The Leader Lab is a high-speed leadership intensive, equipping managers with the Swiss Army Knife of skills that help you handle the toughest situations that come your way. Through painstaking research and training over 200,000 managers, authors Tania Luna and LeeAnn Renninger, PhD (co-CEOs of LifeLab Learning) identified the most important skills that distinguish great managers from average. Most importantly, they've discovered how to help people rapidly develop these core skills. The result? You quickly achieve extraordinary team performance and a culture of engagement, fulfillment, and belonging. Too often, folks are promoted without any training for the countless crucial responsibilities of the modern manager: being part coach, part player, part therapist, part role model. The Leader Lab serves as your definitive guide to what it means to be a great manager today - and how to become a great leader faster. This book is based on LifeLabs Learning's wildly successful workshop series. It combines research, tools, and the playful, fluff-free style that's made LifeLabs the go-to professional development resource for over 1,000 innovative companies around the world. You'll learn how to: Quickly improve performance and engagement Handle tough conversations with confidence Identify and resolve the underlying issues holding your team back Create a culture of inclusion Spark innovation Reduce stress and burnout Finetune your coaching, productivity, feedback, one-on-one, strategic thinking, meeting facilitation, people development, and leading change skills Learn the same high-leverage skills that new managers at the world's most innovative organizations are using to create impactful change in business and in life This interactive, accessible, and brain-friendly resource will help you and your team ramp up and reach the tipping point of managerial greatness fast.

EBook: Social Psychology 3e David Myers, Jackie Abell, Fabio Sani.2020-08-21 Social psychology has a profound influence on our everyday lives; from our shopping habits to our interactions at a party. It seeks to answer questions that we often think and talk about; questions such as: - What circumstances prompt people to help, or not to help? - What factors influence the ups and downs of our close relationships? - Why do some people behave differently when on their own compared to in a group? - What leads individuals sometimes to hurt, and other times to help one another? - Why are we attracted to certain types of people? - How do some persuade others to do what they want? This new edition of Social Psychology has been revised to introduce a more flexible structure for teaching and studying. It includes up-to-date, international research with an emphasis throughout on its critical evaluation. Applied examples across the chapters help to highlight the relevance, and hence the impact, that the theories and methods of this fascinating subject have upon the social world. Key Features Include: - Research Close-Up: Following a brand-new style, this feature matches the layout used in research papers, providing an accessible introduction to journal articles and the research methods used by social psychologists. - Focus On: Fully revised, these boxes look at opposing viewpoints, controversial research or alternative approaches to the topics. This offers a more critical outlook and prompts the questioning of the validity of published research - Recommended Readings: New to this edition, recommended further readings of both classic and contemporary literature have been added to each chapter, providing a springboard for further consideration of the topics. Connect Psychology is McGraw-Hill's digital learning and teaching environment. Students - You get easy online access to homework, tests and quizzes designed by your instructor. You receive immediate feedback on how you're doing, making it the perfect platform to test your knowledge. Lecturers - Connect gives you the power to create auto-graded assignments, tests and quizzes online. The detailed visual reporting allows you to easily monitor your students' progress. In addition, you can access key support materials for your teaching, including a testbank, seminar materials and lecture support. Visit: <http://connect.mcgraw-hill.com> for more details. The Beermat Entrepreneur PDF eBook Mike Southon, Chris West.2018-08-08 The 2018 Edition has been radically updated whilst maintaining all of the classic advice from earlier, successful editions. "This book changed my life and helped me found an international business that eventually sold for many millions of pounds. If only I'd found it sooner!" Justin Gayner, Founder, ChannelFlip "This book is packed with brilliant advice which will give you the confidence to develop wings and fly high as you throw yourself into your new business." Henrietta Morrison, Founder, Lily's Kitchen 'I recommend this book to any aspiring entrepreneur.' Sir Charles Dunstone CVO, Founder, Carphone Warehouse "If you want to know how to successfully grow a company, this is the book for you!" Brendan Robinson, Founder, Village Vet This business book is great for leaders, middle managers and entrepreneurs interested in the following categories; SMALL BUSINESSES START-UP BUSINESS ENTREPRENEURSHIP The Beermat Entrepreneur helps you convert your jotted notes about your business idea into a big and successful business. With wit and humour, this quick-to-read and simple-to-use book could turn your beermat inspiration into reality. You've got a bright idea. An idea that you think maybe,

just maybe, could become a brilliant business. But what next? The BeerMat Entrepreneur is the answer. It takes you through all the crucial stages between those first notes on a beerMat and a business that is sound, lasting and profitable. It tells you what the other books don't – the lessons that most people have to learn by bitter experience; the tricks that all entrepreneurs wish somebody had told them before they set out. From testing your idea and finding a mentor, through selecting and motivating the right people and securing your first customer, to deciding when to 'go for growth' – this is the guide to turning good ideas into real businesses. Revised and updated completely, this classic book for entrepreneurs contains the distilled wisdom of serially successful entrepreneur Mike Southon and is packed with advice and insight for any aspiring business person, either within an existing company or thinking of starting up on their own. Happy Reading! Please do share your thoughts with us.

The Unwritten Rules of PhD Research 3e Marian Petre, Gordon Rugg. 2020-01-24 Returning in its 3rd edition, this bestselling book on the process of PhD research provides friendly, engaging, and realistic advice on how to complete your doctorate. Updated throughout, the book will guide you through the basics as well as covering aspects that other books don't usually mention, including: • What a PhD is really about and how to do one well • How to decipher what your supervisor actually means by terms like 'good referencing' and 'clean research question' • How to design, report and defend your research The authors offer an accessible, down-to-earth, and insightful account of the whole PhD process. Their advice addresses how to avoid some of the pitfalls en route to a successful submission. Key features: • Thinking about your career from the outset of your PhD (rather than at the end) • Tips for “sniffing” a paper to make your reading quicker and more efficient • Understanding cultural differences in research • Networking for research success • Sensible guidelines for using social media in your research • Guidance on project management – especially important for part-time students The Unwritten Rules of PhD Research is essential reading for anyone considering a PhD, embarking on one, or stuck in the middle and unsure where to turn. It will tell you things many students wish someone had told them before they started. “The course of a PhD never did ‘run smooth’. This new edition of unwritten rules covers everything the doctoral student needs to know for a smoother passage with informal yet scholarly advice, ranging from improving the writing process, creating networks, completing the thesis, and even what to wear for the viva – a complete guide to the tacit guidelines sometimes left unsaid.” Professor Jerry Wellington, University of Sheffield, UK
