**The Missing Peace** Cynthia Anderson.2021-06-29 When we lose our mothers, we often mourn two losses: the relationship we had and the one we didn't. Cynthia Anderson attempts to reconcile these losses in *The Missing Peace*. Weaving a narrative of masterful short-form vignettes--cherita, tanka, and haiku--she shares a poignant journey. --Peter Jastermsky, Author of *Steel Cut Moon* and *The Silence They Came For* Cynthia Anderson's inspired lines map a child's quest for her mother's love. She must hold herself in the absence of comfort and grow herself in the absence of praise. With nowhere to hide, she must hide in the stars. She takes us deep into the chambers of the heart where hope is sequestered. --Enid Osborn, Author of *When The Big Wind Comes*, Santa Barbara Poet Laureate 2017-2019 What is missing from memory has always been the flesh and bones of what could have been. There is never any peace in the void of loss. Cynthia Anderson braves the elements of regret by presenting us with a book about how to be brave and truthful in the face of loss. --ai li, Creator of *Cherita*, Editor and Publisher of the *cherita* I can relate to this honest, raw, and daring poetry book. *The Missing Peace* can heal and transform all who read it and bring to light that not everybody had an unconditionally loving mother, like we want to believe. Read it and become enlightened. --Pamela A. Babusci, Editor of *moonbathing: a journal of women's tanka*

**Mothers and Daughters** June Cotner.2010-03-10 Celebrate the life passages shared only between mothers and daughters in this uniquely moving collection. *Mothers and Daughters* reveals the full breadth and depth of the mother-daughter bond as only poetry can. From pregnancy to toddlerhood, adolescence to leaving home, grandmotherhood and beyond, and every passage in between, this collection captures the voices of mothers and daughters as they write about the most moving moments of their times together. Honest, inspiring, joyful, and reflective, the full range of women's voices has been captured here: the inexplicable joy of a mother holding her baby girl, a mom witnessing the first grown-up tears of her adolescent girl, a mother watching her daughter walk down the aisle, a ten-year-old trying to explain to her mom why she hates broccoli, and a daughter saying good-bye to her mother in her new dorm room. All the poetry, selected by bestselling author June Cotner, is accessible and beautifully crafted, alternating poems that will move any mother or daughter to tears with others that will make her laugh out loud—and all of which will deepen the reader's understanding and appreciation of this unique bond as no self-help book ever could. The perfect gift for mother or daughter, this is a book that women will want to revisit and share for years to come.

**I Wore This Dress Today for You, Mom** Kim Dower.2022 Kim Dower's poetry has been described by the *Los Angeles Times* as sensual and evocative . . . seamlessly combining humor and heartache, and by *O Magazine* as unexpected and sublime. Acclaimed for combining the accessible and profound, her poems about motherhood are some of her most moving and disarmingly candid. *I Wore This Dress Today for You, Mom* is an anthology of her poems on being a mother--childbirth to empty nest--as well as being a daughter with all the teenaged messiness, drama and conflict, to finally caring for one's mother suffering from dementia. Culled from her four collections as well as a selection of new work, these poems, heartbreaking, funny, surprising, and touching, explore the quirky, unexpected observations, and bittersweet moments mothers and daughters share. These evocative poems do not glorify mothers, but rather look under the hood of motherhood and explore the deep crevices and emotions of these impenetrable relationships: the love, despair, joy, humor and gratitude that fills our lives.

**Mother Hunger** Kelly McDaniel.2021-07-20 An insatiable need for sex and love. Periods of overeating or starving. A pattern of unstable and painful relationships. Does this sound painfully familiar? Trauma counselor Kelly McDaniel has seen these traits over and over in clients who feel trapped in cycles of harmful behaviors and are unable to stop. Many of us find ourselves stuck in unhealthy habits simply because we don't see a better way. With *Mother Hunger*, McDaniel helps women break the cycle of destructive behavior by taking a fresh look at childhood trauma and its lasting impact. In doing so, she destigmatizes the shame that comes with being under-mothered and misdiagnosed. McDaniel offers a healing path with powerful tools that include therapeutic interventions and lifestyle changes in service to healthy relationships. The constant search for mother love can be a lifelong emotional burden, but healing begins with knowing and naming what we are missing. McDaniel is the first clinician to identify *Mother Hunger*, which demystifies the search for love and provides the compass that each woman needs to end the struggle with achy, lonely emptiness, and come home to herself.

