Nationwide, more than 5 million teachers will be needed over the next decade, and all must take appropriate tests to be licensed. REA gets you ready for your teaching career with our outstanding library of Teacher Certification test preps. Our test prep is designed to help teacher candidates master the information on the Praxis II: PLT EC, K-6, 5-9, 7-12 exams and get certified to teach. It's perfect for college students, teachers, and career-changing professionals who are looking to qualify in states where this exam is required. This study package contains in-depth reviews of all the competencies tested on the PRAXIS II: Principles of Learning and Teaching exams (5621, 5622, 5623, 5624). Based on actual PRAXIS questions, four full-length practice tests (one for each exam) in the book feature every type of question, subject area, and skill tested on each of these exams. An additional full-length practice test for each exam is also offered online in a timed format with instant scoring, diagnostic feedback, and detailed explanations of answers. Our online practice tests replicate the question format, allowing you to assess your skills and gauge your test-readiness. The online tests at REA's Study Center include detailed scoring analysis and diagnostic tools. Automatic scoring and instant reports help you zero in on the topics and types of questions that give you trouble now, so you'll succeed when it counts. Every practice exam comes with detailed feedback on every question. We don't just say which answers are right - we explain why the other answer choices are wrong - so you'll be prepared on test day. This complete test prep package comes with a customized study schedule and REA's test-taking strategies and tips. This test prep is a must-have for anyone prepping for the PRAXIS PLT exams!

In addition to the sites referenced above, there are also the following resources for free books:

World eBook Fair: for a limited time, you can have access to over a million free ebooks. WorldLibrary: More than 330,000+ unabridged original single file PDF eBooks by the original authors. FreeTechBooks: just like the name of the site, you can get free technology-related books here. FullBooks.com: organized alphabetically; there are a TON of books here. Bartleby eBooks: a huge array of classic literature, all available for free download. Most eBook files open on your computer using a program you already have installed, but with your smartphone, you have to have a specific e-reader app installed, which your phone probably doesn't come with by default. You can use an e-reader app on your computer, too, to make reading and organizing your ebooks easy.
