The Passion of Christ, Strengthen Us... Elmer M. Abear.2004 As a result of our insensitivity to the will of God Mel Gibson's movie *The Passion of the Christ* may perhaps awaken our spiritual values and challenges us about the reality of heaven and hell in the afterlife. *The Passion of Christ, Strengthen Us...*, written by Dr. E. M. Abear, tells us that if we have for a moment what St. Faustina saw in her visions the brutalities done to Christ in Mel Gibson's film may pale in comparison to how sin offends God. However, the image of Christ on the cover gives us hope of His infinite divine mercy and introduces us to the Kingdom of Heaven. What sets Dr. Abear's book apart from other writers is his scientific explanation about the death of the human blood in relationship to Christ's own divinity as He dies on the cross. The entire book tries to supplement what movies about Christ cannot fully articulate in words. Thus, after perhaps reading this scholarly dissertation of love and obedience, of sin and forgiveness, of Pope John Paul II's joy and suffering one may hopefully arrive to a better understanding and appreciation about *The Passion of Christ*. Book Review *PASSION OF CHRIST, Strengthen Us* Reviewed by J.R. Pingol The main message of this book is to make us understand that *The Passion of Christ* is the autobiography of our own life. The book starts by defining what is genuine love. The freedom of love according to the author is limited within the confine of God's will by which we all are obligated as creatures to obey, His Ten Commandments. Since we often fail to obey God's ten commandments (priests, nuns, lay persons alike) in our journey through life God bestows upon us, the gift of our conscience (which the author constantly makes references to Pope John Paul II's concept). Since conscience is often subjective to the will of man there are failures and successes when tested in a world that has gone increasingly secular. Forgiveness and generosity (chapter 3-4) heal the wounds of our misdeeds so we won't lose hope in our search for perfect happiness. By this the author introduces to us the kingdom of heaven (chapter 5). In this chapter we should not miss his beautiful insight of heaven as based from Christ's teaching nor his practical understanding of Christ's eight beatitudes .in relationship with our daily struggle in life. Having said that Dr. Abear points out the necessity of our knowing the ugliness of sin (chapter 7) so that no matter how we have sunk into the abyss of sins the two rays from the heart of Jesus (see cover) would show to us the abundance of His divine mercy, particularly available by those who would repent before He comes as a Judge. Chapter 12 opines with a new idea about the Passion of Christ which sets Dr. E. Abear's book apart from other writers. He writes about the physiology of human blood, how it separates into blood and serum and its scientific implication to the blood and water mentioned in the bible. In the absence of this scientific explanation for centuries most theologians had regarded the divinity of Christ as a mystery. No man in history has lived long after the blood in his heart turns into water and blood. Indeed, the suffering of Christ in terms of our sinfulness is so brutal that it dwarfs the brutalities in Mel Gibson's movie. Mel Gibson is right: Christ dies to redeem 'the sins of humanity,' past, present and future, regardless of religion, color, or creed. Reflecting on the crucified Jesus reveals to us the autobiography of our own life. The 7th canticle of conversion concludes the book: Out of your divine mercy, oh Christ Comes my little faith Which out of my unbelief you deliver me from evil and embrace me for a new start.

The Revelation Problem John T. Spivey.2013-03-07 John T. Spivey breaks Revelation free from the confusing futurist interpretations and shows that St. John wrote to the Early Church to build its faith during persecution by the Roman Empire. He further shows that St. John predicted the fall of the Roman Empire. Mr. Spivey calls on many ancient historians and Early Church fathers to present their testimonies to show that Revelation's predictions are subject to analysis and proof. He shows that St. John described the desolation of Judea and the deliverance of the Christian community from the destruction of Jerusalem in the Roman-Jewish War of AD 66-70 as completed events to build confidence in what would happen in the time of Roman persecution. Mr. Spivey also explains the millennium and the end of time in fresh, new ways that are scientifically sound and that affirm the Bible at every point.

Into All the World Mark Harding,Alanna Nobbs.2017 *Into All the World*--the third volume from editors Mark Harding and Alanna Nobbs on the content and social setting of the New Testament--brings together a team of eminent Australian scholars in ancient history, New Testament, and the early church to take the story of Christianity into the Jewish and Greco- Roman world of the first century. In thirteen chapters, the contributors discuss all the post-Pauline New Testament writings, devoting attention to both their content and their context. They examine the impact of the growth of the church on both Jews and Gentiles, exploring issues such as the diaspora, minorities, the Book of Acts, and the Fourth Gospel. The book then proceeds to a discussion of the impact of Christianity on the Roman state, including consideration of the book of Revelation and the imperial cult. A final chapter investigates how the church was perceived by Clement of Rome at the end of the first century.

