**Selected Writings** Meister Eckhart.1994-08-25 Composed during a critical time in the evolution of European intellectual life, the works of Meister Eckhart (c. 1260-1327) are some of the most powerful medieval attempts to achieve a synthesis between ancient Greek thought and the Christian faith. Writing with great rhetorical brilliance, Eckhart combines the neoplatonic concept of oneness - the idea that the ultimate principle of the universe is single and undivided - with his Christian belief in the Trinity, and considers the struggle to describe a perfect God through the imperfect medium of language. Fusing philosophy and religion with vivid originality and metaphysical passion, these works have intrigued and inspired philosophers and theologians from Hegel to Heidegger and beyond.

**This Republic of Suffering** Drew Gilpin Faust.2009-01-06 NATIONAL BESTSELLER • NATIONAL BOOK AWARD FINALIST • An extraordinary ... profoundly moving history (The New York Times Book Review) of the American Civil War that reveals the ways that death on such a scale changed not only individual lives but the life of the nation. An estimated 750,000 soldiers lost their lives in the American Civil War. An equivalent proportion of today's population would be seven and a half million. In *This Republic of Suffering*, Drew Gilpin Faust describes how the survivors managed on a practical level and how a deeply religious culture struggled to reconcile the unprecedented carnage with its belief in a benevolent God. Throughout, the voices of soldiers and their families, of statesmen, generals, preachers, poets, surgeons, nurses, northerners and southerners come together to give us a vivid understanding of the Civil War's most fundamental and widely shared reality. With a new introduction by the author, and a new foreword by Mike Mullen, 17th Chairman of the Joint Chiefs of Staff.

*Bastogne - The Story Of The First Eight Days* S. L. A. Marshall.2014-06-13 [This edition benefits from numerous maps of the battlefields that the actions were fought over] "NUTS!" - Among the many military legends that abound from the fighting of the Second World War, the one word reply to a German summons to surrender must rank highly in terms of its resonance, importance and sheer grit. General Mcaulliffe decided that despite the odds and the lack of supplies and ammunition his troops would continue to hold the important communication hub of Bastogne during the Battle of the Bulge. This dramatic, yet authoritative account brings all of the action to the fore as the Battered Bastards of Bastogne wrote their names into legend. THIS STORY OF BASTOGNE was written from interviews with nearly all the commanders and staff officers and many of the men who participated in the defense of Bastogne during the first phase of that now celebrated operation—the days during which the American forces were surrounded by forces of the enemy... Thus it is essentially the account of how a single strong defensive force was built from separate commands of armor, airborne infantry and tank destroyers—a force convinced that it could not be beaten.-Introduction.

**Free Book** Brian Tome.2010-02-01 I am a fanatic about freedom. And I'm fanatical about coming at you hard in this book. Maybe you're not as free as you think you are. Even worse, you may have been duped into believing that a balanced life is the key to happiness (it isn't) or that a relationship with God is about layering on rules and restrictions (nope). Whether it's media-fueled fear, something a parent or teacher said that you just can't shake, or even the reality of dark spiritual forces bent on keeping you down, something is holding you back from the full-on freedom God intends for you. The Bible says, Where the Spirit of the Lord is, there is freedom. Not fear. Not guilt. Not morality. Freedom. You can have the sort of joy you thought only kids could have. The day of freedom is here.

**The Complete Stories** Flannery O'Connor.1971 Winner of the National Book Award The publication of this extraordinary volume firmly established Flannery O'Connor's monumental contribution to American fiction. There are thirty-one stories here in all, including twelve that do not appear in the only two story collections O'Connor put together in her short lifetime--*Everything That Rises Must Converge* and *A Good Man Is Hard to Find*. O'Connor published her first story, *The Geranium*, in 1946, while she was working on her master's degree at the University of Iowa. Arranged chronologically, this collection shows that her last story, *Judgement Day*--sent to her publisher shortly before her death--is a brilliantly rewritten and transfigured version of *The Geranium*. Taken together, these stories reveal a lively, penetrating talent that has given us some of the most powerful

and disturbing fiction of the twentieth century. Also included is an introduction by O'Connor's longtime editor and friend, Robert Giroux.
