The young hero of Serge Bloch's delightful Butterflies in My Stomach is back, along with his loyal dog Roger. Having mastered the first day of school, the two are embarking further on the perilous journey of life. Monkey Business Wallace Edwards.2004-01

Warhol-isms Andy Warhol.2022-05-10 A unique collection of brilliant quotations from the legendary Pop artist One of the most influential artists of

his time and ours, Andy Warhol is nearly as renowned for what he said as for what he did. Indeed, he is so quotable that things he never said are endlessly and plausibly attributed to him, including, fittingly, the most celebrated fake Warhol saying—"In the future, everyone will be world-famous for 15 minutes." Warhol-isms separates legend from fact to present a unique and comprehensive collection of authentic quotations from the Pop artist. Gathered from interviews and other primary sources, these deadpan, droll, ironic, and sincere gems—in which a superficial embrace of superficiality often disguises provocative, unconventional ideas—provide compelling insights into the life and work of an artist who has left an indelible mark on art and popular culture. Select quotations from the book: I think an artist is anybody who does something well. I went to [a psychiatrist] once, and he never called me back. They always say that time changes things, but you actually have to change them yourself. I've never met a person I couldn't call a beauty. New things are always better than old things. I'm still a commercial artist. I was always a commercial artist.

You Are What You Eat and Other Mealtime Hazards. by Serge Bloch Serge Bloch. 2012-01-19 Serge Bloch whips up a scrumptious new concoction for his fans to savour! Homophones and Homographs .2014-11-01 This expanded fourth edition defines and cross-references 9,040 homophones and 2,133 homographs (up from 7,870 and 1,554 in the 3rd ed.). As the most comprehensive compilation of American homophones (words that sound alike) and homographs (look-alikes), this latest edition serves well where even the most modern spell-checkers and word processors fail--although rain, reign, and rein may be spelled correctly, the context in which these words may appropriately be used is not obvious to a computer.

Butterflies in My Stomach and Other School Hazards .2011-07-15 You can bet your bottom dollar this funny story is the cream of the crop—and the best thing since sliced bread! Award-winning artist Serge Bloch will have kids laughing their heads off at this child's-eye look at idiomatic expressions like "ants in your pants," "homework is for the birds," and "cat got your tongue?" These commonly used sayings make sense in the adult world, but just imagine what a child pictures when she hears it's "raining cats and dogs!" With witty and wonderful images that mix whimsical line drawings with photographs of inanimate objects, Bloch gives us a unique and sympathetic perspective on a boy's first day of school where colorful butterflies flutter in our hero's stomach and a cloud rains on him when he's "under the weather." Even the "big cheese" Principal has a body cut out of a block of Swiss.
