Un Convention Against Corruption to Combat Fraud & Corruption Nihal Sri Ameresekere.2011-09 An invaluable Book dealing with United Nations Convention Against Corruption (UNCAC), in force from December 2005, including its evolution, and related UN Convention Against Transnational Organize Crime. UNCAC - is an international legal instrument dealing with combating fraud, corruption and economic crime in public and private sectors, including political leaders and lackeys. Author discloses the formation of International Association of Anti-Corruption Authorities (IAACA), in Beijing in October 2006, with Inaugural Address by Chinese President, Hu Jintao. IAACA promotes and facilitates implementation globally of UNCAC, supported by United Nations Office on Drugs & Crime (UNODC). He reveals his endeavours to combat fraud, corruption and economic crime, prior to UNCAC. He demonstrates that whilst fraud and corruption, as endorsed by international research, is a major issue confronting people, how political leaders stride to power exploiting their anguish by committing to combat fraud and corruption, but once in power get bogged down in the quagmire of fraud and corruption, peddled by their lackeys, financing them. Disclosing real instances, he demonstrates how countries, having ratified UNCAC, are not honouring its obligations, but blatantly violating with impunity its obligations; he highlights dire need for international endeavour to deal with political leaders, pillaging and plundering the resources of people plunging them into abject poverty, as crimes against humanity. SAARC leaders acknowledge people in Asia are enslaved in abject poverty, and propound prosperity is not monopoly of a few, but are not committed to combat fraud and corruption. He reveals how World Bank and international agencies pontificate on combating fraud and corruption, but continue to fraternize with fraudulent and corrupt miscreants, demonstrating that mere rhetoric, only subverts UNCAC - an indispensable handbook for those combating fraud, corruption and economic crime.