An Introduction to Christian Worldview Tawa J. Anderson,W. Michael Clark,David K. Naugle.2017-10-10 Everyone has a worldview. A worldview is the lens through which we interpret the cosmos and our lives in it. A worldview answers the big questions of life: What is our nature? What is our world? What is our problem? What is our End? As Anderson, Clark, and Naugle point out, our worldview cannot simply be reduced to a series of rational beliefs. We are creatures of story, and the kinds of stories we tell reveal important things about our worldview. Part of being a thoughtful Christian means being able to understand and express the Christian worldview as well as developing an awareness of the variety of worldviews. An

Introduction to Christian Worldview takes you further into answering questions such as Why do worldviews matter? What characterizes a Christian worldview? How can we analyze and describe a worldview? What are the most common secular and religious worldviews? Well organized, clearly written, and featuring aids for learning, An Introduction to Christian Worldview is the essential text for either the classroom or for self-study.

The Future of Christology Roger D. Haight.2007-08-03 In a strongly worded notification, in February of 2005, the Vatican Congregation for the Doctrine of the Faith denounced Jesuit Roger Haight's award-winning, best-selling book Jesus Symbol of God as containing grave doctrinal errors. Like a number of theologians before him-Hans Küng, Charles Curran, Anthony de Mello, Tissa Balasuriya, and Jacques Dupuis-Haight has been banned from teaching as a Catholic theologian. In its overall criticism of the book, the Congregation, still under the direction of the then Cardinal Ratzinger, charged that Haight subordinates the contents of the faith to their plausibility and intelligibility in post-modern culture. For his part, Haight says: I look at American Catholicism with a population more and more educated in the faith. Many college and university students are used to religious pluralism, and are asking how they can square it with the Catholic faith. I try to put critical words to their experience and keep their experience in touch with the tradition. My fear is that educated Catholics will walk out if there isn't space for an open attitude to other religions. The Future of Christology covers much the same ground as Jesus Symbol of God, though in a much more accessible and compact format. The earlier book was written as a textbook; this one, with a wider audience in mind. In the final chapter, Haight responds to the numerous reviews Jesus Symbol of God received, both pro and con.

Jesus Christ Michael Pennock.2010-10 (© 2011) The Subcommittee on the Catechism, United States Conference of Catholic Bishops, has found that this catechetical high school text is in conformity with the Catechism of the Catholic Church and fulfills the requirements of Core Course II of the Doctrinal Elements of a Curriculum Framework for the Development of Catechetical Materials for Young People of High School Age. Jesus Christ: His Mission and Ministry deepens the study of Jesus, highlighting key events in his earthly ministry while unpacking his teachings about God the Father, the Trinity, Mary, and the Holy Spirit. Students learn that the goal of discipleship is a life of grace and holiness and a share of God's everlasting Kingdom. Jesus Christ: His Mission and Ministry encourages a course of action and calls on teens to pick up their cross and follow the Lord in this life and beyond by introducing key vocabulary terms, exploring relevant questions of faith, profiling famous Christian disciples, and offering several applications to put the lessons into action. The text follows Course II of the new curriculum framework. It is also applicable for a Christology course apart from the framework sequence.

Jesus, Son of God Frank Tunstall.2015-08-25 Christian universalism teaches that ultimately all people will be saved--if not in this life, then in the world to come. Religious pluralism is best identified by the catchphrase, All roads lead to God. These systems of thought are well anchored in contemporary culture and continue to gain adherents. Both reject Jesus Christ as the Son of God. The Apostle John wrote his book two thousand years ago for one purpose: that you may believe Jesus is the Christ, the Son of God, and that by believing you may have life in his name (John 20:31). The pressure of modern thinking mandates that we rediscover Jesus in flesh and blood humanity. Eating, sleeping, walking, laughing, living with his disciples--growing tired, hungry, and thirsty with them, his dirty hurting feet throbbing like theirs. While tenting with mankind, Jesus' many astounding miracles also forced people to lift their sights to God and acknowledge his divinity. Three days after his crucifixion, Jesus gave the ultimate proof with his bodily resurrection. When Jesus' story is told with love and passion, John's book leads people to the same conclusion in our generation: Jesus is the Son of God. He is the one and only, with no equal and no close rival.