**Daughters Rising** Katherine Fabrizio.2015-09-14 The Mother/Daughter Relationship gets a Makeover from the Feminine Divine. You love your mother, but she can drive you crazy. No matter what you do, it isn't quite good enough. When you speak up, mom says, Well then, I guess I'm just a horrible mother. The mixed messages and guilt weighs you down and leaves you wondering if you can ever get it right. How can you turn this around, free yourself from self-doubt, and break the cycle for your own daughter? You can meditate, chant affirmations, and dutifully practice feeling grateful all you want, but you can't create the life you desire without addressing the issues around the person who first gave you life. Do you apologize chronically, saying, I'm sorry and it's ok, when it isn't? Second-guess yourself with every decision? Look to others for your sense of self worth? Feel that you have to choose between looking good and feeling good? Come with me, as I show you how the problems you have with your mother mirror the problems you have in life. By understanding what has gone wrong in the mother/daughter relationship and turning it around, you activate the Feminine energy that is the key to having the life you've always wanted. Are you ready to rise up, come alive, and live beyond your mother's limiting messages? Rise up and claim your full true Feminine power! In psychotherapist's Katherine Fabrizio's ground breaking book, DAUGHTERS RISING, she tells you how your relationship with your mother is affecting your life in ways you have not yet imagined. Your struggle with mom mirrors the internal struggle you have with yourself. The impossible standards your mother tried to live up to has caused you to be filled with shame, guilt and self-doubt. It doesn't have to be this way. Buried in each disempowering message is a message of strength and hope when you get back online with your Feminine power. You can't get there with the masculine energy that held your mother down and is so prevalent in the western culture today. This book will break the spells that are holding you back from the life you've always wanted and show you the way home to claim your true Feminine power. Get clear on the mixed messages that were passed down to you and learn how to rise above those messages. What are you waiting for? Your life is waiting. **Generations Three My Mom My Daughter and Me** Felicia Rishty.2007-07 My Mom My Daughter and Me Feelings on paper, that's what this is. All based on true thoughts and events. Some are happy, some sad and some are sure to make you giggle. I enjoy writing a variety of different types of poems and stories. I compiled this book in hopes to inspire others to get their writings out of their notebooks and into publication, so that it may be shared with others. My mother (Daisy) enjoys writing poems about God's goodness and poems that have specific messages for her children, grandchildren and great-grandchildren. My daughter (Andrcia) writes about love and feelings of hopelessness. I believe that writing is an excellent way to bathe your soul and stay lifted. I am truly blessed to have a wonderful husband, an awesome family and great friends. They are the ones who keep me going and the ones who've inspired me to write this book.

*Motherless Daughters* Hope Edelman.2018-09-06 Ask any woman whose mother has died, and she will tell you that she is irrevocably altered, as deeply changed by her mother's death as she was by her mother's life. Although a mother's mortality is inevitable, no book had discussed the profound, lasting and far-reaching effects of this loss - until *Motherless Daughters*, which became an instant classic. Over twenty years later, it is still the book that women of all ages look to for comfort and understanding when their mothers die, and the book that they continue to press into each other's hands. Building on interviews with hundreds of mother-loss survivors, the author's personal story of losing her mother and recent research in grief and psychology, *Motherless Daughters* reveals the shared experiences and core identity issues of motherless women. \* \* \* \* \*

**Mom & Me & Mom** Maya Angelou.2013-04-02 NEW YORK TIMES BESTSELLER • A moving memoir about the legendary author's relationship with her own mother. Emma Watson's Our Shared Shelf Book Club Pick! The story of Maya Angelou's extraordinary life has been chronicled in her multiple bestselling autobiographies. But now, at last, the legendary author shares the deepest personal story of her life: her relationship with her mother. For the first time, Angelou reveals the triumphs and struggles of being the daughter of Vivian Baxter, an indomitable spirit whose petite size belied her larger-than-life presence—a presence absent during much of Angelou's early life. When her marriage began to crumble, Vivian famously sent three-year-old Maya and her older brother away from their California home to live with their grandmother in Stamps, Arkansas. The subsequent feelings of abandonment stayed with Angelou for years, but their reunion, a decade later, began a story that has never before been told. In *Mom & Me & Mom*, Angelou dramatizes her years reconciling with the mother she preferred to simply call "Lady," revealing the profound moments that shifted the balance of love and respect between them. Delving into one of her life's most rich, rewarding, and fraught

relationships, Mom & Me & Mom explores the healing and love that evolved between the two women over the course of their lives, the love that fostered Maya Angelou's rise from immeasurable depths to reach impossible heights. Praise for Mom & Me & Mom "Mom & Me & Mom is delivered with Angelou's trademark good humor and fierce optimism. If any resentments linger between these lines, if lives are partially revealed without all the bitter details exposed, well, that is part of Angelou's forgiving design. As an account of reconciliation, this little book is just revealing enough, and pretty irresistible."—The Washington Post "Moving . . . a remarkable portrait of two courageous souls."—People "[The] latest, and most potent, of her serial autobiographies . . . [a] tough-minded, tenderhearted addition to Angelou's spectacular canon."—Elle "Mesmerizing . . . Angelou has a way with words that can still dazzle us, and with her mother as a subject, Angelou has a near-perfect muse and mystery woman."—Essence
