For other formatting issues, we've covered everything you need to convert ebooks. Browsing books at eReaderIQ is a breeze because you can look through categories and sort the results by newest, rating, and minimum length. You can even set it to show only new books that have been added since you last

visited. With more than 29,000 free e-books at your fingertips, you're bound to find one that interests you here. You have the option to browse by most popular titles, recent reviews, authors, titles, genres, languages, and more. These books are compatible for Kindles, iPads and most e-readers. There are thousands of ebooks available to download legally - either because their copyright has expired, or because their authors have chosen to release them without charge. The difficulty is tracking down exactly what you want in the correct format, and avoiding anything poorly written or formatted. We've searched through the masses of sites to bring you the very best places to download free, high-quality ebooks with the minimum of hassle. Amazon's star rating and its number of reviews are shown below each book, along with the cover image and description. You can browse the past day's free books as well but you must create an account before downloading anything. A free account also gives you access to email alerts in all the genres you choose. At eReaderIQ all the free Kindle books are updated hourly, meaning you won't have to miss out on any of the limited-time offers. In fact, you can even get notified when new books from Amazon are added. Wikibooks is a useful resource if you're curious about a subject, but you couldn't reference it in academic work. It's also worth noting that although Wikibooks' editors are sharp-eyed, some less scrupulous contributors may plagiarize copyright-protected work by other authors. Some recipes, for example, appear to be paraphrased from well-known chefs. World Public Library: Technically, the World Public Library is NOT free. But for \$8.95 annually, you can gain access to hundreds of thousands of books in over one hundred different languages. They also have over one hundred different special collections ranging from American Lit to Western Philosophy. Worth a look. To stay up to date with new releases, Kindle Books, and Tips has a free email subscription service you can use as well as an RSS feed and social media accounts.
