the reading room of the British Museum. Here is the poignant journey of a “minority student” who pays the cost of his social assimilation and academic success with a painful alienation — from his past, his parents, his culture — and so describes the high price of “making it” in middle-class America. Provocative in its positions on affirmative action and bilingual education, Hunger of Memory is a powerful political statement, a profound study of the importance of language ... and the moving, intimate portrait of a boy struggling to become a man.

By the Waters of Babylon Stephen Vincent Benet.2015-08-24 The north and the west and the south are good hunting ground, but it is forbidden to go east. It is forbidden to go to any of the Dead Places except to search for metal and then he who touches the metal must be a priest or the son of a priest. Afterwards, both the man and the metal must be purified. These are the rules and the laws; they are well made. It is forbidden to cross the great river and look upon the place that was the Place of the Gods-this is most strictly forbidden. We do not even say its name though we know its name. Observing Teacher Identities through Video Analysis Amy Vetter,Melissa Schieble.2015-09-25 Teaching is often seen as an identity process, with teachers constructing and enacting their identities through daily

interactions with students, parents and colleagues. This volume explores how conducting video analysis helps teachers gain valuable perspectives on their own identities and improve classroom practice over time. This form of interactional awareness fosters reflection and action on creating classroom conditions that encourage equitable learning. The volume follows preservice English teachers as they examine video records of their practice during student teaching, and how the evidence impacts their development as literacy teachers of diverse adolescents. By applying an analytic framework to video analysis, the authors demonstrate how novice teachers use positioning theory to transform their own identity performance in the classroom. Education scholars, teachers and professional developers will greatly benefit from this unique perspective on teacher identity work.

Disabling Characters Patricia A. Dunn. 2015 *Disabling Characters* provides detailed analyses of selected young adult (YA) novels and short stories. It looks at the relative agency of the disabled character, the behavior of the other characters, the environment in which the character must live, the assumptions that seem to be underlying certain scenes, and the extent to which the book challenges or perpetuates an unsatisfactory status quo. Class discussions about disability-themed literature, however well intentioned, have the potential to reinforce harmful myths or stereotypes about disability. In contrast, discussions informed by a critical disability studies perspective can help readers develop more sophisticated views of disability and contribute to a more just and inclusive society. The book examines discussion questions, lesson plans, study guides, and other supplemental materials aimed at students studying these texts, and it suggests more critical questions to pose about these texts and the positive and/or negative work they do, perhaps subliminally, in our culture. This book is a much-needed addition to college classes in YA literature, literary analysis, methods of teaching literature, disability studies, cultural studies, contemporary criticism, special education, and adolescent literacy.

The Cask of Amontillado Edgar Allan Poe. 2023-08-24

A Walk in the Woods Bill Bryson. 2012-05-15 God only knows what possessed Bill Bryson, a reluctant adventurer if ever there was one, to undertake a gruelling hike along the world's longest continuous footpath--The Appalachian Trail. The 2,000-plus-mile trail winds through 14 states, stretching along the east coast of the United States, from Georgia to Maine. It snakes through some of the wildest and most spectacular landscapes in North America, as well as through some of its most poverty-stricken and primitive backwoods areas. With his offbeat sensibility, his eye for the absurd, and his laugh-out-loud sense of humour, Bryson recounts his confrontations with nature at its most uncompromising over his five-month journey. An instant classic, riotously funny, *A Walk in the Woods* will add a whole new audience to the legions of Bill Bryson fans.

Soon, well-meaning teachers endeavor to reform him, a rodeo attempts to turn him into an act, and nearly everyone he meets tries to take control of his life. Speak: The Graphic Novel Laurie Halse Anderson. 2018-02-06 The critically acclaimed, award-winning, modern classic *Speak* is now a stunning graphic novel. She is friendless--an outcast--because she busted an end-of-summer party by calling the cops, so now nobody will talk to her, let alone listen to her. Through her work on an art project, she is finally able to face what really happened that night: She was raped by an upperclassman, a guy who still attends Merryweather and is still a threat to her. My Brother Jamaica Kincaid.1998-11-09 Jamaica Kincaid's brother Devon Drew died of AIDS on January 19, 1996, at the age of thirty-three. Kincaid's incantatory, poetic, and often shockingly frank recounting of her brother's life and death is also a story of her family on the island of Antigua, a constellation centered on the powerful, sometimes threatening figure of the writer's mother. *My Brother* is an unblinking record of a life that ended too early, and it speaks volumes about the difficult truths at the heart of all families. *My Brother* is a 1997 National Book Award Finalist for Nonfiction.
